0:41	Jesse	Well, how's that, Sam?
0:42	Sam	Well, our new blood bank, first of its kind in the state.
0:45	Jesse	Well, I ain't heard a thing about that. What are you talking about?
0:49	Sam	Well, it's the latest thing. That's what Rube said down there at the barbershop.
0:52	Jesse	The <i>latest</i> thing?
0:53	Sam	Yeah, yeah. Coin-operated blood bank.
0:55	Jesse	A coin-operated blood bank, you say?
0:57	Sam	Yeah. Yeah, it'll save all that hospital cost.
0:59	Jesse	How's that, Sam?
1:00	Sam	Well, if you need a transfusion, you just, you give it to yourself. Of course, you have to have the correct change.
1:08	Jesse	Are you <i>sure</i> about that, Sam?
1:09	Sam	That's what Rube said, and-and he ain't never wrong being a barber, you know?
1:12	Jesse	Well, I, I don't see how in the world it works!
1:15	Sam	Well, instructions are on the sign right there where you drive in!
1:18	Jesse	<i>Drive in?!</i>
1:19	Sam	Oh, <i>yeah</i> , y-you don't have to get out of your car!
1:21	Jesse	Oh, me! Come on now, Sam- [overlap]

1:23	Sam	Yeah, and as soon as your left front tire goes over that metal hump, you ready to go.
1:27	Jesse	Oh! Well, I wouldn't use it! I-I-I'd want a doctor around at a time like that.
1:31	Sam	Well, they-they got a registered notary public on duty if you pass out.
1:36	Jesse	Well, I'm sure you misunderstood something there one way or another.
1:40	Sam	Hey, Leon!
1:41	Leon	Hey, Sam. I bet you can't guess where I just been!
1:44	Sam	Give us a hint, Leon.
1:46	Leon	You heard of drive-in bank?
1:47	Sam	Yeah, yeah!
1:49	Leon	Well, me and mom had just been to Arkadelphia's first coin-operated nursing home.
1:53	Jesse	<i>Nursing home?!</i>
1:54	Leon	Uh, yeah, but you got to have correct change to get in there.
1:57		[music]
2:18	Sam	This do-it-yourself blood transfusion invention ain't gonna work.
2:22	Leon	My great uncle just finished one that didn't work!
2:25	Sam	Finished <i>what</i> ?
2:26	Leon	A new invention. Uh, it almost worked.
2:29	Jesse	Oh, yeah! Your great uncle, he <i>is</i> an inventor, isn't he. What did he come up with this time, Leon?
2:34	Leon	Well, he-he loves to fish, you know? But, but he can't stand wearing that life jacket. Says it hurts his casting.
2:40	Jesse	Well, now, they're real strict about that these days!
2:43	Leon	Well, he invented a inflatable hat.
2:45	Jesse	<i>An inflatable hat?</i>

2:46	Leon	Yeah-yeah, it's got a string on it that you hook on to the boat and, and if you fall out it makes hat inflate automatically.
2:53	Sam	Well-well, does it work?
2:55	Leon	Well, almost. Their nose is just a few inches under water but they didn't sink!
3:00	Jesse	Oh, me!
