0:38	Sam	Jesse, did, did you read in the Gazette here that State College is recalling last year's graduating class?
0:42	Jesse	They're doing what?!
0:45	Sam	They're recalling last year's class! You, you know what a recall is, don't you?
0:48	Jesse	I do. But... I, well, I thought I did. I heard a General Motors doing it, but I never heard of a college.
0:54	Sam	Well, now, says here each graduate has been sent a bus ticket and \$32.
0:59	Jesse	Sam, are you sure you ain't reading Richard Allen's column?
1:01	Sam	Look for yourself. It's right here!
1:03	Jesse	Well, let's see. Uhh, says they found a large part of last year's graduating class was defective so they're recalling the <i>whole</i> group.
1:13	Sam	Well, it's about time they done something.
1:15	Jesse	Well, I don't think that's possible. No, not a whole class.
1:17	Sam	Sure, now! That toy company just recalled that airplane that shot them little rockets.
1:21	Jesse	Well, now, that's a little bit different. [overlap]
1:22	Sam	You had to mail in the little rockets.
1:24	Jesse	Well, I say that's a lot different from people—[overlap]
1:26	Sam	When a kid bit on the nose of the plane, it'd shoot a rocket down his throat.
1:31	Jesse	I know, Sam, but you can't do people that way!

1:33	Sam	Bite them on the nose?
1:34	Jesse	No, mail 'em in!
1:35	Sam	No, Jesse, they sent them bus tickets!
1:39	Jesse	It don't say what their defects were anyway.
1:41	Sam	Well, well, it's for sure you can't replace any parts.
1:44	Jesse	No, if they could do that, they wouldn't have had any trouble in the first place. [door opens, closes]
1:49	Sam	Hey, hey, Mr. Buddy!
1:49	Mr. Buddy	Hey!
1:50	Jesse	Hey, Mr. Buddy, did you hear about State College recalling last year's graduating class?
1:55	Mr. Buddy	You must be kidding! You know, that's not a bad idea though. What's wrong with them?
1:59	Jesse	Well, the paper says some of them are defective.
2:02	Mr. Buddy	Well, I'm not surprised. Let me see that paper. As it says here, "The following refresher courses are to be required. Number one, Street Parking 404: How to stop in the middle of the street if you plan to talk to somebody holding up traffic as long as possible. Number two, The Art of Blocking 232: The folk art of standing in stairway openings at sporting events. Number three, The Death of Sportsmanship 532, Graduate Level Only: A comprehensive survey of the decline and eventual death of sportsmanship. The study begins with Muhammad Ali and is traced all the way up to Woody Hayes. A lab course is required in order to practice group taunting."
2:44	Sam	Mr. Buddy, tha-that don't sound right to me. Why would they want to teach that?
2:48	Mr. Buddy	Well, Sam it's the new morality. We've got to stay up with the latest trends today!
2:52	Sam	Oh, <i>well</i> , the paper didn't explain it like that!
2:55		[music]
3:16	Jesse	Here comes one they ought to recall years ago. [door opens, closes]
3:17	Leon	Hey, Mr. Jesse! Howdy, Sam!

3:19	Sam	What do you got in that big box, Leon?
3:24	Leon	Oh, it's that 'lectric blanket I got for Mama for Christmas. It's being recalled.
3:30	Sam	<i>Recalled?!</i> What's wrong with it?
3:32	Leon	Seems like the company that made it got the 'lectric blanket and 'lectric toaster parts all mixed up.
3:37	Sam	The parts mixed up?!
3:38	Leon	Yeah, uhh, Mama kept popping out of bed.
3:40	Sam	That's dangerous.
3:42	Leon	Yeah, but she sure has got a nice tan!
