**TAKE NOTE!**

**WOMEN!!** Looking for equal opportunity? Women in the Army receive exactly the same pay as men of the same rank and time in service. Within the OBU Military Science Department, women receive the same responsibilities as men, and they receive equal consideration for assignment to leadership positions. The role of women in the Army or Army Reserve is technical-manager and incorporates many more fields than traditional female roles of office manager. Inquire at the Military Science Department (Walton Gym) for more details.
