## Constitution

(Adopted October 17, 1961)

(Section 8 (a) Amended October 15, 1963)

(Section 5 Amended October 14, 1968)

### 1. NAME

The name of this association shall be the North Pulaski Baptist Association, cooperating with the Arkansas Baptist State Convention and the Southern Baptist Convention.

### 2. PURPOSE

The purpose of this association shall be to promote Christian fellowship and cooperation among the churches affiliated with the association to uphold the doctrines and principles of our Baptist faith and to encourage the churches to be loyal to and practice these doctrines and principles; to promote the preaching and teaching of God's Word, the enlisting and training of all Christians for service; to promote missions, benevolence, stewardship, Christian education, and the winning of all men to Christ to the ends of the earth. To co-operate with the Arkansas Baptist State Convention and the Southern Baptist Convention in a world mission program.

### 3. MEMBERSHIP

The body shall be composed of messengers elected from the churches and missions affiliated with the body. When such messengers are approved by the association they shall be seated and entitled to participate in the affairs of the body. Each church shall be entitled to three messengers for the first fifty members, and one additional messenger for each fifty members above the first fifty, provided that no church shall be entitled to more than ten messengers.

### 4. ARTICLES OF FAITH

The Articles of Faith set forth in New Hampshire Confession as the

doctrinal beliefs of the churches shall be the doctrines adopted by this body.

#### 5. OFFICERS

The officers of the Association shall be moderator, moderator-elect, clerk, treasurer and historian. These officers shall be nominated and elected by the association, preferable before the last session of the annual meeting. They shall serve until the close of the following annual session of the association or until their successors shall be elected and installed. Election shall be by secret ballot unless another plan is adopted by unanimous consent. The term of moderator shall be for one year. The moderator-elect shall serve as assistant to the moderator for one year and shall at the time of the annual association meeting assume the office of moderator. The association will at that time elect a new moderator-elect. The duties of these officers shall be those usually incumbent upon such officers.

If the association employs a superintendent of missions and/or an educational director, these workers shall be considered as officers of the association. Such additional officers shall be elected as the association shall deem necessary to its most effective work.

#### 6. AUTHORITY

The association is an autonomous body and therefore reserves the right to determine its own policies and direct its own business; it may refuse to seat messengers who are not in fellowship or doctrinal agreement with the body, or whose churches are not. However, this body shall never exercise any authority over, or give direction to, any church or churches which are affiliated with it or which may have been affiliated with it; but the association will stand ready to lend any assistance or counsel to any church making request for such help.

#### 7. ORGANIZATIONS

This body shall encourage and promote such associational organizations as Sunday School, Training Union, Woman's Missionary Union, Brotherhood, music, library, and other organizations which are in keeping with the purpose of the association, with their full staffs of officers and programs necessary for the promotion of the work. The chief officer of each organization shall be elected, or approved by the association and shall function as an officer of the association.

#### 8. EXECUTIVE COMMITTEE

The Association shall have an executive committee consisting of the pastor of each church (where he is a member of the church) and one lay member from each church. Nominations for membership in the executive committee may be made by the church, but members must be elected by the association. The officers of the association, namely moderator, moderator-elect, clerk, treasurer, and historian, shall be ex officio members of the executive committee and should serve as respective officers of the committee, unless the association directs otherwise. All other officers and chairmen of standing committees are to become ex officio members of the executive committee. Ex officio members will not have the rights to vote unless they are also members of the executive committee elected as representatives of their respective churches.

The executive committee shall attend to all matters of the association between sessions; promote all progress authorized by the association; and carry out all directives given by the association. It shall make an annual report to the association of all work carried on and all finances handled. The executive committee shall not have the power to create or initiate any new work or project not contained in the reports and recommendations of the previous meeting of the association.

The executive committee shall hold regular monthly or quarterly meetings.

The executive committee shall not have power to entitle a church to affiliation with the association or have representation on the executive committee, but may invite a church to sit with it in counsel without vote, pending the seating of the messengers of that church by the association.

8. (a.) The legal title to all property owned by this Association, both real and personal, shall be held in the name of the designated trustees, which shall be vested in them by virtue of their office and which shall be transmitted to their successors. The Trustees shall be three in number and shall be named by the Association to serve for a term of one year or until their successors shall have been named and qualified. In the event a vacancy should occur by reason of the failure of the Association to make such selection, by death, by disability, by removal from the community or otherwise, the Executive Committee may fill the vacancy. By direction of the Association, or of the Executive Committee, the trustees shall be clothed with authority to act on behalf of the Association in the acquisition and disposition of Associational property, and specifically shall have authority to execute notes, bonds, debentures, deeds of conveyance, mortgages, pledges and other security instruments and any and all related documents incidental thereto; and to represent the Association in all legal matters. All persons dealing with said trustees may rely upon any written resolution duly adopted by the Association or the Executive Committee, directing and authorizing the trustee to act in its behalf, and a certified copy of any such resolution duly executed by the Associational moderator and the clerk shall be conclusive evidence thereof.

#### 9. MEETINGS

The association shall hold annual meetings of the body at such time and place as it may determine. The executive committee may have power to change the stated time and/or place of the annual meeting in case of emergency or necessity. The association may hold such quarterly meetings as are deemed wise for the promotion of its work. It shall promote such regular meetings of its worker's council, its promotional organizations, and its standing committees as shall prove most effective for carrying out the total purpose of the association.

#### 10. COMMITTEES

The association shall have the following standing committees named by the moderator and his officers before the close of the annual session to serve until the close of the next annual session, namely, program committee, nominating committee, credentials committee, budget committee, and such additional standing committees as seem needed. All organizations of the association shall name their own committees.

#### 11. AMENDMENTS

This constitution may be amended at any regular annual session of the association by a two-thirds majority of the messengers present, provided notice of such change has been given at the previous annual meeting and provided it is read in the first session of the annual meeting and voted on before the last session.

## COMPOSITION AND DUTIES OF THE ASSOCIATIONAL MISSIONS COMMITTEE

Section 1. The Association in Annual meeting, through the Nominating Committee, shall elect a standing committee, known as the Missions Committee. This committee shall be composed of NINE members. Members of the Missions Committee shall serve for a term of THREE years. Each year THREE members shall complete their terms and shall not be eligible for re-election for a period of at least one year.

Section 2. The Officers of the Association and the elected Associational Organization leaders, shall be ex-officio members of the Committee with all rights of discussion and voting.

Section 3. The Missions Committee shall have the responsibility of selecting and nominating any paid agents of the Association, and to recommend their employment to the Executive Board in regular meetings, or properly called special meetings.

Section 4. The duties of the Missions Committee shall be as follows:

(1) To plan a program of mission work for the Association. This is to be an active and aggressive program of planning. This committee should present a challenging and progressive program of work.

(2) To see that the plans for Associational work are promoted effectively.

(3) To plan a program of benevolences. This should be a well thought out program including all such needs. Plans for promoting the activities should be initiated by this committee.

(4) To plan a comprehensive program with regard to Christian Education. This committee should ascertain the needed projects, set the emphases, and actively promote the work.

(5) To correlate the activities and projects of the Association with the adopted cooperative program. This committee should actively work toward the end of keeping all our Baptist program under direct supervision in co-operation with the cooperative program plan. These projects should be clearly thought through and planned in connection with the budget committee each year.

(6) To work toward the establishment of new units of mission work in the Association. To facilitate this phase of the work the Chairman of the Missions Committee shall appoint a special committee of THREE from the membership of the Missions Committee. This shall be known as the Missions and Survey Committee. The duties of the committee shall be:

- (a) To survey the entire Association to determine the areas where new churches or missions should be established, and to locate property in such areas suitable for building sites.
- (b) To recommend to the Missions Committee expenditures toward securing such property. The Missions Committee will then study their findings and recommendations and bring to the Executive Board for final action those projects they endorse.
- (c) To solicit the assistance of sponsoring churches in establishing work in areas which have been approved by the Executive Board.
- (d) To assist and advise all groups desiring to establish Baptist Churches and Missions in the territorial limits of North Pulaski Baptist Association to the end that all such works may secure the most desirable and strategic locations to serve the people of this association.
- (e) To survey any areas to be served by each proposed new work and recommend to the Missions Committee the nature and extent of any assistance that the Association should provide in each case. The Missions Committee would in turn study their recommendation and submit to the Executive Board a final recommendation in each instance.
- (f) To recommend to the Missions Committee all salary supplements to pastors of missions and needy churches. Requests shall be made in writing on a standard form. Commitments for supplements shall be made for periods not to exceed one year. They may be renewed by recommendation of the Committee in deserving cases. Maximum aid will be limited to three years. After the first year the aid shall be reduced 25% of the original amount for each following year.
- (g) That all recommendations of the missions committee concerning pastoral aid and disposition of property be published one month prior to presentation to the Executive Board on the Associational page of the Arkansas Baptist State Paper.
- (h) Regarding Pioneer Mission Work, it is recommended that any approval of aid to Pioneer Missions also have the approval of the Home Mission Board.

(7) This Committee shall never exercise any authority over the churches. Its sole function shall be that of advising the local congregation, desiring to establish a new work, in the matter of securing the most strategic location and assist them in securing the sponsorship of a mother church, if desirable. Any group desiring association assistance in securing property and for pastor's salary supplements would be expected to counsel with this committee in locating their work. If a church forms spontaneously or a local church establishes a new missions without counselling with the Missions and Survey Committee, no attempt will be made to tell them they cannot do so. The Association must then decide whether or not to welcome the new church into the fellowship.

(8) The Missions Committee should correlate the activity of the Associational organizations. Plans should be made together so as to avoid conflicts.

(9) The Chairman of the Missions Committee will appoint committees within the committee when such are needed to carry out the duties of the Missions Committee with regard to the above items.

#### Missions

1. Over 150 Students gave their spring break to missions projects at Brooklyn, New York; Daytona Beach, Florida; Detroit, Michigan; Baltimore, Maryland and West Memphis, Arkansas.
2. Over 50 students gave their summer to mission work overseas and in the United States.

#### Personnel Changes

Glen Holm is the new roving director at ASU—Beebe, Arkansas College at Batesville and at PCCC at Helena. John Halbert is the new director at Ouachita and Jack Kimbrell is working in a special "Project '76" in relation to U of A and SCA. LeRoy Beard is serving as Associate at ASU and Tom Biggar is serving as an intern at Little Rock for nine months with the BSU Director

#### Centers

Many centers received much needed repairs and redecoration from money provided by the overage of the 1972 Cooperative Program budget.

### LOCAL PROGRAM

The architect is at work on the working drawings of our UALR Center which we hope to complete by the middle of August.

Our groups continue to grow on both campuses with Ron Coker of Van Buren, a senior Pharmacy student serving as president at UAMC and Ellen Gates of Crossett, a senior Sociology student, as president at UALR

Jim Pat Bell, a senior Medical student spent 10 weeks in a mission hospital in

Yemen this summer with our Foreign Mission Board.

Tom Biggar has his office at the UALR Center and is spending his time related to that program in his year of internship from Louisville.

Thank you for your support in all aspects of our program.

James A. Smalley, Director

## BROTHERHOOD

### BAPTIST MEN

### ROYAL AMBASSADORS

REVIVAL! is the 1973-74 theme for the North Pulaski Brotherhood! We need your prayers as we are beginning again to go for the Lord.

Plans are being completed for a prayer breakfast to seek out men of the association who want to be involved. When you see and read about it, Come—the Lord will bless you!

The Annual Conclave for Royal Ambassadors in late January promises to be exciting for men and boys.

Others plans include—basketball played at the North Heights Center, a big campout at Greer's Ferry, a float trip for Pioneers on White River, and plans for the cars to roll again are being formed.

If you are not involved in Baptist Men or Royal Ambassadors, let us help you get excited.

Ozzie Berryhill, Director

Ed Davis, Associate Director

## CHURCH TRAINING

Church: the Sunday Night Place is an emphasis that will bless many Southern Baptist churches in 1973 and '74. While many churches are closing their doors on Sunday nights, this plan may well be used to increase Sunday night attendance in many of our churches. A good number of the churches in our association have shown an interest by ordering the materials.

You probably want to reach more people for your total Sunday evening program. The purpose of this promotion plan is to help you create a new consciousness or a new attitude in the minds of your church members toward church training and Sunday night.

This plan is designed for use at a definite time in a church. However, a church can adjust the schedule to its own calendar of activities. If you would like a further explanation of the plan, please feel free to call on your Associational Church Training Director.

In our 1972-73 associational year we scheduled only two events. "M" Night was not held in 1972 in lieu of a World Missions Conference held at that time.

An Idea Clinic was scheduled for November 6, 1972 at Indian Hills Baptist Church; but the crowd was so small due to a down-pour that this clinic was called off.

March 13, 1973 an "Upgrade" Conference was conducted at Sylvan Hills First Baptist Church with good attendance and an outstanding program.

We had three winners in the district Bible Exploring Drill which made them state winners. All three were from Calvary Baptist Church. They were Elizabeth Kreis, Kelley Lassiter and Susan Lassiter.

A. Kay Mansell

Associational Church Training Director

## EVANGELISM

Jesus said, "I came for the purpose of seeking and saving the lost." That was His primary purpose. It should be the ultimate goal of the local church. The Association's program should be geared toward assisting the local church in working and developing such a worthy goal.

Many programs of evangelism are now available to any local church that wishes to increase their outreach in evangelism. These include Rally to Real Life, Lay Evangelism Schools, Lay Renewal Evangelism Weekend and others. The current Evangelism committee is presently planning, on the Associational level for a simultaneous Lay Renewal Evangelism Weekend to be conducted in January, 1974.

The past year, members of churches in the Association conducted on an individual basis WIN Schools, Rally to Real Life and other evangelism-related programs. Several churches participated in the James Robison Crusade held at Barton Coliseum, July 22-29.

Billy G. Kimbrough  
Associational Evangelism Chairman

## EXECUTIVE BOARD

The Executive Board met in four regular meetings with an average attendance of sixteen.

### The Board:

Approved the appointment of a committee to study the feasibility of building an associational campground.

Approved a recommendation from the Missions committee that we recommend to the Annual meeting that we furnish a semi-private room in the new Baptist Medical Center at a cost of \$2100.

Approved a motion to take a survey of the area around the Jacksonville property to determine if it is feasible to begin a work there. (Survey has been made and reports are being studied.)

Approved a motion to return to monthly meetings of the Executive Board.

Authorized the purchase of a cassette recorder to add to the visual aid materials and a storage cabinet for the association office.

Approved a motion to pay off the indebtedness on the Association Building in the amount of \$7689. (This was done in July)

Approved the 73-74 budget of \$35,240. for recommendation to the Annual Meeting.

## LIBRARY

The Library Council, composed of the Library Services workers in each church, met four times this past year. Twenty-five of our churches now report a library. Bayou Meto and Runyan churches started new libraries and received the Association's gift of \$25 worth of books.

An audio visual library of 280 filmstrips and seven pieces of equipment is available for scheduling through the association office. Bible map transparencies and a cassette tape player were added this year. 220 filmstrips and 42 pieces of equipment were checked out to the churches this past year.

The portable library available to churches without a library now boasts 220

books.

Library Council officers for 1973-74 are: Mr. E. C. Horn, president; Mrs. H. J. Vines, president elect; Mrs. Jerre Hassell, program chairman; Mrs. E. W. Sylvester, secretary; Mrs. Dell McKibbin, audio visual director. Quarterly council meetings will be held on the 4th Sunday in January, April, July and October.

Mrs. Elwood Allen  
Library Council President

### IN MEMORIAM

As we look back through the everlengthening span of time, we see the heroes of faith.

Some have long departed, but their brave deeds are engraved clearly upon the pages of history. These deeds, even though their faces have vanished from our midst, still abide with us through the precious memories of them that we retain.

Our faith brings us closer to them rather than separating us thru a sense of great loss.

Let us, therefore, remember these who have died in the faith and have gained the goal which all we look forward to.

Let us never forget their faith but because of their lives we shall be strengthened by their high principles for which they lived.

Larry Ballard, Chairman

### MISSIONS REFLECTIONS

It is good to have a feeling of well being. To look back and see the tracks which you have made. To know that you have not been dilitory in the work of the Lord. It is also good to share with one another at an Annual Associational Meeting the victories of our God, might in battle against Satan and company.

Missions is a word that certainly does mean different things to different associations.

To some it means having a missionary with an office and little else in regard to outreach, because funds are limited.

To some it means taking care of that association's Jerusalem excluding Samaria.

To some it means limping along on skimpy funding, with upsetting frustrations at every board meeting. What programs will we have to delete or curtail this month?

To some it means that a missionary has to go in a run preaching and teaching—while pastors and churches sit back with hands in pockets.

BUT—to North Pulaski Association it means "REACH OUT"!

From the first Executive Board meeting that I attended in late June of 1966, held at Amboy church, with J. C. Myers moderating, I got the feeling that here was an association with design for 'missions'. As the years have unfolded from North Pulaski's beginning to the present day this design has been put into action in a continuous fashion.

It was from 1964 to 1967—pastoral support given to Algonac, Michigan.

It was 1965—pastoral support given to Grand Island and Valentine, Nebraska.

It was 1969—Pastoral support given to Alpena, Michigan.

It was 1970—Moving expenses for a pastor to Laramie, Wyoming.

It was in response to the Home Mission Board's Project 500 that a \$10,000 mobile chapel was given for Walled Lake, Michigan and an \$8,000. church building was purchased for a place to worship in Alpena, Michigan.

Much like the call from Macedonia which Paul received—we received calls for help to preach revivals in Bay Area Michigan in three different years—our churches responded and shared their pastors.

First Baptist, NLR and Sylvan Hills sharing at Bay City.

Central sharing at Saginaw.  
Calvary sharing at Midland.  
Berea and Calvary sharing at Alpena.  
Highway sharing at Sanford.  
Gravel Ridge and Calvary sharing at Oscoda.  
Levy and Highway sharing at East Tawas.  
First Baptist, NLR sharing at Standish.  
Levy sharing at Walled Lake, and  
Calvary sharing at AuSable.

North Pulaski is also involved at home—with purchase of mission property, pastor supplements, and other needs. Also, our churches have been involved—Baring Cross at Southside Mission—Park Hill at Indian Hills and Cherokee Village—Gravel Ridge at Runyan—Calvary at Bull Shoals—and Amboy at Indianhead Lakes. Our youth have shared in mission witness with choir tours, work at resort areas, and mission VBS.

WHERE DO MISSIONS BEGIN? Do they ever end? Jesus' admonition to the church at Jerusalem is the seed from whence came all missions and associations. For He said, "my witnesses in Jerusalem, Judea, Samaria, the uttermost part . . .".

In the history of North Pulaski, she has attempted to share in this command of our dear Lord. Of all the monies spent on all types of missions, little has been spent on herself. Little money has been spent on personnel—the work has been done by the pastors, staff workers, and lay people of the local church with the aid of a full time secretary.

Never shall we stop reaching out for those who cannot help themselves.

Never shall we cease our direct involvement in home missions, state, and community mission projects.

But—there has come the time in the life of North Pulaski Association that a need is evident for the good of every church and every member. I believe as other pastors and lay people do that we need a retreat or camp area at which our churches can go for church activities and associational meetings and youth activities. A place that is close enough to us that would be of effective use. An area in our own Association.

This would be only a time of catching our breath locally as we move out as churches in association always striving to do what Jesus would be doing if He were here.

Bill Kreis  
Missions Chairman

## SUNDAY SCHOOL

During 1971-72, the enrollment of Arkansas Baptist Sunday Schools had a net gain of 6,702 over the year before. Vacation Bible School enrollment had a net increase of 11,128. We are hoping for another increase when this year's totals are compiled. Through the efforts of the State Sunday School Department 5,292 people received some form of training during this present year.

In our association this past year we conducted or assisted in seven projects relating to Sunday School work. On October 30 we conducted an Outreach Clinic at Indian Hills Baptist Church. Due to heavy rains we only had 27 present with 9 churches represented.

On December 4 we assisted the pastor's conference in conducting a January Bible Study Clinic.

In March we conducted two training clinics for small Sunday Schools. We had a total of 60 present with 5 churches represented.

On March 27, our Vacation Bible School Clinics were held at First Baptist Church, Jacksonville, under the direction of Willard Zeiser. We enrolled 251 from 20 churches at these twin Vacation Bible School Clinics. 18 churches reported Vacation Bible Schools conducted. Baring Cross Baptist Church conducted 13 backyard Mission Vacation Bible Schools with 284 enrolled.

The first week in August we conducted a mission Vacation Bible School at Lake Nixon for the Girl's Training School. Our enrollment was 48.

On September 10-12 we conducted the most successful training school in our history. Our enrollment was 625 with 25 churches represented. This is the largest school in the history of our association and the largest in the Arkansas Baptist State Convention in the past ten years.

We praise the Lord for what has happened through the Sunday School in North Pulaski Association this year. We pray for even more in 1974.

Freddie Pike  
Associational Sunday School Director

## WOMAN'S MISSIONARY UNION

The Associational Woman's Missionary Union this year attempted to reach as many women as possible. This was done through a leadership study in September at First Baptist Church, Jacksonville. In January, Mrs. James Hampton, missionary to Tanzania, spoke to the women and conferences were held for all leaders. The March rally featured, Mrs. Gilbert Nichols, missionary to Paraguay and conferences were also held.

A Mission study Institute was held for all teachers of the foreign mission graded series books. The study in the churches was in conjunction with the Associational World Missions Conference. Visual aids were provided for all the mission studies.

Sunday School materials were furnished to Cummins Prison and the Girls' Training School.

Associational WMU Director

## YOUTH

Since accepting the position of associational youth director in the late spring of 1973, our association has sponsored two youth rallies—one, Saturday evening April 21 with the OBU Singing Men and a message by Rev. Don Nall, pastor of East Side Pine Bluff. There were 300 in attendance. The other was held on Saturday afternoon and evening, August 25, at Lake Nixon with afternoon recreation and evening meal and vesper service. Paul Jackson preached and Blake Greenway was in charge of music. 150 attended.
