Every few years the Senate conducts an evaluation of all faculty members and selected administrative staff members. The first segment, the faculty evaluation, will be on Wednesday, November 7, and Thursday, November 8.

Each student will be asked to evaluate each of his/her instructors during the last 15 minutes of each class period on these two days.

There are 100 students helping with this project. Please be attentive and cooperate when a student comes to your class to administer the evaluation.

P.S. Reminder to all student helpers: You need to attend a meeting Tuesday night, Nov. 6, at 7PM in MCC 100.
