PSALMS, 22-24

Confidence in God

PSALM 22

THE LORD is my strength
2 He maketh my feet like hinds
and I shall climb upon the rock
PSALM 23
David's confidence in the Lord
A Psalm of David

PSALM 24

THE "earth is the LORD's, and the fulness thereof
of; the world, and they that dwell therein.
For he hath founded it upon the seas, and es-
tablished it upon the floods.
They shall ascend into the hill of the LORD, or
shall stand in his holy place?
Both bath clean hands, and a pure heart,
that be lifted up his soul unto thee, O Lord.
And he shall give the blessing from the Lord
our God.

Constitution

(Adopted October 17, 1961)

(Section 8 (a) Amended October 15, 1963)

(Section 5 Amended October 14, 1968)

1. NAME

The name of this association shall be the North Pulaski Baptist Association, co-operating with the Arkansas Baptist State Convention and the Southern Baptist Convention.

2. PURPOSE

The purpose of this association shall be to promote Christian fellowship and co-operation among the churches affiliated with the association to uphold the doctrines and principles of our Baptist faith and to encourage the churches to be loyal to and practice these doctrines and principles; to promote the preaching and teaching of God's Word, the enlisting and training of all Christians for service; to promote missions, benevolence, stewardship, Christian education, and the winning of all men to Christ to the ends of the earth. To co-operate with the Arkansas Baptist State Convention and the Southern Baptist Convention in a world mission program.

3. MEMBERSHIP

The body shall be composed of messengers elected from the churches and mis-

sions affiliated with the body. When such messengers are approved by the association they shall be seated and entitled to participate in the affairs of the body. Each church shall be entitled to three messengers for the first fifty members, and one additional messenger for each fifty members above the first fifty, provided that no church shall be entitled to more than ten messengers.

4. ARTICLES OF FAITH

The Articles of Faith set forth in New Hampshire Confession as the doctrinal beliefs of the churches shall be the doctrines adopted by this body.

5. OFFICERS

The officers of the Association shall be moderator, moderator-elect, clerk, treasurer and historian. These officers shall be nominated and elected by the association, preferably before the last session of the annual meeting. They shall serve until the close of the following annual session of the association or until their successors shall be elected and installed. Election shall be by secret ballot unless another plan is adopted by unanimous consent. The term of moderator shall be for one year. The moderator-elect shall serve as assistant to the moderator for one year and shall at the time of the annual association meeting assume the office of moderator. The association will at that time elect a new moderator-elect. The duties of these officers shall be those usually incumbent upon such officers.

If the association employs a superintendent of missions and/or an educational director, these workers shall be considered as officers of the association. Such additional officers shall be elected as the association shall deem necessary to its most effective work.

6. AUTHORITY

The association is an autonomous body and therefore reserves the right to determine its own policies and direct its own business; it may refuse to seat messengers who are not in fellowship or doctrinal agreement with the body, or whose churches are not. However, this body shall never exercise any authority over, or give direction to, any church or churches which are affiliated with it or which may have been affiliated with it; but the association will stand ready to lend any assistance or counsel to any church making request for such help.

7. ORGANIZATIONS

This body shall encourage and promote such associational organizations as Sunday School, Training Union, Woman's Missionary Union, Brotherhood, music, library, and other organizations which are in keeping with the purpose of the association, with their full staffs of officers and programs necessary for the promotion of the work. The chief officer of each organization shall be elected, or approved by the association and shall function as an officer of the association.

8. EXECUTIVE COMMITTEE

The Association shall have an executive committee consisting of the pastor of each church (where he is a member of the church) and one lay member from each church. Nominations for membership in the executive committee may be made by the church, but members must be elected by the association. The officers of the association, namely moderator, moderator-elect, clerk, treasurer, and historian, shall be ex officio members of the executive committee and should serve as respective officers of the committee, unless the association directs otherwise. All other officers and chairmen of standing committees are to become ex officio members of the executive committee. Ex officio members will not have the rights to vote unless they are also members of the executive committee elected as representatives of their respective churches.

The executive committee shall attend to all matters of the association between sessions; promote all progress authorized by the association; and carry out all directives given by the association. It shall make an annual report to the association

of all work carried on and all finances handled. The executive committee shall not have the power to create or initiate any new work or project not contained in the reports and recommendations of the previous meeting of the association.

The executive committee shall hold regular monthly or quarterly meetings.

The executive committee shall not have power to entitle a church to affiliation with the association or have representation on the executive committee, but may invite a church to sit with it in counsel without vote, pending the seating of the messengers of that church by the association.

8. (a.) The legal title to all property owned by this Association, both real and personal, shall be held in the name of the designated trustees, which shall be vested in them by virtue of their office and which shall be transmitted to their successors. The Trustees shall be three in number and shall be named by the Association to serve for a term of one year or until their successors shall have been named and qualified. In the event a vacancy should occur by reason of the failure of the Association to make such selection, by death, by disability, by removal from the community or otherwise, the Executive Committee may fill the vacancy. By direction of the Association, or of the Executive Committee, the trustees shall be clothed with authority to act on behalf of the Association in the acquisition and disposition of Associational property, and specifically shall have authority to execute notes, bonds, debentures, deeds of conveyance, mortgages, pledges and other security instruments and any and all related documents incidental thereto; and to represent the Association in all legal matters. All persons dealing with said trustees may rely upon any written resolution duly adopted by the Association or the Executive Committee, directing and authorizing the trustee to act in its behalf, and a certified copy of any such resolution duly executed by the Associational moderator and the clerk shall be conclusive evidence thereof.

9. MEETINGS

The association shall hold annual meetings of the body at such time and place as it may determine. The executive committee may have power to change the stated time and/or place of the annual meeting in case of emergency or necessity. The association may hold such quarterly meetings as are deemed wise for the promotion of its work. It shall promote such regular meetings of its worker's council, its promotional organizations, and its standing committees as shall prove most effective for carrying out the total purpose of the association.

10. COMMITTEES

The association shall have the following standing committees named by the moderator and his officers before the close of the annual session to serve until the close of the next annual session, namely, program committee, nominating committee, credentials committee, budget committee, and such additional standing committees as seen needed. All organizations of the association shall name their own committees.

11. AMENDMENTS

This constitution may be amended at any regular annual session of the association by a two-thirds majority of the messengers present, provided notice of such change has been given at the previous annual meeting and provided it is read in the first session of the annual meeting and voted on before the last session.

The executive committee shall have the treasurer's reports audited at the close of the fiscal year, and reports the same to the annual association, for approval.

The HISTORIAN shall write in orderly form the events of the association, beginning with its organization. The association should request the churches and individuals who may possess historical information about the association to make it accessible to the historian. All officers of these organizations shall be members of churches affiliated with the association and in good standing.

Unless the association shall direct otherwise, the chief officers of the organizations shall be chosen by their respective organizations, submitted to the nominating committee of the association, and elected or approved by the association. Their duties shall be understood to be in line with the functions set forth in the promotional literature for their respective organizations, as produced or approved by the state or Convention-wide agencies functioning in a like area.

7. The following committees, other than the standing and special committees, shall be maintained by the association as needed for promotion of its work among

the churches; committee on evangelism, missions committee, and such other committees as may be needed, The chairman of these committees shall be elected or appointed by the association, and other committee members shall be chosen in number and manner designated by the association and in accord with the needs of the work. The qualifications required for members of such committees shall be the same as for all other officers, and their duties shall be prescribed by the association.

8. All associational organizations and regular committees shall make reports to the regular meetings of the executive committee and/or to the association. The executive committee shall exercise authority over these organizations and committees only to the extent of determining whether they are working within the bounds of the organizational programs as approved by the association.

(a) To survey the entire Association to determine the areas where new churches or missions should be established, and to locate property in such areas suitable for building sites.

Any group desiring association assistance in securing property and for pastor's salary supplements would be expected to counsel with this committee in locating their work. If a church forms spontaneously or a local church establishes a new missions without counselling

with the Missions and Survey Committee, no attempt will be made to tell them they cannot do so. The Association must then decide whether or not to welcome the new church into the fellowship.

Mrs. Geneva Saults, Treasurer
North Pulaski Baptist Association
1612 Maple Street
North Little Rock, Arkansas

Dear Mrs. Saults,

At your direction we have examined the books and records of North Pulaski Baptist Association for the fiscal year ended September 30, 1969, and present herewith our report of the financial condition of the Association as at September 30, 1969, consisting of a Balance Sheet, a Statement of Receipts And Disbursements, an Analysis of Expense Control Accounts, Bank Reconciliation and an analysis of Membership Offerings.

Cash on deposit with the First American National Bank is in agreement with the September 30, 1969 statement of the bank as reconciled. The savings accounts with Arkansas Savings & Loan Association, First Federal Savings & Loan Association, and Pulaski Federal Savings & Loan Association were verified by direct communication and include interest earned thru September 30, 1969.

All receipts during the period under review were traced from the journal to the bank statements and all disbursements were made by properly executed checks which are supported by invoices and other documents furnished by the vendors.

In our opinion, the accompanying statements present fairly the financial position of North Pulaski Baptist Association at September 30, 1969 and the results of operations for the period October 1, 1968 to September 30, 1969.

Respectfully submitted
Joseph Van Duyse Jr.

BROTHERHOOD

The annual Brotherhood Rally for the association was held at Central Baptist Church on May 19. Bill Kreis, pastor of Calvary Baptist Church brought the message of the evening.

The outstanding work of the year was the formation of an associational R.A. Council. A real R.A. spirit was expressed from the beginning with twelve committee members being elected at the organizational meeting in March.

The first event was an R.A. Leadership Clinic with twenty men in attendance. Next came a big camp-out at Greer's Ferry Lake where 142 boys, leaders, counselors, pastors, and dads learned some basic R.A. camping.

Something new in Royal Ambassador events was begun in July when we sponsored a Soap Box Derby with 16 entries from North Pulaski Association. Highway Baptist Church won most of the awards with Park Hill Church winning the best looking car in two classes.

Finally, we had a fall Kick-Off Banquet with 247 in attendance. "A huge success", declared Mr. Larry Bryson, Association Consultant for the Brotherhood Department of the S.B.S., who was the featured speaker.

We plan a number of outstanding events for the coming year, so, those of you who do not have Royal Ambassador chapters are invited to call on us to help you begin to educate your men and boys in missions. "If you have an R.A. problem, we want it."

There are 15 "active" R.A. groups in the association. Let us hear from the rest of you.

Approximately 600 persons participated in the survey and in the processing of the results. We discovered more than 15,000 prospects and distributed books of prospects to each church.

THE EVANGELISM CONFERENCE was held at Levy Baptist Church on February 18. More than 900 attended the committee orientation conferences and heard messages by Gerald Martin, pastor of Poplar Avenue Baptist Church, Memphis, Tennessee, and Don Berry, pastor of Memorial Drive Baptist Church, Houston, Texas.

YOUTH RALLIES were held at Jacksonville, First Baptist Church, on March 7th, and at Central Baptist Church on March 8th. Chuck Beale was the featured speaker. The Calvary Crusaders provided the special music. An estimated 780 youth were in attendance at the two rallies.

A PERSONAL EVANGELISM INSTITUTE was held at Park Hill Baptist Church on March 10-12. Bailey Stone and Leroy Meyer, pastor of Park Memorial Baptist Church, Houston, Texas led the institute. More than 1200 persons attended each of the three nights where they were taught to give a simple but effective one-minute testimony and heard stressed the urgency of cultivating Mr. Outsider for Christ.

During LITERATURE DISTRIBUTION, March 17-31, 10,000 copies of the Gospel of John were distributed to homes in North Pulaski County. A one-minute testimony was given to all who received a copy of the gospel.

PRAYER LIFT, April 1-4. A 30-minute radio program with scripture, devotional thought, testimonies and music. This was followed by prayer for the rallies and the church revivals at prayer meetings in the homes.

ENCOUNTER RALLIES - In North Little Rock, April 10, at Wildcat Stadium and in Jacksonville, April 11, at the High School Stadium. Dr. David Ray, pastor of First Baptist Church, Lubbock, Texas brought the messages. Jim Raymick directed a 300-voice choir and special music was brought by Mr. and Mrs. Clint Nichols. The Rally at the North Little Rock stadium was televised by KARK-TV Channel 4. It was estimated by the station that up to a quarter of a million people viewed the telecast.

THE CHURCH REVIVALS. 179 professions of faith, 65 by letter and 611 rededications were reported by the churches who participated in the simultaneous revivals. There were other results such as the continuing results of a deepened fellowship and closer co-operation between the churches in the association.

EVANGELISM REPORT

We are grateful to our Lord for his blessings to us this year of 1969. Our people have brought many souls to Christ. We have many dedicated people, and our pastors are trying to do the work that God has called them to do.

The Encounter Crusade was possibly the greatest effort ever attempted by our Association. Many people found joy in serving Christ they had not known before. Jerre Hassell will give a complete report on the Encounter Crusade that will thrill your soul in seeing what can be done when God's people cooperate together in witnessing for our Lord. Our records will reveal the visible results of this past year. Let us begin here and set our goals high for the coming year.

MISSIONS

Taking the Great Commission literally, the missions committee led the association in mission action at home by sending a helping hand to our Baptist Brethren in Michigan. \$20,000 was set aside to be used in Project 500 in Michigan over the next two year period. The money will be spent as follows:

1. \$10,000 to buy a portable church building to be used in the Bay Area Association.

2. \$100.00 per month to North Central Chapel in Detroit to rent a school building for Sunday Services.

3. \$150.00 per month towards the purchase of a site in Alpena.

4. \$150.00 per month to go towards a building to put on the mission site in Bridgeport.

5. \$15.00 per month to be put in an emergency fund which would be disbursed by our Missions Committee.

6. The pioneer missions allocation in the current budget (\$900.00) be sent to the Bay Area Association to be used as salary supplement for pioneer missions in Michigan.

7. That the Association underwrite a Home Mission Board site loan of \$10,000 for the Bridgeport mission.

The missions committee also acquired 5 acres of land in the eastern section of Jacksonville for a mission site in the future. The association has a clear title to the property and is waiting for development of the area to begin work.

At present the missions committee is investigating the possible purchase of additional property near the Melanie Park area of North Little Rock.

PROJECT 500

Bay Area Association is deeply grateful for the long hand of mission help and involvement from North Pulaski Association. The money and interest of your people have revitalized our concern and interest in reaching a totally unworked area in our mission cause.

Our association has only seven small churches but works an area of over 20 counties with over 17 thousand square miles. Our total budget of all churches is less than an average size church in your association. However, we have been able with the resources available to do so outreach. With the help given by your association we now feel that we will be able to do mission work that we had thought totally impossible.

This past year our associational missions committee did a study of how they could best utilize the resources you have made available with our own. They decided it would be wise to promote Alpena mission first and get it stabilized and then turn our efforts to Bridgeport. These are two areas your association is sponsoring.

We are happy to report that a mobil chapel will be on the site in the latter part of September. A fine young couple from Southern Seminary are now on the field.

We use the money you have designated for Alpena, a town of approximately 20,000 population, to make the down payment on property on which to place the mobile chapel. We gave \$4,750 for the property. The adjoining lot is priced at \$8,000 so we feel we got a very good buy.

Calvary Church of Rose City is also investing in this project, both with money and personal involvement. Last year a team from their church, directed by their pastor, came to our association and was part of the finest mission activity program that I have been privileged to work with. They were featured in our state paper and their work became an inspiration all over our state.

We are having some difficulty in the purchase of a site for Bridgeport. This is a suburb adjacent to Saginaw, therefore vacant land is extremely expensive. In a conference with your state missions director, Brother Eliff, we discussed a plan to try to develop a new approach toward the work in Bridgeport which we will share with

you as soon as we are able to determine its possibilities.

Pray with us that the Lord will continue to bless our combined efforts here in Bay Area.

ARKANSAS BAPTIST HOME FOR CHILDREN
FAMILY AND CHILD CARE OFFICE
LITTLE ROCK, ARKANSAS

October 1, 1968 - September 30, 1969

The Arkansas Baptist Home For Children, as it reaches out to help people in need, has, in its entire program, continued to place emphasis on the entire family. There have been many changes in the Child Care field for the nation as well as for the state of Arkansas. In keeping with this trend, the Board of Trustees is continually attempting to upgrade the total program of Child Care by ministering to families and children. Within the past year, a new office has been opened in Jonesboro to serve northeast Arkansas.

Since the beginning of this work in the local community, many homes have been reunited where the children had either been removed by the court or voluntarily placed in the Children's Home. The Board and staff feel that when the child can be reunited with his own family that this is one of the greatest accomplishments that can be made in the field of Child Care. There were 6 children from this area returned to their own homes during this year. Two of these children had lived at Arkansas Baptist Home For Children for 12 years, two had lived there for 8 years, and the other two had only been there for approximately 21/2 years. We will continue to work with these families and children to help them work out their adjustment problems.

The ministry of our office in Little Rock has continued to increase in the number of people being served. During the year we have received 116 new referrals. The needs represented in these situations are as varied as the number of referrals. We are grateful that approximately 50% of these referrals came through our pastors and churches. The other 50% came from community agencies. From these referrals, 11 children were placed in the Arkansas Baptist Home For Children.

Another important facet of the Child Care work has been the establishment of foster homes within the state. Many of these homes are Baptist people who have opened their homes and hearts to an individual child who cannot live in his own home. They become substitute parents by offering their love and guidance in helping the child learn how to live in society. We have placed 13 children in foster homes in this area this year, making a total of 15 in foster care during the year. At the present time, we have 8 children in foster homes, with the other 7 having been returned to the homes of their parents. We have 8 foster homes approved in this area and 1 group home for adolescent girls.

With our emphasis on the total family, we are providing supervision to children in their own homes when this type of help is indicated. We are working with 23 children in their own homes. This includes follow-up care for some of these children and an effort to help the family and child control delinquent behavior in others.

Statistically, our work for the year was as follows:

(These sessions included office interviews as well as work done outside the office.)

Miles traveled -	10,276
Counseling Sessions:	
Youth	266
Adults	222
Families	84
Professional Personnel	89
Total	661

The Board of Trustees of the Arkansas Baptist Home For Children let bids for two new cottages for boys and girls on May 1, 1969. These two cottages are to be completed by January, 1970. They are being built to meet the needs of emotionally disturbed children and children who have to live away from their own homes. The Arkansas Baptist Home For Children Board of Trustees is proud to be able to make this type facility available within the state of Arkansas where pastors and others can refer children who can no longer live in their own home, or other families who need professional guidance.

OBITUARY

One of the last messages Jesus had for His disciples while He was with them on earth was, "I go to prepare a place for you. And if I go and prepare a place for you I will come again and receive you unto myself; that where I am, there ye may be also." From that time until now the Lord has been calling His children Home. This is the Lord's own way to make His place what He wants it to be. If there is "Joy in the presence of the angels of God over one sinner that repents," there must be great rejoicing over these who have been made saints when they reach Heaven. The Lord rejoices to welcome them there, for He said, "Precious in the sight of the Lord is the death of his saints."

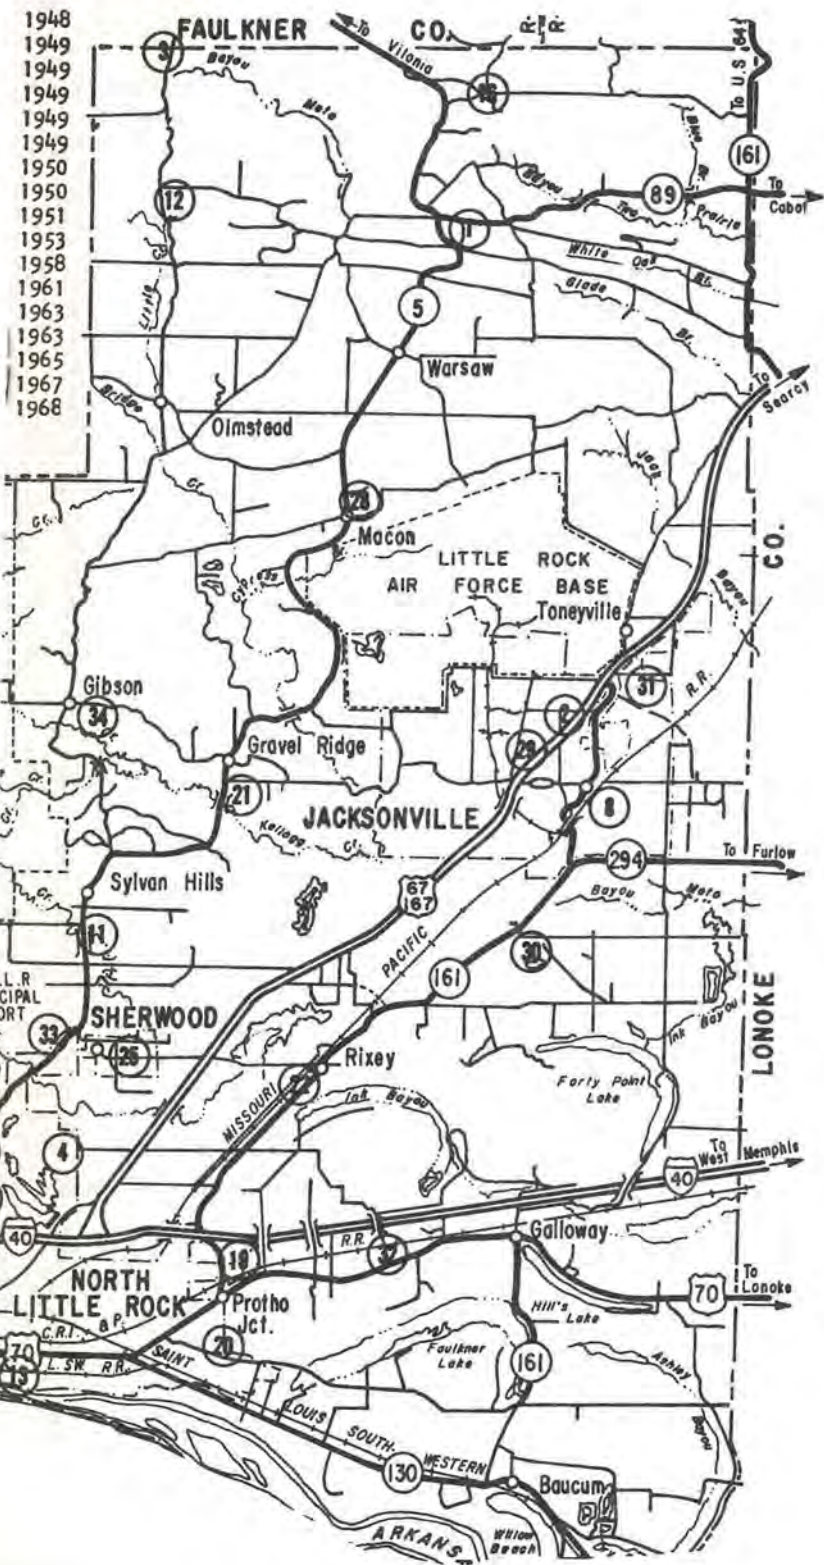

The Lord has called 101 North Pulaski Baptists to him during last year. In humble submission, we who are left to continue His Work on earth, yield to His Will. Those

RESOLUTIONS

I. WHEREAS, the North Pulaski Baptist Association meeting in its eighth annual session in the Levy Baptist Church, has enjoyed a significant meeting:

THEREFORE, BE IT RESOLVED that the association express our gratitude to God for its progress and prosperity, and its appreciation to the Levy Baptist Church for the hospitality shown association guests, and for the privilege of using the church sanctuary and other facilities.

BE IT FURTHER RESOLVED that our association express its appreciation to our

Moderator, Rev. Jerre Hassell, and to the other association officers for their leadership this past year in our associational work and further appreciation for all who have appeared on the program and for a well planned, well presented, and well ordered session.

II. WHEREAS, all Christians should consistently oppose inhumanity, injustice and war, and

WHEREAS, our nation continues to be involved in a tragic conflict in Vietnam which has already resulted in untold misery and great loss of life for Americans and other peoples;

THEREFORE, BE IT RESOLVED, that we pledge our prayerful concern to both our national and world leaders that they shall seek God's leadership and thus make every possible effort to secure a reasonable settlement of the Vietnam conflict as soon as humanly possible.

BE IT FURTHER RESOLVED, that we pledge our continuing concern and prayers for all men who are serving in the military service of our country and for their families who share in their service.

III. WHEREAS, our nation continues to be plagued by serious social problems, such as racial tension, violence, crime, and immorality;

THEREFORE, BE IT RESOLVED, that we maintain a Christian posture toward people of all races and that we will continue to strive for racial justice and for the salvation and betterment of the total well being of all men; and,

BE IT FURTHER RESOLVED in the light of the constant rising rate of crime and immorality, that we commit ourselves to give more time in prayer for our land, and to commit every resource to the preaching and teaching of the gospel that our churches might experience spiritual renewal and our land might experience spiritual healing.

IV. WHEREAS, there exists an ever increasing need for an evangelistic witness in our nation, with the birth rate outstripping the rate of conversions in an overwhelming proportion; and,

WHEREAS, there are many populated areas in our land without any evangelistic witness; and,

WHEREAS, our Southern Baptist Convention has projected a goal of 500 new churches in these thickly populated areas by the end of 1969; and,

WHEREAS, our own association has designated \$5,400.00 for this work in the coming year;

THEREFORE, BE IT RESOLVED that we urge our churches to undergird this financial support not only with their prayers but to do whatever else they can to become more personally involved in these great mission fields. ■

STEWARDSHIP REPORT

The annual Associational Stewardship Rally was held September 15th at First Baptist Church of Sherwood. Dr. T.K. Rucker who is director of the department of Stewardship for the Arkansas Baptist State Convention, brought the message of the evening. A display of stewardship materials was made available to the churches in selecting the material needed for a successful stewardship program for the new church year.

Plans are being made for 1970 to assist any church in the association needing help in planning or promoting stewardship in the local church. The associational office has eight filmstrips on stewardship available as well as suggested plans for promoting stewardship in the local church at any time. Films will be made available

free of charge to any church seeking to begin or improve a stewardship program.

Mission giving for North Pulaski Baptist Association has shown little or no increase in 1969 over the previous year. This is discouraging in that most of the churches have shown increase in income. It is hoped that each church will look closely at their cooperative program giving as they work on their new budgets for 1970. The coming year should be the best year in stewardship for churches of North Pulaski Association.

STUDENT WORK

Baptist Student Unions are striving to provide a spiritual ministry to all students who are in the process of their college education. This is done by an active program on campuses which is centered around worship opportunities, personal evangelism and ministering to others. We would welcome you to visit at any time one of our centers to get a first hand look at our ministry.

Year in Review - Statewide

1. Nathan Porter of the Home Mission Board helped the state department with several campus Evangelism workshops.

2. During the Spring break some 90 students were involved in four mission projects.

3. In our Summer Missions program we had 78 students from 12 Colleges and Universities working in 29 states and in two different countries.

4. A house to be used as a Baptist Student Center at Westark Junior College in Fort Smith has been purchased. More and more emphasis will be put on ministering to our fast growing Junior colleges.

5. Some interesting statistics: BSU State Convention-attendance 450; Spring Retreat-attendance 225; International Retreat-attendance 70; Director's Workshop-attendance 25; and professions of faith and baptisms among our students were 68.

Year in Review - Little Rock Area

1. James A. Smalley moved to the position of Little Rock BSU Director on June the 15th. He served eight and a half years at Southern State and five years at State College before moving to Little Rock.

2. The two Pulaski County Associational Committeex on student work drew up an organization for a joint committee which has been accepted by the executive boards of the two associations. Six members, serving on a three year rotation system, will represent each association. The committee will also include the leadership of the two associations and the Baptist Student Unions in Little Rock.

3. The president of the BSU at U. of A. Medical center is Cynthia Worrell who is a senior Medical student from North Little Rock. The president at UALR is Mickey Anders of Crossett who is a Junior at that school.

4. Our program at the two schools is taking form and I am encouraged by the response to date. Pray for our BSU work statewide and in the Little Rock Area.

Respectfully submitted,
Bennie D. Hindmon
Student Work Chairman

SUNDAY SCHOOL

The Associational Sunday School organization is designed to assist the churches in teaching the Biblical Revelation, reaching all prospects for the church, leading all church members to learn, worship and minister daily; and to help the churches in special projects and to channel denominational information.

There are thirty-four churches in our association and thirty-six Sunday schools, including two mission Sunday schools. During the past year our Associational Sunday School enrolment loss was 138.

Sunday School leadership training awards to date for this year are 298.

The Association held a Vacation Bible School Clinic with 203 workers from twenty churches attending. We have conducted 31 Bible Schools during the past summer.

The Association has a film strip "The Sunday School at Work in 1969-70" which churches may use to inform members of the program.

We urge churches to observe January Bible Study Week and to attend the Association Sunday School Leadership Preparation Week in September.

We plan for our Associational Sunday School Department to be represented at the state "Shaping the 70's" Conference by Kay Mansell, Associational Sunday School Superintendent. This State conference will be at Immanuel church, Little Rock, January 12-13, 1970. The Associational Sunday School representative will assist in our Associational "Shaping the 70's" Clinic in February of 1970.

Respectfully submitted,
W.J. Waymack
Sunday School Superintendent

TRAINING UNION

Training Union includes three divisions of training - new member training, member training and leader training. In addition to a Training Union director, churches should elect the director of new member training, director of member training and director of leader training. In many churches the Training Union director will also serve as director of member training. Organization and curriculum have been planned for each division of training.

Training Union has four definite content areas: Christian theology (doctrine), Christian ethics, Christian history and church polity and organization.

1. According to the 1968 report in the Arkansas Baptist annual, there were 1189 churches in Arkansas. 965 of these churches reported 100,476 Training Union members. There were 224 churches without Training Union work. In our association, according to the 1968 report, every church had a Training Union.

2. "M" Night was observed on December 2, 1968, with an attendance in Arkansas of 9351. 678 churches were represented, 523 pastors present, 450 Training Union directors present, and all except three associations had an "M" Night meeting. Our association had 350 present at our "M" Night meeting. "M" Night will be observed in our association at Baring Cross Baptist Church this year and the date is November 24.

Other associational activities in our association were two New Member and Leadership meetings in which many spirits attended but few bodies.

Our Junior Sword Drill winners at the District Training Union Sword Drill and Speaker's Tournament at Hot Springs were: Kathy Adams, Baring Cross church; AND Rosie Thompson, Ricky Thompson and Steve Holland, Marshall Road church.

Our Association plans to conduct the following projects for 1970: Training Union Leadership School, April 20-23, Calvary church, "M" Night, November 23, First church, North Little Rock.

Bill Kreis
TU Director

W.M.U. REPORT

The objective of the Associational W.M.U. program is to assist in establishing, conducting, enlarging, and improving the W.M.U. program in the local churches of the association.

In meeting this objective, our services have personally been offered to assist the local churches in whatever opportunity we have been asked. To improve the program of the churches, a leadership course was conducted at First Church, Jacksonville with 180 in attendance. To further aid in their improvement, conferences were conducted in various ways at the W.M.U. meetings held at Levy, Amboy and Grace Churches. At two of these meetings we had a missionary speaker.

The Y.W.A.'s and G.A.'s held their meetings each quarter. The G.A.'s have grown so in attendance that in the coming year the Junior and Intermediate meetings will be held separately.

A Day Camp was held at Burn's Park for Eight-year-old Sunbeams with seven churches represented and 55 in attendance. Focus Week was observed with a meeting at Amboy for Sunbeams of all ages with 101 in attendance from six churches.

In evaluating the year's work, the Associational W.M.U. Council has met the requirements for a Distinguished Associational W.M.U. A real effort has been made to strengthen the fellowship among our churches.

Respectfully submitted,
Mrs. Robert Cole
W.M.U. Director

YOUTH

The associational year of 1968-69 has been a year of expansion and accelerated activity for the youth of North Pulaski Baptist Association. There have been four youth rallies held at First church, Jacksonville, Central church, Park Hill church, and Baring Cross Church. The estimated attendance for the four rallies is in excess of 1,000 teenagers. There have been eleven professions of faith and fifty-two rededications recorded.

This year has witnessed the formation of the Associational Youth Council which is made up of two teenagers from each of the thirty-four churches. Mr. Mike Jackson, a member of the Calvary church, was elected as president of the Youth Council.

For the first time this year, a youth breakfast was held at the Baring Cross church where one hundred and twenty teenagers enjoyed a wonderful time of fellowship and a great spiritual challenge from Mr. "Chuck" Beale.

Future plans are in the making for the publication of an associational youth paper, THE CHRISTIAN YOUTH, a Mission Emphasis night and an associational youth day at Lake Nixon.

There are no greater rewards to be realized in our associational program than those which come from seeing our youth serving Christ.

Bennie D. Hindmon
Youth Director
