The Committee on Orphans' Home made the following report.

**Committee on Orphans' Home.**

We, your Committee on Orphans' Home, beg leave to submit the following report:

Believing as we do, that the "all things" to be taught in the Great Commission included the care of the orphan children, and since our dear Master said, "Inasmuch as ye did it unto one of these little ones ye did it unto me," and the Apostle James tells us that "Pure and undefiled religion before God and the Father is this: to visit the widow and the fatherless in their affliction." We are further enjoined to remember them that are bound, as being bound with them. Feeling that these, with a number of other Scripture, are sufficient reasons for supporting the Orphans' Home; therefore, we recommend that the churches of the Howard County Association contribute liberally and systematically of their means to the support of the Texarkana Baptist Orphans' Home.

We further recommend that each pastor keep in touch with the Home, so as to keep their churches informed as to the needs of the Home.

T. L. EPTON,  
E. HODGE,  
J. W. BRADFORD,  
Committee.

Motion to adopt. Discussed by A. J. Cabaniss; carried.

The Committee on Destitution made the following report:

**Committee on Destitution**

We find a great field of destitution on the west and northeast boundary of this Association. We recommend a missionary for as much time as possible for the ensuing year.

OTIS CANADY,  
C. A. RAVAN

Motion to adopt. Discussed by Brothers A. J. Cabaniss, S. T. Burgess, C. A. Ravan, C. H. Tipett, T. F. Westbrook, Harve Hooker, L. M. Byers and W. S. Leslie; carried.

The Committee on Sunday Schools made the following report:

**Committee on Sunday Schools.**

As the Scriptures teach that our Master, Christ Jesus, gave to the churches this great commission to go teaching all nations, we recommend that each church maintain a live Sunday School in order to teach the Scriptures to our people. We would urge that the officers and teachers be members of the church, and that they bear evidence of vital Christian living.

We recommend Landmark Literature as a great help in the study of the Bible.

E. HODGE,  
PERCY HOLT,  
Committee.

Motion to adopt. Discussed by E. Hodge and A. J. Cabaniss; carried.

The Committee on Nominations made the following report:

J. F. BOX,  
W. G. HAYNES,  
Committee.

Motion to adopt. Carried.

The Committee on Education made the following report:

**Committee on Education.**

We, your Committee on Ministerial Education, beg leave to make the following report:

1. "Study to show thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth," is the exhortation we find given in II Tim. 2:15 by Paul to Timothy. Therefore since we believe this exhortation applicable to all young ministers, and since we must all acquire enough education to read and understand such literature as is published in the language which we speak before we are really able to study as Paul exhorted Timothy, we recommend that our ministers secure the very best education they can.

2. Since in our State, we, the Landmark Baptists, have no school or college especially equipped to teach the doctrines and principles for which we stand, we therefore recommend that our young preachers attend Jacksonville College.

## 10 Minutes of Howard County Baptist Association

We would further recommend that the churches of this Association encourage and aid a move for the establishment of such an institution in this State should such an effort be made by the Baptists of our State.

3. We also recommend that the churches aid any worthy young minister who needs aid in securing such an education as we have recommended above.

P. C. HOLT,  
J. W. BRADFORD,  
Committee.

Motion to adopt. Discussed by P. C. Holt, A. J. Cabaniss, J. A. Smith. Carried

#### Committee on Ministerial Support.

We your Committee on Ministerial Support, beg leave to make the following report:

Whereas, God's Word teaches that those who preach the Gospel should live of the Gospel, we urge our churches to make a greater effort than heretofore to support our ministers. We further urge that the churches pay their ministers monthly when possible so that they will not have to entangle themselves with the affairs of this life.

The Committee on General Missions made the following report:

#### Committee on General Missions.

Your Committee on General Missions report as follows:  
Owing to the fact that we have seven missionaries on the field

covering a territory from Texas to Georgia on the Southern States, a vast field, hence the necessity of our supporting well those on the field and placing others, as the fields are indeed white unto harvest. We suggest that the churches take stated collections for the same and send it to Eld. C. C. Winters, McNell, Ark., who is the Treasurer of the General Association of Baptist Churches of the United States. Christ said, "Ye shall be witnesses unto me in Jerusalem, Judea, Samaria, and unto the uttermost parts of the earth.

L. M. BYERS,  
JOHN SANDERS,  
J. M. HUMPHRIES,  
Committee.

Motion to adopt. Discussed by L. M. Byers. Carried.

The Committee on Literature made the following report:

#### Committee on Literature.

Your Committee on Literature submits the following report:

As reading is very essential to a proper understanding of things, and without good literature to counteract the influences set in motion by false teachers and bad books and papers, it is very necessary to look well to this matter. We would therefore recommend the Bible, The Baptist and Commoner, the Landmark Sunday School Literature, and other books and publications published and sold by the Sunday School Publishing Company at Texarkana, Ark.-Texas.

We would also warn the churches against the catechisms and other tracts and papers sent amongst the churches to mislead and disrupt the churches and brethren. The State Board and Secretaries are sending out all kinds of tracts and papers for this very purpose. Therefore we should instruct the brethren and churches against their inroads.

L. M. BYERS,  
W. S. LESLIE,  
JOHN SANDERS,

Motion to adopt. Discussed by L. M. Byers, J. A. Smith.

Motion to adopt. Discussed by A. J. Cabaniss, J. M. Parrish, Percy Holt. Carried.

The Committee on State Missions made the following report:

### Committee on State Missions.

We, your Committee on State Missions, submit the following report:

By State Missions is meant the preaching of the Gospel in the destitute portions of the State. We further find that large portions of our great State are wholly destitute of Gospel preaching. Believing that Baptists have a whole Gospel, a divine commission, a sacred responsibility and solemn duty resting on us as the body of Christ: therefore, be it

Resolved, That we urge the brethren and churches to contribute regularly and systematically to State Missions. We further recommend that the churches and pastors aid our missionaries in reaching the most needy fields of our great State. Furthermore, that the churches look more closely as to the selection of State Missionaries.

T. L. EPTON,

Motion to adopt. Carried.

The Committee on Roman Aggression made the following report:

### Committee on Roman Aggression.

Your Committee on Roman Aggression submits the following report:

Having studied this important question from various angles, we find that in spite of our best efforts to hinder its progress, Romanism is still rampant and ever on the alert to further its own pernicious interests.

1. We therefore recommend that our people adhere to the right of liberty of conscience in religious and political affairs.

2. That we earnestly support every anti-Catholic movement in harmony with our principles.

3. That we use our influence against public office-seekers and school teachers tainted with Romanism.

A. M. FARNO,  
E. HODGE,  
C. H. TIPPET,  
Committee.

Motion to adopt. Discussed by Brother J. T. M. Holt. Carried.

The Committee on Prayer Meeting made the following report:

### Committee on Prayer Meeting.

We, your committee, beg leave to make the following report:

From the letters of the different churches we find there was very little said about prayer meeting. We know prayer is the key that unlocks mercy's door, and we also recommend that every pastor and messenger of this body go home and start a prayer meeting in your church if you have none.

J. R. HAGLER,
