Scope and Contents

Athletic contest programs, media guides, directories and handbooks, primarily for Arkansas colleges and universities. Football programs constitute the largest part of the collection, but other men's sports are included. The collection also contains Arkansas Intercollegiate Conference records, including constitutions, by-laws, annual review of sports, and directories.

Biographical/Historical

Mike Dugan (1954-2021) was one of Arkansas's foremost sports historians and a leader in efforts to establish the Historic Baseball Trail in Hot Springs. He was also instrumental efforts to transform the former site of the Hot Springs Boys and Girls Club into Majestic Park.

Mike was born in Hot Springs, Arkansas. He graduated from Hot Springs High School. He attended Arkansas Tech University, but later transferred to Henderson State

University in Arkadelphia. After college, Mike returned to Hot Springs to coach tennis at Garland County Community College (now National Park College).

Mike later served as sports information director, quickly establishing a reputation as one of the country's top SIDs. In addition to his duties as SID, Mike broadcast Reddie football, basketball and baseball games on the radio.

After Mike left his SID position at Henderson, he became an assistant to Arkansas businessman and philanthropist Don Munro in Hot Springs. Mike accompanied Munro on visits to company shoe plants across the state and organized events for employees. Mike still found time to indulge his passion for sports, serving as the emcee of the annual Reddie Hall of Honor ceremony at Henderson., researching Hot Springs baseball history, collecting sports memorabilia and attending sporting events. He was active in Arkansas's chapter of the Society for American Baseball Research.
