Financial Aid

If you plan to apply for a Guaranteed Student Loan for summer school; you must complete the application and turn it in to the Financial Aid Office by May 1, 1985. Absolutely no loan applications for summer school can be accepted after that date.

You may turn in loan applications for next fall at any time. They can not be processed until after June 15; however, turning in your application before you leave for the summer will help ensure that your loan check will be here when school starts in the fall.
