INTRAMURALS HAVE A NEW LOOK

Last year during the Spring semester, the Intramural Program was moved to Student Services. With this move came the challenge to make some significant changes in the program so that: one, more students would be involved, and two, so that intramurals would become enjoyable and would not be plagued with problems of decorum.

The first step in accomplishing these goals was to revise the intramural hand book. Coach Barrett worked closely with this office on the revisions.

Secondly, Brennan Schwenk, a new hall director at Ouachita, has had extensive experience

in intramural programs at another college, and is now serving in the capacity of Assistant Intramural Director. In addition to the team competitions, he will plan some activities that may appeal to those who may not be inclined toward team sports.

We want to give the winning teams of all intramural sports a "Championship Shirt." We feel that the winning teams should be rewarded in some way for their hard work.

We are excited about what is happening with the intramural programs.

FRESHMAN ELECTIONS A WORD FROM YOUR SENATE PRESIDENT

Yes, it is that time of year again when the student center will be plastered with signs of eager freshmen who want to serve their class by being on the Student Senate.

This is an important time for the Senate because we are looking

forward to having a completed body of Senators from every class.

Elections will be held on Wednesday and Thursday in Evans Student Center. Ballots will be distributed at a table on the second floor.

Also, Parents Day is Saturday and there is still time for your organization or club to reserve a place to set up a display. Call the Evans Student Center Office to reserve a place.
