CONSTITUTION AND BY-LAWS

Adopted October 17, 1961

(Section 8 (a) Amended October 15, 1963)

1. NAME

The name of this association shall be the North Pulaski Baptist Association, co-operating with the Ark. Baptist State Convention and the Southern Baptist Convention.

2. PURPOSE

The purpose of this association shall be to promote Christian fellowship and co-operation among the churches affiliated with the association to uphold the doctrines and principles of our Baptist faith and to encourage the churches to be loyal to and practice these doctrines and principles; to promote the preaching and teaching of God's Word, the enlisting and training of all Christians for service; to promote missions, benevolence, stewardship, Christian education, and the winning of all men to Christ to the ends of the earth. To co-operate with the Ark. Baptist State Convention and the Southern Baptist Convention in a world mission program.

3. MEMBERSHIP

This body shall be composed of messengers elected from the churches and missions affiliated with the body. When such messengers are approved by the association they shall be seated and entitled to participate in the affairs of the body. Each church shall be entitled to three messengers for the first fifty members, and one additional messenger for each fifty members above the first fifty, provided that no church shall be entitled to more than ten messengers.

4. ARTICLES OF FAITH

The Articles of faith set forth in New Hampshire Confession as the doctrinal beliefs of the churches shall be the doctrines adopted by this body.

5. OFFICERS

The officers of the association shall be moderator, vice-moderator, clerk, treasurer, and historian. These officers shall be nominated and elected by the association, preferably before the last session of the annual meeting. They shall serve until the close of the following annual session of the association or until their successors shall be elected and installed. Election shall be by secret ballot unless another plan is adopted by unanimous consent. The moderator and vice-moderator shall be limited to not more than 2 successive years of service. The duties of these officers shall be those usually incumbent upon such officers.

If the association employs a superintendent of missions and/or an educational director, these workers shall be considered as officers of the association. Such additional officers shall be elected as the association shall deem necessary to its

most effective work.

6. AUTHORITY

The association is an autonomous body and therefore reserves the right to determine its own policies and direct its own business; it may refuse to seat messengers who are not in fellowship or doctrinal agreement with the body, or whose churches are not. However, this body shall never exercise any authority over, or give direction to, any church or churches which are affiliated with it or which may have been affiliated with it; but the association will stand ready to lend any assistance or counsel to any church making request for such help.

7. ORGANIZATIONS

This body shall encourage and promote such associational organizations as Sunday School, Training Union, Woman's Missionary Union, Brotherhood, music, library, and other organizations which are in keeping with the purpose of the association, with their full staffs of officers and programs necessary for the promotion of the work. The chief officer of each organization shall be elected, or approved, by the association and shall function as an officer of the association.

8. EXECUTIVE COMMITTEE

The association shall have an executive committee consisting of the pastor of each church (where he is a member of the church) and one lay member from each church. Nominations for membership in the executive committee may be made by the church, but members must be elected by the association. The officers of the association, namely moderator, vice-moderator, clerk, treasurer, and historian, shall be ex officio members of the executive committee and should serve as respective officers of the committee, unless the association directs otherwise. All other officers and chairmen of standing committees are to become ex officio members of the executive committee. Ex officio members will not have the right to vote unless they are also members of the executive committee elected as representatives of their respective churches.

The executive committee shall attend to all matters of the association between sessions; promote all progress authorized by the association; and carry out all directives given by the association. It shall make an annual report to the association of all work carried on and all finances handled. The executive

committee shall not have the power to create or initiate any new work or project not contained in the reports and recommendations of the previous meeting of the association.

The executive committee shall hold regular monthly or quarterly meetings.

The executive committee shall not have power to entitle a church to affiliation with the association or have representation on the executive committee, but may invite a church to sit with it in counsel without vote, pending the seating of the messengers of that church by the association.

8 (a.) The legal title to all property owned by this Association, both real and personal, shall be held in the name of the designated trustees, which shall be vested in them by virtue of their office and which shall be transmitted to their successors. The Trustees shall be three in number and shall be named by the Association to serve for a term of one year or until their successors shall have been named and qualified. In the event a vacancy should occur by reason of the failure of the Association to make such selection, by death, by disability, by removal from the community or otherwise, the Executive Committee may fill the vacancy. By direction of the Association, or of the Executive Committee, the trustees shall be clothed with authority to act on behalf of the Association in the acquisition and disposition of Associational property, and specifically shall have authority to execute notes, bonds, debentures, deeds of conveyance, mortgages, pledges and other security instruments and any and all related documents incidental thereto; and to represent the Association in all legal matters. All persons dealing with said trustees may rely upon any written resolution duly adopted by the Association or the Executive Committee, directing and authorizing the trustee to act in its behalf, and a certified copy of any such resolution duly executed by the Associational moderator and the clerk shall be conclusive evidence thereof.

9. MEETINGS

The association shall hold annual meetings of the body at such time and place as it may determine. The executive committee may have power to change the stated time and/or place of the annual meeting in case of emergency or necessity. The association may hold such quarterly meetings as are deemed wise for the promotion of its work. It shall promote such

regular meetings of its workers' council, its promotional organizations, and its standing committees as shall prove most effective for carrying out the total purpose of the association.

10. COMMITTEES

The association shall have the following standing committees named by the moderator and his officers before the close of the annual session to serve until the close of the next annual session, namely, program committee, nominating committee, credentials committee, budget committee, and such additional standing committees as seen needed. All organizations of the association shall name their own committees.

11. AMENDMENTS

This constitution may be amended at any regular annual session of the association by a two-thirds majority of the messengers present, provided notice of such change has been given at the previous annual meeting and provided it is read in the first session of the annual meeting and voted on before the last session.

At each meeting he shall be prepared to read all minutes of the previous meeting. All records for at least one year shall be on hand at each meeting. They shall be kept in a fireproof safe between meetings.

He shall keep accurate records of all monies received, with sources and designations of same. He shall make reports to the regular meetings of the executive committee and annual meeting of the association and have the same approved. The executive committee shall have the treasurer's reports audited at the close of the fiscal year, and reports the same to the annual association, for approval.

The HISTORIAN shall write in orderly form the events of the association, beginning with its organization. The association should request the churches and individuals who may possess historical information about the association to make it accessible to the historian. He shall make record of current events of each fiscal year and read his annual chapter to the annual meeting of the association for adoption. These records shall be kept in a fireproof safe or vault.

6. The following associational organizations shall be maintained and promoted by the association for the benefit of the work in the churches; associational Sunday School organization, associational Training Union, associational Woman's Missionary

Union, associational Brotherhood, associational music organization, associational Church Library Council, and such other as may be deemed wise for the attainment of the objectives of the association. All officers of these organizations shall be members of churches affiliated with the association and in good standing.

Unless the association shall direct otherwise, the chief officers of the organizations shall be chosen by their respective organizations; submitted to the nominating committee of the association, and elected or approved by the association. Their duties shall be understood to be in line with the functions set forth in the promotional literature for their respective organizations, as produced or approved by the state or Convention-wide agencies functioning in a like area.

7. The following committees, other than the standing and special committees, shall be maintained by the association as needed for promotion of its work among the churches: committee on evangelism, missions committee, and such other committees as may be needed. The chairmen of these committees shall be elected or appointed by the association, and other committee members shall be chosen in number and manner designated by the association and in accord with the needs of the work. The qualifications required for members of such committees shall be the same as for all other officers, and their duties shall be as prescribed by the association.

8. All associational organizations and regular committees shall make reports to the regular meetings of the executive committee and/or to the association. The executive committee shall exercise authority over these organizations and committees only to the extent of determining whether they are working within the bounds of the organizational programs as approved by the association.

Messengers to the association shall be accorded equal rights and privileges of the floor, provided each messenger who desires to speak shall rise, address the moderator, and be recognized before he begins to speak. No messenger shall be entitled to speak on any one subject more than twice until other messengers desiring to speak have been heard. Upon request of a messenger, or by consent of the body, the moderator may invite a visitor to speak during a discussion.

12. The bylaws may be amended at any regular session of the association by a majority vote of messengers present, provided such amendment has been read to the body not later than the second session, and is voted on before the last session.

SUNDAY SCHOOL REPORT

Jerry Don Abernathy

The objectives of the Associational Sunday School programs are to help the churches:

1. Teach the Biblical revelation.
2. Reach all prospects for the church.
3. Lead all church members to witness daily.
4. Lead all church members to worship daily.
5. Provide opportunities for the personal ministries of the church.
6. Provide organization and leadership for special functions of the church.
7. Provide and interpret information regarding the work of the church and denomination.

The Associational Sunday School organization seeks to meet these objectives in two ways:

1. Field services in the form of assistance to local churches upon request.
2. Regular quarterly Sunday School rallies.

We had four rallies this year and the VBS Clinic. Our officers also participated in the State Leadership Training Meeting.

Enrolment for the year decreased from 12,366 to 12,330. We recommend that all churches of the association participate in the Adult Thrust in 1964-1965.

TRAINING UNION REPORT

C. E. Carroll

The North Pulaski Baptist Association, consisting of 32 churches and 3 missions all reported Training Union work, with a reported enrolment of 4,984, a decrease of 93 over last year's report. We had 12 new unions reported, 14 Churches increased their Training Union enrolment, while 14 decreased, and four remained constant.

"M" Night was observed December 2, 1963 at Park Hill Baptist Church, North Little Rock, with an attendance of 728. "M" Night this year will be held on December 7th, at Baring Cross Baptist Church, with an anticipated attendance of over 1,000.

In addition to our "M" Night Rally, we had three other Associational Training Union rallies with good attendance. This year our association had entrants in the state Junior Sword Drill.

New Associational Training Union Director will be Rev. Al Haney, pastor, Highway Baptist Church - a new comer to our Association.

W.M.U. REPORT

Mrs. George Polos

It is that special time of the year when we must look back with some regrets, and look forward with great expectations.

The year 1963-64 has been a good year for North Pulaski W.M.U. There has been an increase in our organizations. We still have some churches without a W.M.U. and as long as

this is true, we feel that we are failing to serve all that we should.

Quarterly rallies were held with conferences for all local officers. A leadership course for the Association was held by State workers, a Mission Institute was led by our State Mission Study Chairman, we were represented at both Glorieta and the Ouachita Leadership Course.

Our reports are not in from all the churches, so we have no definite report at this time.

LIBRARY REPORT

Mrs. Vernon Cruse

The Library Council of the North Pulaski Baptist Association has held quarterly meetings with an average attendance of ten. Eight churches were represented at these quarterly meetings. Two libraries have been organized, Standfield and Cedar Heights.

The Association has started a portable Library with 73 books to be placed in churches of our Association who do not have a Library.

Books were collected for Tomahawk Mission and carried to them by Mrs. Jones.

The following officers were elected for 1964-65.

President	Mrs. J. S. Lloyd
Vice President	Mrs. Harvey Lamb
Program Chairman	Mrs. Elwood Allen

NORTH PULASKI BAPTIST ASSOCIATION

SEPTEMBER 30, 1964

PREPARED BY JOSEPH VAN DUYSE, JR.

Mrs. T. A. Spencer, Treasurer
North Pulaski Baptist Association
210 Belmont Street
North Little Rock, Arkansas

Dear Mrs. Spencer,

At your direction we have examined the books and records of North Pulaski Association, for the fiscal year ended September 30, 1964 and present herewith our report of the financial condition of the Association as at September 30, 1964, consisting of a Balance Sheet and a Statement Of Receipts And Disbursements, subject to the following comments.

Cash on deposit with the American National Bank is in agreement with the September 30, 1964 statement of the Bank as reconciled.

During the fiscal period under review, there has been no change in the Investments Land account and again this account is stated at cost of the property. The unpaid portion of the purchase price of these properties is reflected in the liabilities section of the Balance Sheet, said amounts having been verified by reference to the payment documents and direct communication with the creditors.

All receipts during the fiscal period ended September 30, 1964, were traced from the journal to the bank statements and all disbursements were made by properly executed check, except one item in the amount of \$9.15 which was paid by cash.

In our opinion, the accompanying Balance Sheet and Statement Of Receipts And Disbursements, present fairly the financial position of North Pulaski Baptist Association at September

30, 1964.

Respectfully Submitted,
Joseph Van Duyse, Jr.
