REPORTS OF COMMITTEES.

REPORT "A"—ON EDUCATION

Education teaches men to think, and thought demands freedom. So when Providence had prepared the way, no wonder it was from the University of Wittenburg that Luther exerted his greatest power for reform; and that it was from the Academy of Geneva that Beza and Calvin sent out their works and lifted up their voices. Hence the progress in religious reform, and the development of Christian thought that stirred the nations and made its impress upon the world. So, as Baptists, if we would reach the masses and diffuse the knowledge of God more effectually throughout the world, we must EDUCATE.

In the early aspirations and efforts of our brethren, we find two aims always prominent: 1. The education of the rising ministry, and: 2. The education of our sons and daughters under Christian influences. Intellectual superiority gives leadership. If the Baptists of Arkansas would LEAD, they must educate their sons and daughters into intellectual and moral supremacy.

We believe that Baptists, as a denomination, are under special obligations, even above others, to undertake the work of the higher Christian education of the youth of our land to the fullest extent possible. And to this end we heartily recommend our OUACHITA BAPTIST COLLEGE, Arkadelphia, Ark., or, to those who prefer separate schools for ladies, we would recommend CENTRAL FEMALE COLLEGE, Conway, Ark. We would also recommend MOUNTAIN HOME COLLEGE as worthy of your patronage. *Don't send them out of the State!*

Then let us emphasize not only an educated ministry, but an ed-

uated membership as well. Let it cost treasure and time, it will yield a rich harvest. If the carnal man is better by it, much more the Christian.

A. H. AUTRY,	} Committee.

G. W. WOODSON,	

REPORT "B."—DECEASED MINISTERS.

We, your Committee on Deceased Ministers, beg leave to report that, through the mercies of an All-wise Providence our ministering brethren have all been spared; for which we should feel profoundly grateful. Earnestly soliciting a continuance of His goodness, we hope that much good may yet be accomplished through the servants of the most high God.

E. H. GRAY, Chm'n.

REPORT "C."—FOREIGN MISSIONS.

Whereas we find that missions is the work of the Churches, and the prime factor through which the Lord intends the Gospel to be preached, therefore we recommend that we should begin at home and push forward the work, until every nook and corner of the world is filled with the glad news of the Gospel.

Respectfully submitted.

J. S. GRAY, Chm'n.

REPORT "D."—SUNDAY SCHOOLS.

We, your Committee on Sunday Schools, find from hearing the letters read from our Churches that there is a great want of interest in this vital and important work. We therefore request and beg our pastors to take this matter in hand without delay, and through earnest prayer to God, make an effort to have a Sunday school organized and properly officered in each Church within the bounds of our Association. We have the true principles of the Bible for our foundation, and they should be taught to our children.

Being the peculiar people of God, and anxious to perpetuate Bible

It is absolutely essential that our children be correctly taught. We gladly call the attention of our Churches to the fact that we now have a State Sunday School and Bible work in our State. The State Convention, at its last session, appointed a State Sunday School and Bible Board, locating the same at Jonesboro, Ark. This Board has secured the services of Eld. R. C. Medaris as State Corresponding Secretary and Evangelist, and he is now in the field endeavoring to organize the State Sunday school work. This Board desires to co operate with all our Associations in their district Associational work. Your committee therefore submit the following recommendations:

1. That our Executive Board seek the aid of the State Evangelists in holding their Missionary and Sunday School Convention.
2. That they ask the State Sunday School and Bible Board to co-operate with them in supporting an Associational Missionary.
3. That our Churches contribute liberally to the Sunday school work during the present year.

Respectfully submitted.

W. E. LOGAN, Chm'n.

REPORT "E."—MISSION BOARD.

The Mission Board of the Association respectfully submit the following report:

A meeting of the Board was held on October 15, 1892, at Belleville, at which Bros. Young, Blair and Evans were present; also the Moderator and Clerk as *ex officio* members. An organization was effected by electing Eld. John Young President of the Board, and Ira A. Huckaby Secretary. Bro. E. H. Gray was employed as Missionary for a period of three months, with the option on the part of the Board of continuing the work for a longer period. He was instructed to hold regular monthly services at Delaware, Bluffton, Sugar Grove and McLean's Bottom, and to put in the remainder of his time at his discretion. He was also instructed to take collections for Associational mission work, to report monthly to the President the amount collected and the amount of work done, when the President would draw on the Treasurer of the Association for his month's pay, which was fixed at \$33 33.

At subsequent meetings the Board decided to continue the work until the present time. In addition to the \$96.73 in the hands of the Treasurer, the Board has received on pledges made last year, \$155.32. Collected by Bro. Gray on the field, \$35.95; and has paid him for his services, \$288 32 in full. The following is Bro. Gray's report.

All of which is respectfully submitted.

JOHN YOUNG, President.

Ira A. Huckaby, Secretary

REPORT "F."—TEMPERANCE.

We, your Committee on Temperance, report as follows: It is with regret we report liquor as a beverage one of the greatest curses our nation has, especially to the Christian world; and that any Christian man, but more especially a Baptist, should at any time thin! of engagug in the degrading habit of dram-drinking. Let us condemn the tendency to such habits among our people, and let each Baptist voter exercise every energy in assisting to stamp from our country the whisky curse. We recommend that temperance be taught more at home, around the fireside and family altars; and ask God to bless your efforts in trying to set a proper example before every one.

E. R. SIBERT, Chm'n

REPORT "G."—DOMESTIC MISSIONS.

We, your Committee on Domestic Missions, find that there is a destitution in the bounds of our Association, which we attribute largely to the lack of early training, sound preaching and good literature. And while we have had a Missionary in the field during the last year, who has rendered much good and efficient service, we

therefore recommend a continuation of the good work by employing a good, faithful man, sound in doctrine, as a Missionary for the coming year.

Respectfully submitted.

JOHN YOUNG,
M. P. BLAIR,
J. W. SKINNER, } Committee.

REP RT "H"—FINANCE.

We, your Committee on Finance, beg leave to report the following:

REPORT "I."—DOCUMENTS

We, your Committee on Documents, report that the Church at New Bethel asks for the Association.

W. L. PUCKETT,
J. P. VALENTINE,
J. A. HATCH, } Committee.

REPORT "J."—PUBLICATIONS.

We, your Committee on Publications, would make the following report: Recognizing that "knowledge is power," and that knowledge about the particular thing sought to be propogated is indispensable, every human interest has its own periodical literature. The lovers of our Lord have organized their forces into divisions to work along the different lines by which the world is to be evangelized, and have promoted their interest by the use of the press. Just in proportion as literature reaches the people, do our causes succeed. We would therefore recommend:

1. The reading of the Word of God.
2. That our people take, pay for and read the *Arkansas Baptist*. No Baptist family can afford to do without our State paper. The success of all our enterprises is closely linked with the success of

our State paper. Let us rally to its support and make it a power in our State. Take the *Arkansas Baptist* first, and any other Baptist paper you like afterward.

3. We also recommend the literature of the Southern Baptist Convention for our Sunday schools.

4. That our people take and read the *Foreign Mission Journal*, published at Richmond, Va., and the *Home Field*, published by the Home Mission Board, at Atlanta, Ga.

J. G. JACKSON, Chm'n.

REPORT "K."—NOMINATIONS.

Your Committee on Nominations have named W. N. Dodd for the introductory sermon, and W. E. Logan alternate; A. H. Autry, missionary sermon; T. P. Manning, alternate.

Respectfully submitted.
