

The Cancer

Dana Lou Vernon

Be Positive!

Think Positive!

Hope For The Best!

(squench the hope.

stamp it out.

prepare for the worst.)

Follow Your Heart!

You Will Be Right!

Hope Is Alive!

(guard your heart.

defy the hope.

you'll only get hurt.)

Oh So Alluring!

Cling To It Tightly!

Hope Claims Your Heart!

(it didn't happen.

not like Hope said.

now Hope is dead.)
