MINUTES

OF THE 73RD ANNUAL SESSION OF THE

Liberty Baptist Association

HELD WITH

FIRST BAPTIST CHURCH AT CAMDEN

SEPTEMBER 19, 20 and 21, 1918

Next session will be held with the Baptist Church at Strong, Ark., convening on Thursday evening before the fourth Sunday in September, 1919.

The Association was called to order by the moderator, M. P. Muse, at 8:30 p. m., and opened with prayer by Rev. E. Cole, followed by song service, after which Dr. J. L. Cannon of the Methodist church of Camden, read in an impressive manner scriptures appropriate to the occasion and offered a fervent prayer for the blessing of Heaven upon the work of the Association.

The moderator announced that the first order of business was the election of officers; whereupon it was moved and carried that the present officers all be elected to succeed themselves, the result of which motion was the election of M. P. Muse as moderator, J. W. Warren as clerk and H. W. Goodwin as treasurer.

The Association being fully organized, Rev. W. M. Wright of the First Baptist church of Camden delivered an address of welcome to the delegates and visitors upon

the part of the Baptists and people of Camden in highly felicitous terms, to which Hon. G. W. Mason of El Dorado, responded on behalf of the delegates in a pleasing manner.

The annual sermon was then preached by Rev. Jno. T. Walters of Junction City, from the text, "It is Finished," in which he forcefully stressed the mighty work for which the Saviour came to earth and the fidelity with which he executed that mission to the end; so that he could say of his work, without reservation and in the language of sublime truth, "It Is Finished;" and having unfolded a vision of great work for Liberty Association, he commended to the delegates the example of the Master in diligence and faithfulness in devoting their lives and their means to that work, so that when they looked for the last time upon their life's work, they might in the triumphant language of the Saviour, say, "It Is Finished."

The moderator then announced the following committee in order of business: G. W. Mason, M. P. Watts and A. Worthington.

The Association adjourned to meet at 9:00 a. m. tomorrow morning.

SEPTEMBER 20th.

The Association convened at 9:30 a. m., opened with scriptural reading by W. T. King and prayer by Rev. Giles C. Taylor.

Johnson, addressed the Association upon the work done by him as Camp Pastor at Camp Pike, showing that 7,000 conversions had resulted from the work of Baptist pastors in the camps; the important service rendered by such pastors in the matter of locating missing soldiers for parents and relatives, the distribution of testaments among soldiers and supplying them with helmets, sweaters, etc., as a protection against the severity of cold weather. His vivid recital of pathetic scenes moved his audience to tears, and the already warm sympathy for the soldier boys was made stronger and tenderer by his address. The committee on Orphans' Home submitted their report, which was ably discussed by Rev. W. F. Dorris, and adopted, as follows:

ORPHAN'S HOME

The Orphans' Home at Monticello has been in operation 22 years, and has been a blessing to, perhaps, 1,000 orphans. This work of mercy has a large place in the hearts of our people. Its mission, based on God's word, is to relieve the distressed orphans, and save them to the State, and bring them into the Kingdom.

The policy of placing the children into good private homes, while it has its problems, nevertheless is proving a great blessing to the children, and at same time enabling the Home to care for a larger number of children.

The health of the children has been remarkably good during the year. There has not been a serious case of illness. All symptoms of pellagra have disappeared, and it is hoped that a permanent cure has been affected.

The serious drouth has blighted the crop prospect, but the Home Superintendent thinks there will be a sufficient amount of feedstuffs raised to care for the live stock until another crop is grown.

The Home will need \$7,500.00 to meet all obligations, and go to the Convention clear of debt.

We recommend:

1. That every church and Sunday school make regular monthly offerings to this work of mercy.
2. That a cash and pledge collection be now taken for the Home.

The committee on State Missions made the following report, which was ably discussed by Rev. J. S. Compere, and adopted:

STATE MISSIONS

With Arkansas Baptists the greatest expression of their missionary faith and zeal is found in State Missions. The object of State Missions is to bring all the affairs of all the people of the entire State under the control of Christ. If Arkansas is to give the best help of which she is capable in winning the war, her people must be brought to faith in Christ. To fail in our support of State Missions is to fail in our support of the boys who are offering their all at the battle front.

This work is carried on by the churches in the State through the Executive Board of the Baptist State Convention. The report of this Board to the Convention last year showed great results, thus: 91 workers, 4,384 conversions, 2,243 baptisms, 3,470 additions, 29 churches and 111 Sunday schools and B. Y. P. U.'s organized, and \$44,-

800 given for State Missions. It is the best day we have ever seen.

This year the work has been greatly enlarged, the number of workers being 189. We have four men working full time at Camp Pike besides some special workers. We are spending thousands of dollars to win our soldier boys to Christ. There have been more than 6,000 professions at Camp Pike. It will be necessary to raise in the State Mission Campaign not less than \$50,000 if we go to the Convention at Helena with all State Mission obligations paid. Arkansas Baptists are abundantly able to give all of this and more.

Your committee urges:

1. That a careful study of the Board's Catechism be made by all the pastors and churches.

2. That pastors and active laymen during the meeting of this Association get together and make plans to reach every church in the Association for a worthy offering to State Missions before December 1.

3. That every church in the Association do its very best to raise at least the amount asked of it by the Executive Board and that each church add special gifts for the work among the soldiers at Camp Pike. Send all such money to J. S. Rogers, Little Rock, not later than December 1.

Reassembled at 8:00 p. m.

The committee on Christian Education made their report, which was discussed in interesting and instructive addresses by Drs. J. P. Lile and J. W. Conger, as well as C. W. Mason, and adopted as follows:

CHRISTIAN EDUCATION

The Baptists of Arkansas have two well established colleges, Ouachita, at Arkadelphia, and Central, at Conway. Both these institutions have for many years been

contributing largely to our denominational growth and development. We also ave three mountain schools, Mountain Home College, at Mountain Home, Maynard Academy, at Maynard, and Montview Institute in Carroll county. Our total property in educational institutions is estimated to be worth about \$400,000. Our total education debt as reported at the last meeting of our Convention was about \$60,000. This debt is on our State Board, and consists of the debts of Central College assumed by the Convention, and of obligations made to secure money to pay annual deficits at Ouachita College. We now have above \$70,000 in the Endowment Fund for Ouachita, and it is hoped and believed that this fund can be made to grow fast enough to keep us from having any more deficits there.

The Baptists of Arkansas must pay our little education debt, endow Ouachita liberally, and provide new buildings and equipment for our colleges and our mountain schools. We heartily endorse the plan of a five-year campaign for Christian Education. We are glad that an education Secretary has been employed, whose whole time is given to raising funds for Christian Education, and to stimulate interest in education and to general enlistment work in this cause.

Ouachita College and our mountain schools are of very special importance in the matter of training men for the ministry. We are sadly in need of more preachers, and preachers need training in order to be prepared to do the best service. We ought to encourage and help our young preachers to attend our own Baptist institutions of learning. Let no church fail to make contribution every year to Ministerial and Christian Education.

Mrs. J. G. Jackson, in an inspiring manner, addressed the Association on the importance of a larger development of women's work. The Association adjourned to meet at 9:00 a. m. tomorrow.

Saturday, September 21st.

Association convened 9:20 a. m., opened with prayer by Rev. J. Green. Motion made and carried that speeches be limited to 10 minutes for authors of reports and resolutions and 5 minutes to others. By motion made and adopted, Associational Missions was made special order for 11:00 a. m.

The following reports were submitted and adopted after interesting discussions by the respective chairmen and others, as to-wit:

ASSOCIATIONAL MISSIONS

We, your committee on Associational Missions ask lieve to report as follows:

Believing in the commission of our Saviour "Go Ye Into All the World and Preach the Gospel to Every Creature."

"Ye shall be witnesses for me in Jerusalem, Judea, Samaria and to the uttermost parts of the earth. So surely Liberty Association is embraced in this commission—and there is destitution in our bounds. To take the world for Christ we must first lengthen our cords and strengthen our status at home. No army ever made an advance until it first strengthened its base of supply at home.

We recommend the work of our present missionary, Brother Cole, but he cannot cover the field.

1st. We recommend that our pastors preach as much as possible to the destitute points in our bounds.

2nd. That the Executive Board employ some qualified man in the field for all time.

3rd. That the churches be urged to make quarterly offerings for his support.

That the Associational Board be instructed to use this man in the destitute parts of the Association. That he should average fifth Sunday meetings and denominational rallies, by aving Sunday school and B. Y. P. U. institutes and arranging with every member to canvass for the support of the ministry when such is needed. Also enlist pastors and laymen to visit churches in the interest of money for associational missions. By organizing

pastors and laymen in the Association so as to reach every church in the Association for an offering in every state-wide campaign.

STEWARDSHIP

We, your committee on stewardship beg leave to submit the following report: Every sane person is a steward, and the things we possess belongs to God and ought to be used to the glory of God. A steward is a person entrusted with the management of estate or affairs not his own. A steward is trustee. Stewardship is trusteeship. A steward administers what belongs to another. Of Abraham's faithful steward it is said. "All the goods of his master were in his hands." And every one must give an account of his stewardship to God.

"Let a man so account of us, as of ministers of Christ, and stewards of the mysteries of God. Here, moreover, it is required in stewards that a man be found faithful." (1 Cor. 4:1,2.)

Christian stewardship is more than a question of giving. The full requirements of stewardship cannot be met by the most excellent methods of giving that may be devised.

"I beseech you therefore brethren by the mercies of God, to present your bodies a living sacrifice holy, acceptable to God which is your spiritual service" (Rom. 12:1.) Stewardship is a life of active service for God, and if we are faithful stewards of our Lord we will be found in His service.

We recommend:

1. That pastors preach often on stewardship, that the people be enlightened on this important question.
2. That classes be organized and taught the doctrine of stewardship where it is possible to have such classes.

3. That pastors see that their people are supplied with literature on stewardship and tithing.

HOME MISSIONS

The most urgent mission task that confronts us to-day is the spiritualization of the life of the New South. The astonishing increase of the South's wealth will crush the soul's of the people, if they are strong enough to master it for spiritual ends. And only a vital religious life and service can give the strength.

The following figures, taken from the Home Mission Board's report last year, give some idea of the work that is being done through this board: Number of workers, 1,498; churches and stations supplied, 5,106; mountain schools, 36; pupils in the these schools, 5,190, of whom 110 were preachers; built or improved 505 meeting houses; Sunday schools organized, 634; churches organized, 213; baptisms, 30,982; total number of additions, 51,949. For this work the Baptists of the South gave directly \$589,987.

The Southern Baptist Convention instructed the Home Board to outline its work for this year on the basis of a million-dollar apportionment. Especially did it declare for enlarged efforts for our soldier boys. This calls for greatly enlarged giving, but our people are well able to do this. For country and human liberty our boys are giving their all. Every loyal Baptist will do his best to care for the spiritual needs of these boys.

Your Committee recommends:

1. That this Association gladly accept its increased apportionment for Home Missions.

2. That classes be formed in all our churches to study Home Mission books that are issued by the Board, and that a large use be made of free tracts on Home Missions. Orders for tracts and books should be addressed

to Publicity Department, Baptist Home Mission Board,
Atlanta, Ga.

REPORT ON FOREIGN MISSIONS

The Southern Baptist Convention at Hot Springs in May decided that Southern Baptists should be requested to give one and one-half million dollars to Foreign Missions before the next meeting of the convention. Compared with Southern Baptist members and wealth, this amount is small.

God's blessings are upon Foreign Missions. Even the war is helping this great enterprise. There were 6,290 baptisms last year. We have now 464 churches on all the fields, of which 141 have assumed self support. We have a church membership above 53,000 with 715 Sunday Schools enrolling more than 34,000 scholars. In other schools we have enrolled nearly 9,00 scholars. We are conducting theological schools in Japan, China, Africa, Italy, South America. We have but few doctors under appointment, and yet these gave more than 100,000 treatments last year. Eighteen new missionaries were appointed in June and many others are greatly needed.

Every church in the Association is admonished to lay large plans, and press the greatest campaign next March and April that we have ever undertaken for Foreign Missions. This Association should undertake to raise a worthy part of the million and a half dollars. Arkansas should raise \$40,000 this year for this great cause.

The HOME AND FOREIGN FIELDS, price fifty cents, is recommended to all church members. The foreign Mission Board, Richmond, Va., furnishes FREE of charge tracts for distribution.

PUBLICATIONS

We, your committee on publications, beg leave to report as follows: Realizing the urgent need of an awakening of interest in religion and religious activities, we would urge a prayerful study of God's word.

We wish to commend our Home and Foreign Field and Baptist Advance, and to emphasize the great good that will come from putting these publications in the homes of our people.

The most effective agencies for the dissemination of information among the people are the denominational papers. By articles from missionaries on the fields; articles upon the tasks committed to our hands; by discussing the difficulties confronting us.

The denominational paper inditricates as well as informs and inspires. In a day when heresy abounds on all sides, when are promised the earth if we will abandon certain convictions, the denominational paper stands as a lighthouse warning the people of the treacherous waters on every side, and even calling upon us to contend earnestly for the faith once delivered to the saints.

SUNDAY SCHOOLS

The committee on Sunday schools makes the following report:

The world never needed to hear the voice of God so much as today. Before we can understand his message, we must learn to abide in His Word. There is a general and growing neglect in Bible study among professed Christians. The home is neglecting to lead the child in Bible study; the public school can't teach the Bible, hence, it is left for the church school to do this work. If our children ever know or appreciate the truths of God's Word, then how important that every church maintain a strong Bible school. How important that every pastor be faith-

fully engaged in training members of his congregation to do efficient Bible teaching.

Twenty-three churches of Liberty Association report as many schools, with two thousand Sunday school scholars enrolled. This shows less than half the churches in this Association engaged in this work and less than one-eighth of the Baptist population of the Association in Sunday school.

There is great need of more effort on the part of the leaders of church work to extend this important Kingdom work. Every church should have a Sunday school and every member of the churches should become members of some department of the church school. Let us all work and pray to this end.

WOMAN'S WORK

The Woman's Missionary Union, auxiliary to the Liberty Baptist Association, is glad to report a reasonably prosperous year.

Thru the efforts of our faithful Associational Superintendent, Mrs. W. T. Ballard, many churches have been visited in the interest of the work and seven new societies have been either organized or reorganized, at a total cost of \$12.28.

Of the thirteen societies on our rolls only seven sent in reports. These seven societies representing a membership of 200 women have given \$2162.23 for the various causes of our denomination.

The women in their annual meeting, have begun a movement to create a fund to employ a woman to work in the interest of Woman's Work and Children's Bands, at least thru the summer months.

In this much needed work, we urge the support of the brethren and churches.

LAYMEN'S MOVEMENT

We, your committee duly appointed, beg leave to report the following:

We have found manifested a growing interest by the laymen in the Association and in the bounds of the Southern Baptist Convention in this, one of the most important movements, fostered by the Baptists of the Southern Baptist Convention. It is a movement, through the instrumentalities of the zealous members of the church of the living Christ to arouse church members, far and near of the serious responsibilities, that rest on their shoulders in assisting the ministers of the gospel of carrying out the Great Commission of our Lord and Master. The laymen cannot preach, yet by his consistent living and systematic giving, his daily walk and spiritual consecration, he can let his light so shine, as to constrain others to do and say the things, that will be approved of both by God and man.

There should not be a shade difference in the life of a preacher and that of a layman, in their spiritual life, one is the shepherd, the other the sheep, one to point to Him, who is the Life, the Light, the Way, the other to bear the glad tidings, in song, in speech, and in Christ-like living. The crying need is that men may awake to the full consciousness to their obligations to the church, to their fellowman and to their God, and that each man is individually responsible for his influence over his fellowman and promulgating the gospel of our Lord and Master. Paul says we shall work, "Till we all come in the unity of the faith, and of the knowledge of the Son of God, unto a perfect man, unto the measure of the stature of the fullness of Christ." We want men trained for service, in all that the word service means, as we are admonished to give our bodies a living sacrifice unto God. The layman movement is seeking to have men consecrate their lives, their hearts, their souls and their bodies, and their means to the cause of Jesus Christ, that may not be self-possessed, but Christ possessed, that they may see, what Paul saw, what Steven saw and Willingham and thousands of others have seen, a crucified Christ and a benighted and lost world.

We recommend that the Association employ a layman and put him in the field in this Association, to enlist men

to a more active service, and that this Association co-operate with him in his labors, and by this means we reach most of the laymen in our Association. This consecrated layman will carry the gospel to every nook and corner, to the school houses, to the man who does not attend church, to the indifferent and to the home, and by doing this we will build up waste places, we will re-kindle fires, spiritual fires that are now smoldering, new covenants will be made with God, and the gospel will be read, which will be for the upbuilding of our Lord's Kingdom on earth, and we recommend that reports be sent by such laymen to this Association at its future sessions.

Respectfully submitted,

A. R. BRITT, Chairman.

COMMITTEE ON TEMPERANCE

We, your committee on temperance, beg leave to submit the following report:

There have already been many steps in progress in temperance in Arkansas. Our hearts were made to rejoice when we adopted statewide prohibition, and the legislature passed the "Bone Dry" law.

These steps caused our nation to see the great results of state-wide prohibition, and, thanks be to God and our Congress, we have passed nation-wide prohibition, which will come into effect on July 1st., 1919, for the period of the war. We heartily urge every Baptist to fight harder than ever before to help make our nation grow and shine out to the whole world, and help and pray that this bone-dry law may continue after the war.

B. Y. P. U. REPORT

The B. Y. P. U. is distinctively and primarily the TRAINING SERVICE of the church. Training is the one, dominant thing—the burden of our churches today is the large number of inefficient members. It is a glorious and grand thing—it is the main thing to win souls to Jesus, but after all isn't it just as important to save the

life as the soul. We report large numbers of conversions but, O, how many trained, equipped workers do we report? Your committee earnestly and pleadingly requests that the pastors in every church in the Association return home and organize a class in the B. Y. P. U. Manual and get their young people thoroughly conversant with the fundamentals of B. Y. P. U.

RECOMMENDATIONS

1. That a union be organized in every church in the Association.

2. That some sort of Association organization be effected at the earliest possible time, electing an Associational Superintendent with four district leaders to prosecute to work.

3. That we observe STUDY COURSE WEEK, announcement of which will be made through the Baptist Advance.

4. That B. Y. P. U. matters be taken up with our State Secretary, J. B. Moseley, 495 Donaghey Building, Little Rock, and that we give him hearty cooperation in every way.

Respectfully submitted,

COMMITTEE

MINISTERIAL RELIEF

We, your committee on Ministerial Relief beg leave to submit the following:

Looking upon the Baptist Denomination as the greatest Christian organization in the world, we sincerely believe that it should be behind in no phase of Christian work. The word emphatically declares that "He that fails to provide for his own household is worse than an infidel." There certainly is no one more worthy of a place in the household of faith than he who has served out his active life in rightly dividing the word of truth.

In this day of industrial competition there is no important corporation that has not provided some means of support for its retired veterans. Our sister denominations have been alert to their duty and opportunity in this respect, and have provided means of support for their old ministers, who would otherwise be thrust upon an unfriendly world for support.

Southern Baptists have been slow to take hold of this important work, but of recent, efforts have been launched both in the State Convention and the S. B. C. to provide for these old servants of the cross.

We recommend that the churches of this Association cooperate heartily with the organizations in this great work and that this body take a cash offering at once for the immediate relief of our beloved Brother B. C. Green, and that his application be recommended to the State Board for further help from the funds for old ministers.

The moderator requested that each of the foregoing chairmen bring or send his report to the next session of the Association.

The moderator announced the appointment of J. C. Neely as chairman on Reading Associational Letters.

Moved and carried that a committee be appointed to enroll messengers at next meeting of the Association. E. F. Cole was appointed chairman of said committee.

Association adjourned to meet at 8:00 p. m.

Assembled at 8:10 p. m. Prayer by Rev. George McPherson.

A free will offering was made for C. L. Stocks, a blind minister and delegate to the Association, resulting in cash donation of \$16.80.

J. W. Warren offered the following resolution on Camp Pastor's Work:

"We, the messengers to Liberty Association in its

73rd annual session, as Camden, Ark., pledge our unswerving loyalty to the government under whatever plan and regulations it may deem best for the prosecution of the war in which we are engaged for the overthrow of autocracy and the democratization of the world, and here tender our services for utilization within or without camp as the government may find them helpful.

We are most naturally solicitous for the spiritual welfare of those who have left our homes for service in their country's cause, and deeply sympathize with them in the privation they suffer in the loss of the religious association to which they were accustomed at home. .

And we respectfully petition the War Department to permit all religious activities by all separate denominations in camp consistent with proper military discipline, to the end that the consolations of religion may be administered to our boys sanctified by the associations and teachings from which arises the deep sense of patriotism which inspires in them a willingness to lay their lives on their country's altar."

On motion and second for the adoption of this resolution the moderator announced that the matter was open for discussion.

Dr. W. M. Wright said he endorsed the resolution as far as it went, but thought it should more strongly protest against the order of the War Department in removing camp pastors; W. T. King, C. H. Cobb, B. F. Rogers, G. W. Mason and others agreed with Dr. Wright. Mr. Warren thought the resolution embraced all that could reasonably be asked of the War Department, and that a protest would bring the War Department and the Baptist denomination into antagonism and accomplish no good either in promoting the prosecution of the war or the interests of the denomination. Upon a viva voce vote the resolution was lost.

It was moved and carried that the moderator appoint a committee to draft and present a resolution on the subject of Camp Pastors, and W. M. Wright, W. T. King and A. R. Britt were appointed such committee.

Said committee retired and shortly reported the following resolution, which was adopted without discussion.

BAPTIST PROTEST AGAINST ELIMINATING CAMP PASTORS

The Third Assistant Secretary of War,
Washington, D. C.

We, the Liberty Baptist Association, with a membership of more than a 5,000, in its seventy-third annual session, held with the First Baptist church at Camden, Ark., respectfully beg to set before you the following resolution, to-wit:

1. The members of this Association are intensely loyal to the government, and are lending themselves with full strength to the successful prosecution of the war. We have on all suitable occasions gone on record as favoring the prosecution of the war, to a legitimate conclusion, in order that the world may be made safe for democracy. The Baptists are and always have been an intensely Democratic people devoted to the highest ideals of political and religious liberty.

3. It is our deep conviction that the present war is a war of the highest religious ideas, and, therefore, we believe that the churches have rendered and can render a great support by keeping alive in the hearts of the people at home and the soldiers in the camps a proper sense of the righteousness of the cause for which America is sending her armies overseas. The churches have been freely called upon to render service to the Government, and they have never been found wanting.

4. We believe that the churches can render invaluable service to the army by cultivating in the hearts of the home people and the soldiers a proper sense of religious obligation. For the most vital element in patriotism is religion.

5. To do this the churches must have liberty to express themselves in terms which appeal to the hearts of their people who have gone to the war. We recognize fully the necessity of order and discipline in the camps, but we cannot admit that the Government can so function religion as to prescribe what soldiers should hear and what they should believe in matters of religion. We believe
