NEWS

FOR IMMEDIATE RELEASE
FROM

Student Aid

Students interested in receiving various scholarships and other financial aid supplements for the 1987-88 academic year are reminded of several important deadlines for submission of material.

The deadline for submitting academic scholarship application forms for both current students and incoming students at Ouachita for the 1987-88 academic year is March 1, 1987. All current academic scholarship holders, with the exception of those with Scholastic Excellence, Honor Graduate, Centennial, and Leadership Scholarships, who wish to be considered, and those current students without scholarships who desire to be considered, should file an application. Applications are available in the Financial Aid Office, Mitchell Hall.

May 1, 1987 is the priority deadline date for receiving processed American College Testing Family Financial Statements results for the 1987-88 academic year. The current package includes instructions, code lists and forms needed to file for Pell Grants, Arkansas State Scholarships, college workstudy programs, plus other loans and grants. The ACT statement, based on the family's 1986 United States tax return, should be mailed to Iowa City, Iowa, no later than April 15, 1987 for processing and results being sent back to Ouachita by May 1.
