QUERY.

Zion church begs leave to submit the following query to the Friendship Association:

Is it Scriptural for a church to hold a member who is living in adultery?

J. H. OVERTON, Moderator.

W. P. MITCHEL, Church Clerk.

Answer—No! No!! No!!!

REPORT "A."

We, your Committee on Nominations, beg leave to report as follows: We have nominated as our Executive Board, W. K. Penrod, H. C. Fox, J. L. Hunter, D. W. Campbell and J. S. Fish. Secretary of Ministerial Education, O. M. Lucas. And that the next session of this body be held with Pleasant Ridge church, Cleveland county, Arkansas.

Respectfully submitted, J. R. SEARCY, Chairman.

REPORT "B."

We, your Committee on Publications, submit the following:

1st. We recommend the Bible to all men for their faith and practice, as it is from God and contains no errors.

2nd. The *Arkansas Baptist* as a religious newspaper, as it is published in our own State and is sound in doctrine.

3rd. We recommend that our Sunday schools use the Kind Words Series, as this is our own publication and is sound in doctrine and fails not to declare the whole truth.

Respectfully submitted, T. J. VARNELL, Chairman.

REPORT "C."

Your Committee on Home Missions finds from information it has at hand, that the work in Cuba is progressing some under the leadership of Bro. Diaz, though still persecuted by the Catholics. We also find there is much destitution in the country lately opened for settlement in Indian Territory. In many places a Baptist sermon never has been preached. Also, that attention has not been paid to the spread of the gospel among the Indians and Negroes that should. The harvest indeed is plentiful, but the laborers are few. Brethren, let us pray to the Lord of the harvest to send us more laborers. But let us remember that these laborers cannot live and do the Master's work without some means of support. Therefore it is our duty to give our money and use every effort in our power to spread the gospel. This department of denominational work is under the control of the Home Board of the Southern Baptist Convention. Its operations are in the Southern States, Territories and in Cuba. Our State has been a Home Mission ground for the last twenty years, and this year they are paying about \$1,200 in Arkansas, its work being done through the State Board. In view of this fact, it is the opinion of this committee, that its work and contributions for it should be through our State Convention.

Respectfully submitted, J. W. FISH, Chairman.
A. M. GRESHAM.

REPORT "D."

Your Committee, to whom was referred the subject of Foreign Missions, would respectfully report that God in his wise providence has opened a wide door for the preaching of the gospel to the nations far beyond the mighty waters. God has said, "Go and preach the gospel to every creature." Paul says that whosoever shall call on the name of the Lord shall be saved. But how shall they call on him in whom they have not believed; and how shall they believe in him of whom they have not heard; and how shall they hear without a preacher; and how shall one preach except he be sent. The work of Foreign Missions seems to be widening and deepening, and reaching farther and farther. The fields are white and ready for the harvest. The laborers are being sent into the fields, and it is necessary for us to increase our contributions in order to support the same. In order to do this, we recommend to the churches that they adopt a systematic plan of giving. Let us lay by on

the first day of the week as the Lord prospers us. We learn from Bro. Tupper's report that the Board is behind now thirty-nine thousand dollars, borrowed money. And we further recommend to the Foreign Board of Missions, that they work within the bounds of income. Owe no man anything, but to love him.

Respectfully submitted, W. M. HOPSON, Chairman.

REPORT "E."

Charity	191 40
Other purposes.....	244 15
Printing minutes.....	37 40
Grand total	\$3643 60

Respectfully submitted, A. O. EDWARDS, Chairman.

REPORT "F."

We, your Committee on Sunday Schools, would report as follows: We find that out of 25 churches represented in this Association only 17 schools are reported. We have 729 scholars and 94 officers and teachers reported. The number of schools and contributions for this year falls far below last year. Sunday expenses, \$236. We have a Sunday school convention within the bounds of our Association worthy of our support. Will we make it a success or not? Let each of us strive to do more in this line of our Master's work in the future and make it a grand success.

Respectfully submitted, W. H. CASH, Chairman.

REPORT "G."

STATE MISSIONS.

The evangelization of our State is largely dependent on the work of our State Convention, and should have our hearty support. At present the State Board has 20 missionaries under appointment, at an expense of about \$2700 a year. They are pledged for \$900 by November, and do not know where it is to come from. We recommend that with the adoption of this report a collection be taken for State Missions, and that our pastors present the claims of the State Convention at each church before the 1st of November.

Respectfully submitted, I. R. VICK, Chairman.

REPORT "H."

Your Secretary of Ministerial Education would make the following report: We find that there has been but little done in that direction

this year. I have made some effort to raise funds for this cause. I have done but little. I find reported from all the churches \$57.25.

Respectfully submitted, T. J. VARNELL, Secretary.

REPORT "I."

We, your Committee on Education, would report that the cause of education is one of absorbing interest to all liberty-loving people, and is peculiarly interesting to the Baptists of Arkansas. Baptists as a denomination stand in the forefront today in the cause of education. Ouachita College, which every true Baptist in the State feels proud of, and which every Baptist in the State should support, is second to none, but superior to many institutions of learning in the south and west. With pride do we point to it. Every one who is desirous of an education of the highest order, there is no longer any excuse for sending our boys and girls out of the State for an education. One has but to see Ouachita College and know Prof. J. W. Conger and his very efficient helpers to be convinced of this fact. Besides Ouachita we have the Baptist Central College, located at Conway, Ark., for the express purpose of educating our girls. While it is yet in its infancy, to know that Prof. C. M. Williams is at the helm with a faculty inferior to none, guarantees success. We most heartily recommend it to all who are desirous of educating their daughters apart from their sons. We would earnestly recommend that each church in this Association would heartily support each of these colleges by withholding their sons and daughters from the colleges of other states and give them with their money to our own colleges in our own State.

Respectfully submitted, A. C. MILLER, Chairman.

REPORT "J."

We, your Committee on Associational Missions, beg leave to report as follows: The destitution is so great that it is alarming, and while there is so much destitution we are doing nothing in the way of carrying the Gospel to the destitute. In days gone by we had our missionary, whose business it was to preach the Gospel to the destitute in the bounds of our Association, but we find that our forces are withdrawn, leaving the destitute without the Gospel of Jesus Christ. We earnestly beg that this Association employ a missionary to devote his whole time in preaching to the destitute of our Association, and that the Association pay him for his time; for if we do not occupy the field with the truth others will with error, and men will be led from the simple truth to embrace error. So may God help us to go back to the old paths and occupy the whole field with the truths of the Gospel of the Son of God.

Respectfully submitted, J. H. W. OVERTON, Chairman.

Report discussed and amended as follows:

A collection was taken in pledges for Associational Missions, amounting to \$302.50, and the Executive Board to employ an efficient missionary to devote his entire time in preaching to the destitute of our Association.

Your Committee on Obituaries would report, viz: We do thank God for his protecting care over us during the past year in sparing the lives of his children. Yet he has seen fit in his wonderful providence to call from the walks of men $1\frac{1}{2}$ per cent. of our membership to try the realities of eternity. While we regret our loss, we hope it is their eternal gain. God has blessed us in sparing the lives of all his ministering servants, of which we are truly grateful. Brethren, praise him for his goodness to us and go forward.

We, your Committee on Temperance, beg leave to submit the following report: We believe that intoxicating liquor (as a beverage) is detrimental to humanity, and one of the greatest evils in the world. Many useful men's influence has been destroyed by the use of the same. Intemperance being contrary to Scriptures and detrimental to humanity, therefore we recommend that the messengers and members of the Church of Christ work and pray that our churches and country may be freed from the presence of this great curse.

Respectfully submitted, H. B. TAYLOR, Chairman.
