

A PLEA FOR PROPITIATION

Will Gunter

How I need Him!
To witness as my plea, before the God of Heaven!

Oh, on that day of fire,
My deeds will come forth...
And I will be laid bare,
Naked before God...

A Righteous Judge of sin
Is the Almighty -
No hope will I have, then,
For God to love me...

But if Christ hung there, naked on a tree -
If He truly did the work of justifying me...

Then all Heaven will not be able
To bring upon me judgment
No charge will have ground so stable
As the blood of my atonement!
For there upon that rugged cross
Christ was treated as a villain
So that God could be seen as Just

And Justifier of the wicked!
I am seen and treated righteous
For He, the blessed Savior, Christ
Took the wrath meant for my actions!
Propitiating sacrifice!
And God will look on me with love,
And see the likeness of His Son!
For stood He – stands – will stand above,
As my sole propitiation!
