A NEW GRILL

A NEW LOOK, NEW FOOD, & NEW HOURS FOR A NEW YEAR

The 70's tinfoil wallpaper is gone and the booths have disappeared. The walls are not the only things that have changed in the Tiger Grill.

Along with the beautiful old pictures comes a whole new menu and hours that will make everyone smile.

Walt Kehoe, the man who brings us the wonder food in the cafeteria, has worked with the University on the new menu. Muffins, fresh-baked cinnamon rolls, juices, hot chocolate and coffee are available in the

mornings.

At noon, the Grill will offer, in addition to hamburgers and fries, several low-fat items like speciality salads, fruit, yogurt. Hopefully, these new menu items will be a welcome sight for those who are health conscious.

The Grill's new hours include being open evenings from 9:00 until 11:00.

The University has given to us that "place" of our own. Be sure and take advantage of what the Grill has to offer.

LOOKING AHEAD A Word From Your Student Senate President

"The Student Senate doesn't do anything." That is a statement I've heard more often than not. The fact is the Student Senate does a lot of things.

Parent's Day, Homecoming, blood drives, and the Academic and Athletic Banquets are all events that the Senate takes an active role in

coordinating. This is not to say the criticism the Senate has received does not have some merit.

The question I have asked myself is, how can we on the Senate improve upon the jobs we have been given? It was this question that has lead me to form a Senate Development Council.

In the days ahead those on the council will identify the ways the Senate can improve upon the tasks we have been given. We will also look for new opportunities to have a positive effect on our campus.

This is a defining moment for the Senate. We must take new steps forward.
