## APPENDIX,

### REPORTS OF COMMITTEES.

[A]

MINISTERIAL EDUCATION—Your committee would report: We

are unqualifiedly in favor of an educated ministry. We are also in favor of this association assisting in the education of young ministers, who are trying to secure an education, but who are unable to remain in school without aid. We also recommend to the favorable consideration of young men seeking an education for the ministry, the Baptist Theological Seminary, of Louisville, Ky. It is by far the ablest institution of learning in the denomination, and its terms are as reasonable as others of less merit. We also recommend to our young preachers the favorable terms and advantages offered by our own Ouachita College.

C. WARDLAW, Chairman.

[B]

**FAMILY DEVOTION**—Your committee would report: We believe that the neglect of family service is one of the great causes of so many lifeless Christians, and believing that it is a duty unmistakably taught by the Master we would recommend the erection of a family altar in the home of every member of this Association, where we may invite the Savior to attend us daily with His blessing, and prepare us for the duties we owe him and our fellow man.

Y. R. HARBIN, Chairman.

[C]

**PRAYER MEETINGS**—Knowing God's house is the house of prayer; and that Jesus has said, "All things are possible unto him that believeth," we would recommend that the delegates present go home and make a strong effort to organize a prayer meeting; so that every church would report a live prayer meeting at our next gathering.

S. A. WILSON, Chairman.

[D]

**SABBATH SCHOOLS**—Early impressions are the most lasting; and the habits of the youth usually follow him through life. In training the young and impressing God's word upon their minds, the Sabbath school is next in importance to the home. We, therefore, earnestly urge the pastors of the respective churches to insist upon the organization of Sabbath schools where there are none, and urge the members to work more earnestly in them. We have near thirty churches in this association, and only six schools are reported, with a membership of 256. Our churches ought to report a Sabbath school for every church with a membership of not less than 5,000. However,

all are not reported.

We would recommend that the clerk of this body prepare an associational letter and send to each church clerk with minutes of this meeting, to be used by church clerk in reporting their statistics.

C. WARDLAW, Chairman.

## [E]

**LITERATURE**—We recommend (1) the careful reading of the Bible, accepting it as the man of counsel, in faith and practice, and as the principle means of an increase in grace and knowledge. (2), We earnestly urge every member of this association to pay for and read the Arkansas Baptist, that they may be informed in regard to all our enterprises, and know what the denomination is undertaking for God. We regard it as being sound in doctrine, and thoroughly abreast with the times. (3), we also recommend the Foreign Mission Journal, and (4) for Sunday schools we recommend Southern Baptist Convention Series.

J. H. BARKMAN, Chairman.

## [F]

**DOCUMENTS**—Your committee would recommend that the next session of this body be held with Mt. Pleasant Church, situated 8 miles west of Locksburg, in Sevier county.

Y. R. HARBIN, Chairman.

## [G]

**MINISTERIAL SUPPORT**—We find that many of our churches and pastors are not pursuing a safe and scriptural course respecting the support of the gospel.

Therefore, we recommend (1) that our churches enlist all their members in this important feature of the work, by requiring each one to purpose some amount, (according as they are able) when the call is made for the support of the pastor, that the church may be able to offer a stipulated amount before he accepts. (2), we would recommend that our ministers refuse to serve any church that will not utilize her ability to pay, and so purpose such support "as the Lord hath prospered."

H. HERNDON, Chairman.

## [H]

**TEMPERANCE**—We recognize the fact that intemperance is one of the greatest evils in the sight of God. It destroys the peace

of the home, the happiness of the wife, the hopes of the child, the manhood of the father, and at last fills a drunkard's grave,

Therefore, We recommend that every child of God, look with perfect shame and disgust upon this evil. S. A. WILSON, Ch'm.

## [I]

**FINANCE**—Your committee reports the following amounts collected at this session:

For Associational Missions.....	\$33.45.
For State Missions.....	6.05.
For Foreign Missions.....	46.
For minutes.....	17.41.

---

Total.....\$57.41.

LEE JOHNSON, Chairman.

## [J]

**OBITUARIES**—God has been very kind to us in sparing so many during the past year. But few have died; among the number we mention our aged and beloved brother, J. D. Adcock, of this church who passed from earth to his reward some months past.

J. W. HUBBARD, Chairman.

## [K]

**SABBATH OBSERVANCE**—The scriptures teach to "Remember the Sabbath day to keep it holy." Your committee would therefore recommend to our church to use such means as will impress upon their members the importance of keeping this commandment, by leaving off all matters of worldly nature, and doing the things that pertain to God, and the upbuilding of His cause.

C. T. ROGERS, Chairman.

## [L]

**STATE MISSIONS**—Your committee desires to call attention to the present urgent need of state aid in this part of the state. New towns are being built, and churches should be organized and maintained at each town along the line. Never has the need of this section been greater, and we are unable to fill this destitution successfully without aid from the state board. We already have several churches along this line of road that are unable to support a pastor.

Therefore we urge the state board to help the work in this association as liberally as possible, and we urge our churches to contribute liberally to the work of state missions. We further recommend that our associational board co-operate with the state board with a view of carrying out the recommendations of this report.

C. WARDLAW, Chairman.

## [M]

HOME MISSIONS—Your board has expended the sum of \$197.65, on the field during the year, appropriated at the following points, to-wit: To Davis school house, Bro. J. W. Hubbard, missionary, \$25. A church has been organized, 4 have been baptized, total membership 11.

To Winthrop, Bro. M. M. Cochran, missionary, \$37.50. A church has been organized with a total membership of 12.

To Ashdown church, Bro. C. M. Powell, missionary. \$27.50. Four have been added to the church, 1 by baptism; membership 13.

To State Line and Chapel Hill churches, and Teal's School House, Bro J. H. Denson, \$62.50. There have been received during the year 27 members.

We have gathered through the missionaries on the field \$45.15, which amount is included in the whole amount expended.

We believe God is in the work, and that the field is being opened for us to possess. We have fulfilled all contracts, the missionaries are all paid, and a balance to the credit of the board of \$9.15.

As to the plan, we believe, after a thorough test, that no better plan can be adopted than the one pursued the past year.

DESTITUTION—There are several points of organized destitution that should be aided, and other points, unorganized, are being developed along the line of the railroad as it progresses through the association, where we should plant the gospel as rapidly as possible.

C. M. POWELL, Ch'm.

J. H. BARKMAN, Cl'k.

D. S. COOPER,

J. H. CHRISTIAN.

## [N]

MINISTERIAL EDUCATION—As chairman of your board of ministerial education, I present to you the name of Bro. A. T. Collins, of Brownstown church, as a young minister of promise, who is now at

Ouachita College, and is making a commendable effort to educate himself for the work. He is poor and unable to continue in school without help. I would recommend (1) that this association adopt him as their student; (2) that we raise \$100 to aid him the present session; (3) that pending the adoption of this report a collection in cash and pledges, by individuals and churches be taken.

M. M. COCHRAN, Chairman.

[o]

**FOREIGN MISSIONS**—The commission given by the Savior to his disciples says, "Go ye, therefore, and teach all nations," was binding, not only on those to whom it was given, but it comes with all its power and force upon all who are made children of God by grace. It is the indispensable duty of all Christians to either go or send in this work. We learn from the scripture that "It pleased God by the foolishness of preaching to save them that believe," and He has not revealed any plan by which men can be saved, except by the intelligent hearing of the gospel and hearty obedience to his commands as revealed in His word. The world's great need, coupled with the King's command to preach the gospel, combine to make it our indispensable duty to do all we can to carry the gospel to the regions beyond.

According to the lowest estimate the population in foreign fields is about 1,181,000,000, of whom 856,000,000 are heathen, 175,000,000 Mohammedans, 150,000,000 are claimed for Catholics, leaving a very small proportion to represent Christianity. These facts should move God's people to use strong efforts to spread the gospel throughout the world. We recommend that our ministers endeavor to inform themselves as to the great need of the gospel in foreign field and arouse our people by preaching often on the subject, and developing our people in the great work of spreading the gospel, which is committed to their charge.

W. A. INGLE, Ch'n.

**ORDAINED MINISTERS**—Joe. H. Denson, Locksburg; M. M. Cochran, Brownstown; Thomas Dulaney, Brownstown; J. W. Hubbard, Brownstown; J. A. Westbrooks, Atwood; H. L. McCarroll, Lebanon; B. T. Canon, Silver Hill; Y. R. Harbin, Winthrop; W. A. Ingle, Winthrop; O. H. Arnold, Rocky Comfort; C. M. Powell, Wilton; W. S. Dozier, Wilton, W. L. White, Wilton.
