0:01	Narrator	The Leo seasons
0:10	Narrator	It's time now for another day in the life of Sam and Jesse, Gum Springs, Arkansas.
0:14		[music]
0:37	Sam	Jesse, did you see that feller that just left?
0:39	Jesse	Yeah, why?
0:40	Sam	Well, something was wrong with him!
0:42	Jesse	What was wrong with him? He looked all right to me.
0:44	Sam	Yeah, he looked all right. But, but he asked me what sign I was.
0:48	Jesse	Well, what did you tell him?
0:49	Sam	I told him I wasn't a sign, that I worked here, and that was just my tag on the front of my shirt!
0:54	Jesse	No, Sam, he was just trying to- [overlap]
0:56	Sam	I thought I'd heard all the weird questions there was but now that- [overlap]
0:59	Jesse	Sam, he was asking me about your birth sign!
1:01	Sam	I-I, how would he know about that?! It's right in the middle of my back.
1:05	Jesse	No, he didn't mean that- [overlap]
1:07	Sam	It's kinda shaped like a little heart.
1:09	Jesse	He meant what sign- [overlap]
1:10	Sam	Mama said it looked like a little teeny map of New Zealand!
1:12	Jesse	Do, do you want to know what he was talking about or not?!
1:15	Sam	You said my birth mark.
1:17	Jesse	No, I never! He asked what your birth sign was. What sign was you born on?

1:21	Sam	I wasn't born under no sign. I, I was born at grandma's house!
1:24	Jesse	Oh, a person's sign is <i>when</i> he was born! Like what month. Each month's got a different sign.
1:29	Sam	Months got signs? Jesse, what are you talking about?
1:33	Jesse	It's got something to do with astrology. They, they have these signs called, let's see, Pisces, Cancer, Leo, stuff like that.
1:41	Sam	Well, well, now that's a new one on me. I, I wonder what you're supposed to plant during Leo?
1:46	Jesse	No, no, Sam. These are just myths.
1:48	Sam	Myths? I thought a myth was a female moth!
1:51	Jesse	In fact, now, I'm a Leo.
1:53	Sam	A what? You're a <i>what</i> ?!
1:55	Jesse	A Leo! That's the astrological time when I was born.
1:57	Sam	You mean it's like a time? Uh, not a month?
2:00	Jesse	Well, sort of.
2:01	Sam	Like fall, spring, winter, summer and <i>Leo</i> ?
2:03	Jesse	N-no, not, not that! [overlap]
2:05	Sam	I wonder if Leo's got any holidays, we oughta have been closing up on.
2:10		[music]
2:31	Sam	Hey, Leon!
2:32	Leon	Hey, Sam! What you know?
2:35	Sam	Well, I know that the government's just added a new season!
2:39	Leon	Added a what?
2:40	Sam	A new season, Leon! You know what season follows summer?
2:42	Leon	Well, it's winter.
2:43	Sam	Nope!

2:44	Leon	Oh, I-I mean fall's after summer.
2:46	Sam	No, no, Leo. Leo comes after that!
2:48	Leon	Huh?
2:49	Sam	Leo!
2:50	Leon	I-is Leo a hot or a cold season?
2:54	Sam	Well, you know, I don't know- I hope it ain't hot. The farmers can't stand two hot seasons in a row!
2:59	Leon	Oh, I, I know what you talking about. Don't the Book of Revelations talk about the Leo season?
3:04	Sam	Leon, I, I believe it does!
