

# Jean Jacket Dreams

*by Jacob Sturgeon*

*A series of Haiku  
inspired by the nostalgic fashions  
of Zachary Jones and Jacob Sturgeon*

I shall not deprive  
My torso of happiness  
In blue cotton form

Shades of blue wearing  
Strong and durable cotton  
Classy casual

Denim wrapped around  
I'm enveloped in awesome  
Jean jackets warm me

Rugged and sublime  
All dark washed to perfection  
You are my blue dreams
