## **CRIME AWARENESS AND CAMPUS SECURITY REPORT**

### **OUACHITA BAPTIST UNIVERSITY**

**1992**

The following information is being published in compliance with the Crime Awareness and Campus Security Act of 1990 (Public Law 101-542). All colleges and universities in the United States who receive any type of federal student aid "must prepare, publish, and distribute through appropriate publications or mail" to all students and employees their campus security policies and campus crime statistics.

Ouachita has operated continuously for 106 years, and it has been committed to having a safe and secure campus since its founding. The "statement of policies" of Ouachita Baptist University is published in the Tiger Handbook for students, and in the University Faculty/Staff Manual for employees. The University provides safety officers that patrol the buildings and properties of the campus from 5:00 p.m. until 7:00 a.m. daily. The security office is in Evans Student Center, and the officer may be reached by phone by dialing 245-5224. In addition, there are security officers on duty from midnight to 6:00 a.m. in each of the women's dormitories. The campus security officers and the Dean of Students work closely with the local Arkadelphia police in the solution of criminal activity.

Any student or employee is urged to call the Dean of Students Office and/or the Security Office or the Arkadelphia police to report any crime or any activity that may seem to be criminal in nature. Assistance will be provided by the Dean of Students staff as well as the security officers in such cases. In-service security training is provided for the housing staff on a regular basis.

Each building on campus has a closing time established by the building manager, and the security officer checks that building on a regular basis to ensure that all doors are properly secured. Provisions for exceptions are made through the activities office of Evans Student Center. Daily reports are made by security and any problems related to lighting, unauthorized visitors, etc. are a part of the written reports.

Ouachita prohibits any involvement with any type of alcohol or other drugs, either on or off campus and is in compliance with The Drug-Free Schools and Communities Act Amendments of 1989.

The Crime Awareness and Campus Security Act of 1990 requires that each institution report crimes in the following categories. These are for public information.

<b>Crime</b>	<b>1990-91</b>	<b>1991-92</b>
Murder	0	0
Rape	0	0
Robbery	0	0
Aggravated Assault	0	0
Burglary	2	5
Motor Vehicle Theft	1	0

The institution must report the number of arrests for the following crimes that occurred on campus:

Liquor Law Violations	0	0
Drug Abuse Violations	0	0
Weapons Possession	0	0
