# SOPHOMORES! TRY THE BASIC OUTLOOK ON LIFE.

If you're starting to look at life after college, try our "basic" outlook. Apply for the special Two-Year Army ROTC Program during your sophomore year. Attend a six-week Basic Camp this summer and earn \$500. It's tough. But the people who can manage it are the people we want to serve as officers in the active Army or Reserves. Do well at Basic and you can qualify for the Army ROTC Advanced Program in the fall. You'll

earn \$100 a month for 20 months your last two years in college. And the opportunity for a two-year full tuition scholarship. You'll also receive the extra credentials that will distinguish you in whatever career you may choose. Try our "basic" outlook on life.
