ARTICLE VII—STANDING COMMITTEES

1. Missions Committee

Section 1. The Association in Annual meeting, through the Nominating Committee, shall elect a standing committee known as the Missions Committee. This committee shall be composed of twelve members. Members of the Missions Committee shall serve for a term of three years. Each year four members shall complete their terms and shall not be eligible for re-election for a period of at least one year.

Section 2. The Officers of the Association and the elected Associational Organization leaders, shall be ex-officio members of the Committee with all rights of discussion and voting.

Section 3. The Missions Committee shall have the responsibility of selecting and nominating the Associational Missionary or any other paid agents of the Association, and to recommend their employment to the Executive Board in regular meetings, or properly called special meetings.

Section 4. The duties of the Missions Committee shall be as follows:

1. To serve as a nominating committee for any paid officer or worker of the Association. These nominations are to be brought to the Executive Board.
2. To plan a program of mission work for the Association. This is to be an active and aggressive program of planning. This committee should present a challenging and progressive program of work.

3. To see that the plans for Associational work are promoted effectively.
4. To plan a program of benevolences. This should be a well thought out program including all such needs. Plans for promoting the activities should be initiated by this committee.
5. To plan a comprehensive program with regard to Christian Education. This committee should ascertain the needed projects, set the emphases, and actively promote the work.
6. To correlate the activities and projects of the Association with the adopted cooperative program. This committee should actively work toward the end of keeping all of our Baptist program under direct supervision in co-operation with the cooperative program plan. These projects should be clearly thought through and planned in connection with the budget committee each year.
7. To work toward the establishment of new units of mission work when such are Associational projects. If this committee has aggressively planned the program of mission work it will have seen the need of new units of work and thus will plan to sponsor these new places as an Association. If the Associational Missionary discovers the need for a new work he will report such to the Missions Committee. The Missions Committee will then survey the needs, counsel with the nearest churches, and recommend a course of action. This Missions Committee is not to tell a local church whether it can open new work or not. The local churches will follow what they believe is the Lord's leadership in this matter.
8. To ascertain the location of new churches when such are Associational projects. If a church forms spontaneously or a local church establishes a new church the Missions Committee has no right to tell them they can or cannot do so. The Association must decide whether to welcome them into fellowship.
9. The Missions Committee should correlate the activity of the Associational organizations. Plans should be made together so as to avoid conflicts.

TEMPERANCE AND SOCIAL SERVICE

The ethyl alcohol in beer, wine, whiskey, gin and rum, is a narcotic, poisonous, habit-forming drug, which beclouds the mind, depresses the nerves, distorts the vision, retards reaction and releases the inhibitions. Its use is the cause of many of the ills and tragedies of our present day civilization. * * * *

The human cost of liquor, we are told there are 4,000,000 persons who have lost control of how much they drink and when they drink. Of this number, 3,000,000 are addictive drinkers and 1,000,000 chronic alcoholics. In the United States in 1953 there were 2,159,000 major crimes. Of the FBI finger-printed arrests on file in Washington, 49.6 per cent were caused solely by liquor. There were 800,000 traffic deaths and injuries due to liquor in the United States in the same year. In 1953 there were 2,985,681,333 gallons of alcoholic beverages consumed in the United

States. The same year \$260,000,000 was spent by distillers and brewers in glamorous and seductive advertising to increase sales. \$9,885,000,000 was spent for intoxicating liquors by the American people in 1953, or an average of \$61.92 for every man, woman and child in the United States. The people of America are spending \$1.30 for liquor for every \$1.00 for Public Schools.

The liquor traffic cost the people of Arkansas, in 1954, \$74,000,000. Each \$1.00 of liquor revenue cost the people of Arkansas \$11.00. To argue for liquor revenue is an insult to intelligence.

What must we do? We must call the people back to God.

We recommend that the Committee on Resolutions prepare a resolution expressing our opposition to the race track evil in Arkansas, and that copies be sent to the Governor and Racing Commission Chairman.

ASSOCIATIONAL SUNDAY SCHOOL ANNUAL REPORT

J. W. Cady, Asso. Sunday School Superintendent

The program of Associational Sunday school work has been intensified during the past Associational year. Increased activity has taken place in all phases of the Sunday school work. Attendance has increased, and interest is higher now than it has been for some time.

Associational Rallies Well Attended

The quarterly Associational Sunday school rallies have been well attended during the year. The three rallies averaged 400 in attendance, with an average of about 25 churches represented in each rally.

We have had three quarterly group rallies of the five groups in our association. These meetings have averaged between 200 and 250 in attendance for the five groups. This is a new program in our Associational work which allows us to take the Associational program to the smaller churches of the Association which are not large enough to accommodate an entire Associational rally.

Gains Have Been Made in Teacher Training

Five Associational Group Schools were held October 1954, and approximately 500 awards were requested from the schools. These Group Training Schools take the place of one of the Quarterly Rallies.

Pulaski County Association moved up in rank among the Associations of the Southern Baptist Convention. For the year 1954-55, Pulaski County ranked 28th among the Associations of our Convention. For the year 1954-55, Pulaski County has moved up to the rank of 18th among the Associations of our Convention in total number of awards. The churches of Pulaski County earned 5,288 awards during last year. This has been a significant gain over the total number of awards of 2,556 for Pulaski

County for the year 1953-54. This is a step forward and should be continued, in order that our people may be better trained to do their work for the Lord.

Standard Sunday School Work to Be Emphasized

The Association Sunday School Rally meeting January, 1954, voted to adopt the Association Standard of Excellence as a program of work for the Association. The Association officers proceeded to attempt to lead the Association to Standard recognition. Every qualification of the Standard of Excellence was attained with the exception of the required number of Standard Sunday Schools in the Association. The Standard requires that one-fourth of the Sunday Schools of the Association be standard. This means that 20 of the 80 Sunday Schools of the Association must be standard. Last year we had only four (4) Standard schools. These were: Pulaski Heights, Immanuel, Pine Grove, First Church, Little Rock.

A new instrument, the GOOTRIB CHART, has been devised to aid in promotion of the Standard of Excellence in the various churches. Each and every church in the Association should use these charts to lead the people to attain a Standard Sunday School.

During 1955-56 we must have at least twenty Standard Sunday Schools in Pulaski County.

39. Joe Huggins, the new Training Union Director was presented and he made a brief talk on doing better training work in our churches.

40. The Report on W. M. U. work was presented by Mrs. Jack Hogue and was approved.

WOMAN'S MISSIONARY UNION REPORT

1954-1955

Mrs. Jack Hogue, Superintendent

Acts 1:8b Ye shall be witnesses unto me both in Jerusalem, and in Judea and in Samaria, and unto the uttermost parts of the earth.

This is just what the women of Pulaski County Woman's Missionary Union have done this past year. It has been a most wonderful year working in the vineyard of our Lord.

Here are some of the ways our women have been witnessing in our Jerusalem, yes—our Judea, and to the uttermost parts of the earth.

We have held services in the different Institutions, such as devotionals, singing, refreshments, giving toilet articles, clothing, canned food, etc., to the Orphanage and to the Twin City Mission. The women of Pulaski County WMU also engaged a lady and paid her salary to help at the Twin City Mission during the services on Mondays and Saturdays. Mother's Day offerings were taken for our Arkansas Baptist Hospital. Also clothing for the Children's Ward and canned fruit and juices.

This is witnessing in our Jerusalem.

The Girl's Auxiliary coronation was a wonderful service and a beautiful one with 162 girls participating.

Sixty Royal Ambassadors participated in the State Recognition Service.

There were two Sunbeam rallies, 6 GA rallies; 6 RA conclaves; 3 YWA counsels; 4 WMU rallies with attendance of 2,717.

This is witnessing in our Jerusalem.

Total enrolled in Young People—2,061.

Total enrolled in WMU—2,450.

Three seasons of Prayer were observed—State, Home, and Foreign Missions with offerings totalling \$39,775.54.

Number of new organizations this year totaled 71 which includes WMS, YWA, GA, RA, Sunbeams. Total enrollment 4,511.

Total amount of offerings given by all of these organizations to all causes—\$43,309.94.

Two Mission Institutes with 290 attending from 35 churches were held.

We are happy to report an increase of Standard WMS's in our Association.

John 14:27b "Let not your heart be troubled, neither let it be afraid."

41. The Brotherhood President was not present but his report was approved for printing, as follows:

BROTHERHOOD REPORT FOR PULASKI COUNTY

The Pulaski County Associational Brotherhood has been functioning at a high level during the past year. The four quarterly meetings have been excellent; attendance has been good; and interest has been high. About twenty to twenty-five churches have been represented at every meeting.

The general program of an associational Brotherhood is to call together the Baptist men of the association, four times each year, in rallies dedicated to the high purposes of bringing the men closer together in Christian fellowship, of informing them about affairs of the Kingdom, of pointing them to their privileges and responsibilities as Christians, and of challenging them to a higher level of service to their Lord through their church and denomination.

Our associational Brotherhood is serving to stimulate church Brotherhood organization and maintenance throughout the association, and to lift the level of Brotherhood work in all churches which have Brotherhoods.

"Every church needs a Brotherhood!" Every church needs to organize its men to undergird everything the church is endeavoring to do, and to set the church forward in every phase of its life and work. These are the ultimate objectives of the associational Brotherhood.

42. Baptist Student Work was represented by Tom Logue. He told of the needs in our Association for a stronger program of work with students.
