# THINGS HAVE CHANGED

With every new school year comes new and exciting changes, and this year is no exception on the Ouachita campus. The most noticeable development at O.B.U. this year is the completion of the new women's dorm, Maddox Hall.

Housing 138 women, Maddox is a welcomed sight to the Ouachita campus. For the men, Daniel received a complete makeover including fresh paint, better ventilated doors, new smoke detectors, and fluorescent lighting.

A change for all

1895-This picture of Ouachita's first football team is a new addition to the Tiger Grill's walls

student's comes with the newly remodeled Tiger Grill. The Grill has taken on a

nostalgic look with the addition of pictures and a shelf full of items from Ouachita's past.

The Tiger Grill also has a ping-pong table, a TV, extended food service hours, and a larger menu. Other things are in the planning stage.

The fun doesn't end there, Evan's Student Center has new, more collegiate looking furniture, great for studying or just hanging out.

We have seen a few changes this year. We here at the Ouachi-Talk hope you like our change. We hope our new format will offer useful information from news about the Student Senate to what movie will be showing.

## A NEW PARTNERSHIP A WORD FROM YOUR STUDENT SENATE PRESIDENT

Last year, when I ran for Student Senate President, I made an issue of the lack of communication coming from the Student Senate. Upon my election I had hoped to begin a Student Senate newsletter, but I was preempted by Dean Dixon when he asked me to be the editor of the Ouachi-Talk.

I expressed the need for a Student Senate newsletter. He agreed there needed to be more communication from the Senate to the students.

Out of that meeting came a partnership between Student Services and the Student Senate that allows the Ouachi-Talk to be a medium that the Senate can use to inform students on what affects their lives at

Ouachita. I hope the Ouachi-Talk continues to serve its intended purpose while bringing to students information on what the Student Senate is doing.

I have learned, though working in many organizations, that before steps forward can be made, the steps must be clearly communicated. We on the Senate want to take new steps forward and now we have the means to do so.
