

# Calligraphy

*Ash Farrer*

Devoted arm to wrist,  
swirl, dash, dot the mist  
of ink and wash,  
a painted beast  
with sakura blossom.  
An image on which  
my eyes will feast.

Artful wrist to hand,  
flick, turn, understand  
what guides  
the wetted brush,  
inks of vermilion,  
blue, various colors  
and a singing thrush.
