

# Journey of Salvation

by Matthew Willis

Embarking on a journey for  
Salvation for all the rich and poor  
Embarking on the journey of  
The walk by faith, and hope, and love  
Not as easy as it may seem  
The path is narrow, short, and steep  
Putting off the ways of old  
Now clothed in grace and love alone

We are on the journey of salvation

Godhead who is three-in-one  
Singing to the Father, Spirit, Son  
We may stumble, we may fail  
But our God is great he will prevail

We are on the journey of salvation

Seasons come and seasons pass  
But His word remains forever last  
When trials wreck the life we know  
May faith and trust rise as we go
