Report of the Committee on Orphans' Home.

Your Committee beg leave to make the following report:

Our God is a "Father to the fatherless," and has given us specific command to care for the Orphan whose helplessness appeals to us for the protection of a home. The God who changes not, required the Jews to "tithe all their increase and give it to the Levite, the Stranger, the fatherless, and the widow," and they were required to say when they came before God: "I have not transgressed thy commandments, neither have I forgotten them." So long as the Jews obeyed these Commands they were prosperous. but when they neglected the Levite, and the fatherless, God's curse of "drouth, the Canker worm and the destroyer" come upon them and reduced them to poverty.

We have two Orphans' Home—one at Monticello, the other at Texarkana. Monticello Home has 152 children, 1 Brick building and Wooden Annex and 320 acres of land, well stocked with 100 head of poland China hogs, 4 teams, 3 colts, 75 head of cattle and is valued at \$43,000.00.

GRAND PRAIRIE BAPTIST ASSOCIATION

The Texarkana Home has one brick building and 10 acres of land, and is caring for 36 homeless children. This property is valued at \$10,000.

Both of these homes are in sore need of money to meet past-due debts and pay current expenses. James tells us: "Pure religion and undefiled before God and the Father is this,—to visit the fatherless and widows in their affliction, and to keep himself unspotted from the world."

We recommend:

1. That our Ladies' Aids continue to provide these children with comfortable clothing.
2. That every Sunday school in our bounds give one Sunday collection each month to this work.
3. And that our church as such make liberal offerings to this work which lies close to the heart of all.

We also recommend that a free-will offering be now made by this Association to help in this work, each donor to designate the Home to which he makes his gift. Respectfully submitted,

MRS. B. C. NICHOLSON,
GEO. WESTROPE.

Report on Orphans' Home discussed by W. F. Dorris, Financial Secretary for Monticello Home. Adopted.

Motion carried that a collection be taken for Monticello and Texarkana Orphans' Home and the amount pro rated between said homes according to the number of children. Amount collected, \$8.86.

W. F. Dorris read a selection of Scripture and preached an inspiring sermon. Text: 1st Cor 6:20.

On motion Rev. H. M. Long, Pastor of DeWitt Baptist Church, will preach the introductory sermon at the next Association and W. J. Johnson was selected as his alternate.

Motion carried that Rev. L. H. Dodson preach the Missionary sermon at the next Association and Rev. M. Culp was selected as his alternate.

Report on Education.

CHRISTIAN EDUCATION.

Without Christian Education all of our Baptist work would come to a stand still and soon die. We look to our Baptist schools for trained workers in pulpit and pew as well as on mission fields. He complains that His people are destroyed for lack of knowledge (Hosea 4:6) and declares that ignorance alienates from God (Eph. 4:18).

GRAND PRAIRIE BAPTIST ASSOCIATION

Arkansas Baptists have two great Christian colleges—Ouachita, for boys and girls, at Arkadelphia, R. G. Bowers, D.D., President; Central, for girls, at Conway, J. W. Conger, L.L.D., President. Last year Ouachita had 362 students and Central had 193. These schools have rendered a service to the Baptist cause in Arkansas the value of which can never be estimated. The atmosphere of the schools is religious and reverent, and many students who have gone to them strangers to God have gone forth from them consecrated to God.

The property of these schools is valued at \$300,000. During the past four years debts amounting to about \$125,000 have been paid. Ouachita has \$20,000 of interest bearing endowment and a campaign is now on to increase this to \$250,000. An effort is also being made to raise \$12,000 to pay deficit from last year for running expenses and necessary improvements, and it is hoped that every church that has not already done so will take collection at once for this and send to Rev. J. S. Rogers, Endowment Secretary, Arkadelphia. These schools give much more than tuition fees will pay for. Last year they gave something like \$6,000 to the Baptists of the State in free tuition to the children of preachers and to preacher students and their wives.

The education of preachers is one great object in Christian education. The denomination that fails to provide for the education of its preachers will suffer as a denomination. Last year there were 51 young preachers in Ouchita College. The Baptists of the State gave something over \$4,800 for their support. They receive free tuition and some help on other expenses when it is necessary; \$75 will keep a preacher in Ouachita a year. The Bible Department is arranged with special reference to the preachers, but the classes are open to all, and Old Testament is required of all who graduate. The New Testament class numbered 72 last year.

1. That each pastor in the Association preach at least once a year on Christian Education and our duty to support Baptist schools.

2. That regular collections be taken in every church every year for Christian Education and for Ministerial Education.

3. That we patronize these schools for the education of our young people.

4. That earnest, unceasing prayer be made for this work.

All money for Christian Education, enquiries about the work, or requests for literature should be sent to J. S. Rogers, Arkadelphia. Money for Ministerial Education and information about young preachers who ought to go to college should be sent to J. S. Compere, Arkadelphia. Information about the colleges can be had by addressing either President.

M. CULP,
B. F. HOUSE.

Discussed by J. S. Rogers.

Adopted.

GRAND PRAIRIE BAPTIST ASSOCIATION

Report of Foreign Mission.

The Foreign Mission question is one that will not down, instead it is growing more and more in magnitude and power as the years come and go. At home more of our people are becoming interested in the salvation of the heathen hence the contributions of money are constantly increasing to the end of sending more missionaries to the foreign fields and sustaining them in their self-sacrificing work for our Lord, in winning a lost world for His kingdom. This state of things is due measurably to the fact that pastors are emphasizing the importance of foreign missions more and more and pressing the work upon the hearts of their people.

Such is surely gratifying of every devout, loyal servant of our God. Success is crowning the labors of our missionaries, in the foreign field beyond our most sanguine expectations, so it would seem that God is rapidly hastening that glorious epoch of prophecy when the kingdom of this world shall become the kingdom of our Lord and His Christ.

Multiplied thousands of the heathen are, however, yet in darkness, having no knowledge of Christ, and, having no hope and without God in the world, hence much yet remains to be done before the fulfillment of God's promise to His Son: "Ask for me and I will give the heathen for their inheritance and the uttermost parts of the earth for their possession."

Your committee would earnestly recommend that the pastors of the churches within this body lay the matter of foreign mission upon the hearts of their people, again and again, and seek to supply them with foreign mission tracts and persuade them to take and read our Foreign Mission Journal, published at Richmond, Va. Respectfully submitted,

H. M. LONG,
H. G. MILLER,
Committee.

Adopted as read.

On motion carried it is ordered that the Association stand adjourned until Sunday morning at 9 o'clock.

Song: "Praise God." Dismissed by Rev. B. F. House.

Sunday, 9:00 A. M.

Song: "Come Thou Fount."

Harmony letter was called for and the following messengers were present: R. L. Buffalow, Miss Kate Buffalow and J. H. Cochran.

GRAND PRAIRIE BAPTIST ASSOCIATION

Report of Committee on Temperance.

We, your Committee on Temperance, beg leave to report as follows:

We believe the Temperance question should be one of the greatest questions of the day for we are told in the Holy Writ that wine is a mocker—strong drink is raging and whosoever is deceived thereby is not wise; and God hath said, woe unto them that rise up early in the morning that they may follow strong drink that continue until night till wine enflame them.

Respectfully submitted,

L. H. DODSON,

C. C. KERR, Committee.

Discussed by H. M. Long, B. F. House, and J. S. Rogers.
Adopted.

Report on Sunday Schools.

We, your Committee, would report as follows :

A knowledge of the Holy Scriptures is essential to good Christian living.

It then becomes a necessity as well as a duty that we study the Bible in order to obtain such knowledge.

It also becomes our duty as Christians to impart such knowledge to others as much as in us lies.

We believe that every church should maintain a systematic method of studying and teaching God's Holy Word.

Therefore we believe that every church should maintain and sustain a regular, organized Bible school or Sunday school, if you choose to call it that, in order that we may the better inform ourselves, and teach our children the way of eternal life, and also to all others who we may be able to bring under our influence. Respectfully submitted,

H. J. KELLY,

MRS. H. B. DUDLEY,

Committee.

Discussed by J. S. Rogers and H. M. Long, and adopted.

Amended and adopted.

Report on State Missions.

We are pleased to be able to report that our people are gradually waking up to the great importance of supplying the destitute sections of our State with Gospel preaching. That the need of State Missions in Arkansas is great, goes without saying, and the possibilities before our people in this direction are such as to arouse and quicken the energies and activities of our Christians throughout the State

The great need is money to support the missionaries' needs to open up and cultivate the destitute fields. It behooves our pastors to be in earnest in enlisting the churches more and more in the work of taking Arkansas for Christ. Hence we would urge them to keep the matter before their people and take collections once a year at least to aid in prosecuting the work. Moreover our committee would kindly but earnestly insist that the pastors encourage their people to take and read their denominational State papers; that they may become better informed touching the needs of State Missions, and other subjects likewise about which they ought to be posted. Respectfully submitted,

H. M. LONG,
C. W. Fox, Committee.
