### REPORT ON TEMPERANCE.

To the Moderator and Messengers of Grand Prairie Association:

Your Committee to whom was referred the question of Temperance beg leave to submit their report; In discussing this subject, your Committee beg leave to say, that they have considered and so report, the subject in its common acceptance as referring to the use of the intoxicants as a beverage. They believe and so report that the use of all intoxicants in whatsoever form or name it may be disguised, is injurious to the health, morals and religious development when indulged by individuals, communities or states. They therefore earnestly and prayerfully recommend to this Association in its representative capacity and through it to the individual constituents the same, the use of all means in their power (and especially the power of example) to drive from our homes, our community, our state and nation all intoxicants of whatever name or nature. Praying God's blessings in the riches of His love on this our humble effort to suppress the use and the abandonment of all intoxicants as a beverage, by all His intelligences, we respectfully submit this report for your prayerful consideration.

W. H. HALLIBURTON, Cha'n.  
W. L. COLE,  
O. P. WEATHERS.

WHEREAS, It has pleased our Heavenly Father in the dispensation of his all wise providence, to permit us, as Baptist, to meet in our Annual Association here in DeWitt once more; and

WHEREAS, By our being here, we have been Helped, Blessed and Inspired by the presence of our Honored and aged Brother William H. HalliBurton in this the 90th year of his life, the greater part of which has been consecrated to the service of God: therefore, be it

Resolved, That this Association show our Heartfelt thanks to Almighty God, by rising to our feet in prayer by Bro. Webb in humble acknowledgment for His many Blessings and Mercies to us, and that as the days come and go, we ask our Dear Father in Heaven to make the remaining part of our Dear Brother's life as happy and as free from care, sorrow and pain as is consistent for him to do.

After a very fervent prayer by Bro. Webb the whole congregation came forward and extended their hand to Bro. HalliBurton and praying God's richest Blessings on him.

#### SUNDAY—7 P. M.

Opened by singing, "Am I a Soldier of the Cross?" Prayer by Bro. W. M. Webb.

#### REPORT ON SUNDAY SCHOOL.

We, your Committee on Sunday School, offer the following report for your earnest consideration :

We are glad to note from the reports sent in by the Churches of Grand Prairie Baptist Association, that our Sunday School work is in a healthy condition, we mean by that, that the interest by our people in the work is growing, and that there are more Sunday Schools in existence among us and atteded by our people than ever before in the history of this Association. This being true, does it not behoove us to see that only wholesome truths be taught by those in charge of our children; then what better is there for us to do than to teach our Blessed Master's words, asspoken by Him while He was here among men, and give them to the children, explain them and then lead them into the light of Immortal day. Let us teach them that unless we and they heed the Master's words all our life will be in vain. In John 3: III, dealing with those that were in need of Him. In their way to God, Christ himself used these words, Verily, Verily, I say unto you except a man be born again he cannot see the kingdom of God." In Luke 8: III: Except Ye Repent Ye shall all likewise perish. In Matthew 5: 20: Except your Righteousness shall exeed the Righteousness of the Scribes and Pharisees ye shall in no case enter the kingdom of Heaven. Then comes the most impressive one of all: Matt. 18: 1-3: when the disciples came to Jesus to know who was to be the greatest in the Kingdom of Heaven, we are told that He took a little child and set him in the midst of them and said, "Verily, I say unto you Except ye be converted and become as little children ye shall not enter the Kingdom of Heaven." Therefore, believing that every Father and Mother desire that their children be saved, in God's name let us teach them the way to God at home, bring them to our Sunday Schools where all will be benefitted by their presence, and then we can train up a child in the way he should go, and when he is old he will not depart from it. Finally, we pray God that every true Baptist may be led by the Holy Spirit to a renewed effort in Sunday School work.

A. H. SOEKLAND,  
R. A. HENDERSON,  
OSCAR WEATHERS.

After short discussion, the report was adopted.

#### TIME AND PLACE FOR HOLDING NEXT MEETING.

Rising Sun Church being the only Church asking in their letter for the Association next year, it was selected as the place for hold-

ing next Association. And the time set Friday night before the 4th Sunday in October, 1907.

#### RESOLUTION OF THANKS.

Resolved, That we, the messengers, members and visitors, desire to express our thanks to the Church and citizens of DeWitt for the unbounded Hospitality shown to us while in session here, and pray God that many years may be spared to them.

Adopted.

#### RESOLUTION OF SYMPATHY.

WHEREAS, Our beloved Brother Jas. A. Gibson has for many years been a faithful member of DeWitt Church and through the influence of his personal powers, this church and the entire Association has been greatly helped, and

WHEREAS, For the last few months he has been so afflicted that he has been confined to his home; be it therefore,

Resolved, That this body now assembled vote to him and his devoted family its high appreciation for his service and its sincere sympathy for him in this sad hour of affliction.

Adopted.

#### SUNDAY NIGHT—8 O'CLOCK.

After singing, Rev. B. E. Allen preached a strong sermon to the young men and young women, boys and girls from the Text, "Remember thy Creator in the days of thy Youth." At close of sermon the male Quartet sang, "Which way shall I take." An invitation was extended to any young man or woman who could truthfully say I will remember my Creator in the days of my Youth, to come and give Bro. Allen their hand, and 12 young people came forward; song by choir; "It is well with my Soul."

#### REPORT ON PUBLICATION.

Your Committee on Publication Respectfully report as follows:

First of all we recommend to all the reading and studying of the word of God. To our Baptist Host, we would recommend all sound Baptist Literature, such as the Baptist Flag, The Advance, The Arkansas Baptist, papers published in our own state and we think should be read by all our people as there are none better.

Respectfully,

R. H. PARKER  
A. WOODS  
D. S. BASS.

Received and Adopted.

#### REPORT ON ORPHANS HOME.

The condition and needs of the Orphans and Homeless Children of our state appeal loudly to the Christian Heart. We believe in organized effort as the most efficient way to give them aid, we therefore, recommend that we as Baptist give liberal support to the Baptist Orphans Home at Monticello, Ark.

H. J. KELLEY,  
E. H. CHILDERS,  
S. COFFEY.

## REPORT ON FOREIGN MISSION.

We, your Committee beg leave to report as follows:

The first thing we would recommend to this Association is that a glory-cloud of genuine heart praise ascend to God for the 2300 baptism on the Foreign field last year. The great commission which is really the Great permission, is being carried by man and blessed of God as never before since our Lord ascended to glory. The Lord has done and is doing great things both in papal and pagan fields, whereof we ought to be exceedingly glad. We are not altogether heedless to God's call and command along this line; some of our churches, are reaching out across the mighty waters to help carry the Gospel to those who are in darkness and night. Brethren, we are on no fool's errand; we are engaged in no faltering enterprise. We are working for no failing sovereign. We are laboring together with God. The world is opening its doors to us now, and the fields are indeed ripe unto harvest. As our liberality swells and multiplies, men and women of God all along the line cry "Here am I; send me." "The morning light is breaking." The shafts of holy light are smiting the darkness of sin that shrouds this dying world. Our King expects every man of us to do his duty this day in this regard. Will we meet the great issue of this age? God help us in the Grand Prairie Association to carry out the great commission as found in the 28th chapter of Matthew. Let every Baptist in this Association rise up in their christian might and take their rightful place in the redemption of the groping millions.

Respectfully submitted,

B. E. ALLEN,  
J. B. ROUTH,  
J. M. FULLER.

Received and adopted.
