## REPORTS

---

We, your Committee on Temperance, submit the following report:

We rejoice in the victory we have gained in stopping the sale of liquor, but deplore the illicit making and handling of strong drinks which is sweeping our communities, and hindering the progress of our churches. God's Book teaches us in Prov. 20:1, "Wine is mocker, strong drink is raging; and whosoever is deceived thereby is not wise."

The Book also says: "No drunkard shall inherit the kingdom of God."

We, therefore, recommend that each church take a definite and uncompromising stand against this evil and make a public declaration of their attitude and intention of ridding their communities of this evil.

E. R. CHITWOOD,  
DR. J. A. PHILLIPS,  
MRS. J. A. PHILLIPS,  
Committee.

We, your Committee on Nominations, have selected Bro. J. P. Emery to preach the introductory sermon at the next session of the Association with W. A. Neighbors, alternate.

SISTER ELLEN NEWKIRK,

### Report of Committee on Christian Education:

Every good Baptist in Arkansas rejoices over the prosperity of our educational institutions.

Ouachita College, at Arkadelphia, has property values in buildings, grounds, and equipment worth about \$250,000.00. The endowment is about \$112,000.00. New buildings to cost about \$250,000.00 are now in course of construction.

In Central College, at Conway, we have property worth about \$125,000.00 and new buildings to cost about \$100,000.00 are to be constructed right away.

In Mountain Home College, at Mountain Home, our junior college, we have property valued at \$60,000.00 or more.

The property values of our academies at Maynard, Blue Eye and Hagarville average about \$12,000.00 for each school.

A Baptist college is to be built at Jonesboro soon and Baptist academies will hold their first sessions this fall in Montgomery and Union counties.

Let us pray for our schools and support them.

W. J. HUDDLESTON,  
FRANK MERIDETH,  
Committee.

Your Committee on State Missions submits the following report:

There is much destitution in the State, and in very many places the churches seem to not be meeting the urgent need.

The State Board has been doing its utmost to help every struggling church in Arkansas and in order to do this they have helped our Association during the last two years by keeping a missionary on the field. We believe that the best way for a church to be vigorous and healthy is for it to have such a zeal for God's glory and the salvation of the lost that they will exercise much in praying for our State missionaries and in giving of their means for their support.

J. P. EMERY,  
MRS. ATTIE EMERY,  
W. L. CAMPBELL,  
Committee.

We, your Committee on Foreign Missions, urge and recommend our brethren to liberally support our Foreign missionaries.

J. M. CURL,  
J. M. REED,  
H. W. METCALF,  
Committee.

Your Committee on Home Missions submits the following report:

While the churches of Christ in the South are sending the light of the Gospel to foreign lands it is exceedingly needful that we keep the home fires burning brightly, and one of the greatest agencies we have for this is the evangelizing of our homeland.

The work of our home missionaries has been very fruitful.

The missionaries of the Home Board for the last fifteen years have averaged baptizing 450 persons each.

Undoubtedly every loyal Baptist in the land will rejoice in the rich blessings which God is pouring out on our home missionaries, and we believe that every one of us should show a due appreciation of His blessings by enlarging our offerings to Home Missions.

We earnestly urge that every church make regular offerings to Home Missions.

We further recommend that, where possible, the churches take up the study of Home Missions.

M. C. MELTON,  
W. H. BROWN,  
R. J. POOL,  
Committee.

Your Committee on Associational Missions submits the following report:

We find that there is great need for the Gospel to be preached in the bounds of the Association, and we believe that we ought to use every means possible to meet this urgent need.

Therefore, we recommend that every church be urged to make regular and worthy offerings to Associational Missions.

We furthermore recommend that our Board use such means under God as they think best for the furtherance of the cause of Christ in our Association.

W. L. COCKRELL,  
W. S. NOLES,  
W. A. NEIGHBORS,  
Committee.

Resolved, That we, the messengers and all others who have attended the Nineteen hundred twenty session of the Buckville Association wish to express our heartfelt appreciation of the kindness of the people of Mt. Tabor community in entertaining us.

That the wholesome hospitality shown us during our stay in your midst has been more than could be expected of any community.

That we appreciate especially the sweet spirit of brotherhood that has prevailed.

That the time spent with you will long be remembered as most enjoyable.

That we pray God's blessings on you as you labor in His service. (Offered by Mrs. J. A. Phillips.—Clerk.)

Resolved, That we, the messengers of the Missionary Baptist Church of Cedar Glades, wish to express our sincere appreciation of the services of Rev. and Sister J. P. Emery in our community and in Buckville Association.

That the work done by these good people is unestimable in furthering the Kingdom interests.

That deepest regret is felt upon Bro. Emery giving up the work of missionary in our Association.

That it is the desire and prayers of our people that Bro. Emery be speedily restored to health, and that he may soon return to his active life in the ministry, that our prayers and good wishes go with them.

That this resolution be accepted by Buckville Baptist Association.

(Signed):

MRS. J. A. PHILLIPS,  
MRS. DORA KIDD,  
V. C. NICHOLS,  
DR. J. A. PHILLIPS,  
S. O. RATLIFF,  
Messengers.  
J. C. RATLIFF, Pastor.

Your missionary submits the following report:

Labored 7½ months; sermons preached, 138; religious visits, 139; prayer services conducted in homes, 37; prayer services conducted in churches, 21; miles traveled, 1807; Sunday Schools organized, 5; addresses made, 9; teacher training classes conducted, 3; professions of faith in Christ witnessed in meetings

held by me, 36; meetings arranged for other preachers, 5; baptized, 2; baptisms from meetings held by me, 19; additions by letter, 9; collected for Associational Missions, \$35.40.

Respectfully submitted,

J. P. EMERY.

We, your Committee on Stewardship, submit the following report:

Every human being is a steward. The things we possess are not our own. They belong to God. They are to be used according to His will, and for His glory.

To God each one of us must give an account of our stewardship. Whether the accounting shall be filled with joy or sorrow depends on whether or not we have been faithful stewards.

The doctrine is as old as the Bible; it applies to everything we possess, and everything we do. Reference I Cor. 4:7; John 3:27; I Peter 4:10. Therefore we recommend (1) that our pastors preach often on Stewardship; (2) that every member of each church of this Association strive to be a good steward of the manifold grace of God.

J. C. RATLIFF,  
E. R. CHITWOOD,  
J. D. CUNNINGHAM,  
Committee.

We, your Committee on Obituaries and Condolence, find that death has invaded our ranks and taken from us the following members of the Buckville Baptist Association, to-wit:

Sister Lena Ratliff	Sister Ida Guerin
Sister Pearl Pool	Sister Rebecca Neighbors
Sister J. W. McLane	Sister Rodia Neel
Bro. G. W. Qualls	Bro. Geo. Snodgrass
Bro. W. B. Barton	Bro. W. J. Ross

Bro. Aaron Graves	Sister Emily Qualls
Bro. J. A. Ritter	Sister Delia Bonner
Sister Mary Fisher	Sister Mallissie Lee
Sister Lillie Bowling	Sister W. D. Tedder
Bro. S. H. Jennings	

Brethren, in their deaths we feel that we have sustained a great loss, but our loss is their gain. We extend our heartfelt sympathies to the bereaved families and pray God's blessings upon them.

G. W. GAMBLE,  
W. J. ANDERSON,  
Committee.

Your Committee on Sunday Schools, submits the following report:

The problems of our country churches (and they are such) are many. We fear that we have not yet fully realized the indispensable place of the Sunday School in the progress of our Kingdom work. There are several of our churches which are not keeping an evergreen Sunday School.

We recommend that every means possible be used to maintain a Sunday School in every church the year round.

We urge that every church put on a Sunday School teachers' training class during the fall and winter months when at all possible.

J. G. FERGUSON,

Committee.

## CONSTITUTION.

Article I. This union of churches of God shall be known as the Buckville Missionary Baptist Association.

Art. II. The Association shall be composed of messengers from the churches in this union. Each church with less than 50 members be entitled to three messengers, and each church with over 50 members be allowed one additional messenger for each 50 members of fraction thereof. When any church has not its quota of messengers any member in good standing may be seated as a messenger.

Art. III. Messengers, when convened, may organize themselves into a deliberative body, by the appointment of Moderator and Clerk, who shall be chosen by ballot at each annual session, and shall continue in office until their successors are elected.

Art. IV. The Association shall not interfere with the rights of the churches of which it is composed.

It shall regard them as independent bodies in all matters of internal government, and shall act only as an advisory council, assuming no authority except what is implied by the very nature of the compact.

It nevertheless claims authority over its own members, the messengers from the churches, and in justice and propriety must retain the right to withdraw from all churches which may depart from the faith of this compact by becoming heterodox in faith or disorderly in practice.

It should, therefore, regard all churches united under this Constitution with vigilant eye, as its principal object shall be to promote the truth of the Gospel and advance the kingdom of God in our bounds and to all the ends of the earth.

Art. V. Newly constituted churches, or churches having letters of dismission from other Associations of like faith and order may be admitted to membership in this Association at any reg-

ular annual session of the body, provided they send messengers with a petitionary letter.

Art. VI. The churches of this Association shall transmit to each annual session a written or printed communication, signed by the Moderator and Clerk of the church, specifying the names of their messengers and the statistics of the church, showing the progress of the church since the last session of this body, which shall be read and filed with the Clerk of this body accordingly.

Art. VII. This Association may have a fund supplied by the voluntary contribution of the churches, which shall be paid over through a finance committee to the Treasurer, who shall be elected by ballot and hold office during the pleasure of the Association. He shall present annually to the Association for insertion in the minutes, a clear statement of all receipts.

Art. VIII. This Association shall furnish the churches with printed copies of the minutes of each session.

Art. IX. This Association shall take cognizance of no query sent up from the churches, unless it appears that the churches sending them have used due diligence to solve them first; and shall not undertake to settle individual differences between the members of the churches, unless it appears that the individuals or the churches to which they belong, have taken, or caused to have taken, Gospel steps for the adjustment of the trouble.

Art. X. This Constitution may be altered or amended at any regular meeting of this Association, by a vote of two-thirds of the members present, provided, further, that Article IV of this Constitution shall not be altered or amended.

## ARTICLES OF FAITH.

Article I. We believe in one only true and living God, the Father, Son, and Holy Spirit.

Art. II. We believe the Scriptures of the Old and New Testament is our only rule of faith and practice.

Art. III. We believe in the doctrine of election as founded in the foreknowledge of God, through the sanctification of the soul unto obedience and sprinkling of the blood of Jesus Christ.

Art. IV. We believe in original sin by the fall of Adam.

Art. V. We believe in man's incapacity, by his own free will and ability, to rescue himself from the fallen state in which he is by nature.

Art. VI. We believe the saints are justified in the sight of God by the imputed righteousness of Christ only.

Art. VII. We believe the saints will be preserved in grace and never fall finally away.

Art. VIII. We believe that baptism and the Lord's Supper are ordinances of Jesus Christ; that believers are the only proper subjects of baptism, and that immersion is the apostolic mode.

Art. IX. We believe in the resurrection of the dead, and general judgment, and that the reward of the righteous and punishment of the wicked will be eternal.

Art. X. We believe that no minister has a right to administer the ordinances of the Gospel but one who has been regularly immersed, and that is called and comes under the hands of a scriptural presbytery.
