The report on Home Missions was read by M. T. Matheney.

Discussed by M. T. Matheney, W. H. Sledge, J. S. Compere, Lo Slaughter.

The report was adopted, as follows:

Home Missions.

Home Missions is a term used to express the efforts of the Churches in preaching the gospel to those people in the home land who are without such preaching. In this conception of the term there is a wide and needy field, which should appeal in no uncertain way to the Churches of our Lord. It may be admissible under this conception of the work to take Mission funds to foster and encourage weak Churches, but there is need of great wisdom and care in the use of such funds, lest the use of them lessen the sense of responsibility to those who are thus helped and thereby great harm come of the effort to help. What our people need is not sporadic and high pressure appeals for contributions for this important work, but a deep-seated and settled conviction of their responsibility for the success of the work and systematic contributions to the great cause of Home Missions. While guarding against abuses in the use of Home Mission funds, we must be careful not to let our caution prevent us from doing our whole duty for the destitute in our own land.

J. M. GUYNES,
W. P. SALLIS.

The report of the Committee apponited at the last meeting of the Association to investigate the charges against he First Batpist Church at Marianna was read by W. H. Sledge. The report was as follows:

We, your Committee appointed by the Association to investigate the charges against the First Baptist Church, assembled at Marianna July 21 and performed our duty to the best of our knowledge. We have made a full and free investigation of the charges and find from the testimony presented with this report:

Charge No. 1—We do not feel that the First Church entered into union meetings with the idea of sacrificing Baptist principles.

Charge No. 2—From the evidence, the Church conducted its business according to Baptist usage.

Charge No. 3—The Church holds in its membership dancers, card players and whiskey drinkers, yet the evidence shows that it has vigorously protested against these sins and repeatedly disciplined them.

Signed by the Committee,

G. R. ROEBUCK,
J. W. SIMS,
J. B. LOWE,
W. H. SLEDGE,
H. BICKERSTAFF.

At 11 a. m. a sermon was delivered by Jno. T. Christian. Text, Eph., 3rd chapter, 21st verse.

Afternoon Session.

At 2 p. m., after devotional exercises, the body was called to order by the Moderator, and the discussion of Home Missions was resumed.

The report on Publication was read by G. W. Roebuck. Discussed by Jno. T. Christian, J. V. Vermillion, G. R. Roebuck, W. H. Sledge, J. W. Sims, J. S. Compere.

Following is the report:

Your Committee on Publications submit the following suggestions:

We find from the reading matter among our Baptist people in this Association that our Baptist papers published in this State are not taken and read sufficiently to keep informed as to our Baptist work in the State.

We urge the Messengers here to take this up with their home Churches and try and have the Baptist papers taken and read by our people.

We recommend that great care be taken in selecting Sunday school helps, using only such helps as set forth sound Baptist doctrines.

We recommend papers, books and Sunday school helps only as secondary matter as compared with the Bible.

We recommend the Bible for the reason that in it we find the Christian hope and a complete rule of our faith and practice.

G. R. ROEBUCK,
G. W. MATTHEWS.

The report of Temperance was read by J. P. Farrow. Discussed by W. H. Sledge, G. H. Vineyard, J. V. Vermillion.

The report was adopted.

Following is the report:

Report on Temperance.

The greatest moral refor magitating the public mind today is the suppression of the liquor traffic. Sentiment along this line has grown steadiiy for the last half century, and it needs to continue to grow until the last manufacturing establishment for the creation of this fire of hell has been suppressed and the infamous business of drunk-and making has been driven into perdition, where it belongs. The Churches of Jesus Christ are the great moral forces of this world, and to them more than all others belongs the responsibility for sobriety among the people and the destruction of this evil in the land. Let us continue to agitate against this evil and cleanse our Churches of all those who use this vile stuff as a beverage.

Submitted by the Committee.

J. P. FARROW,
J. M. GUYNES.

Report on Obituaries.

We, your Committee, beg leave to submit the following report.

We find from our letter to the Association that the names of thirteen of our flock have gone to their heavenly home since we last met, viz.: Brothers J. W. Martin, J. H. Freeman, J. B. Miles, J. M. Forrester, Elder W. M. Evans, Tom Johnson, Sisters Tillie Lee James, Mollie Murphy, R. C. Butler, Florence, Ashworth, Sallie Brown, M. E. Ward, M. A. Spivey. Others whose names were not mentioned in the letter to the Association.

A good per cent of this number was well known by this Association. They will be missed in the homes in which they lived, and

this loss will be keenly felt by the Mount Vernon Association.

J. H. ROUTH,
G. W. MATTHEWS
J. R. SORRELLS.
Committee.

The foreign Mission report was read by W. H. Sledge. It was discussed by the reader and Dana Terry and adopted, as follows:

We, your Committee on Foreign Missions, beg to submit the following report:

While many do not in fact and gift believe in Foreign Mission work, as shown by our giving to this great cause, yet in theory we love to number ourselves among those who really believe in the work. It is also true of many of our Churches in this Association that they are without pastors, and that really accounts for much of the shortcoming and short giving. We hope and pray that the day shall not be distant when all of our Churches shall be supplied by pastors.

Then we feel that the cause in every line will be much improved We feel to call upon our people to inform themselves more thoroughly upon the great Missionary enterprise and to give as the Scripture shall direct.

Our Association brethren are doing mission work in the following places: Persia, Spain, Mexico, Italy.

We rejoice in every success that has followed the preaching of the gospel of our brethren. The following is a short summary of the work done by our Foreign Mission Board at Richmond:

The success of the work.

1870 the Boards went beyond	$ 50,000.00
1890 the Boards went beyond	100,000.00
1893 the Boards went beyond	200,000.00
1913 the Boards went beyond	

Twenty years ago we had only one native doctor. Now thirteen well equipped doctors on the field; nine dispensaries, erected over 65,000 people. We have 226 schools and 7,481 pupils. Twenty years ago we had 177 missions; now 846. Reported that year, 383 this year, 4,532. Membership, 27,5458 contributed by natives, $89.-50.

Home Board.

1. We have on the field 1,601 Messengers; reported 26,935 brethren; total additions, 49,039.
2. Mission schools, 30; students, 5,118; property, $500,000.
3. Loan Fund. L. B. Warren will have this in charge—$1,000,000 fund.
4. Our field is the larger cities, Cuba and the west, the Panama Canal means much to the South in a material way, but little in a moral way.

Missions have done much for other lands.

Bryan's speech, "The Soldiers and Priests." China has been made free by the Gospel.

1. It has given our people all over this land a spirit of education. In every State we find it..
2. It has given our people a vision of the Cross of X.
3. Judson Centennial, $1,125,000.
4. Opportunity is ours today as never before.

Missions have done much for us.

On motion, the body adjourned until 8 p. m.

Night Session.

At 8 p. m., sermon by J. S. Compere on the subject of "Teaching and Learning." Text, Deut., 6:7, Matthew, 28:20.

The report on Orphans' Home was read by J. W. Sims. Discussed by the reader, W. H. Sledge, J. V. Vermillion. After which a cash collection of $71.22 was taken.

The report was adopted, as follows:

Your Committee on Orphans' Home make the following report:

The Baptist Churches of Arkansas now have two orphans' homes in this State, one located at Monticello, Ark., with 170 children therein, and one located at Texarkana, Ark., with thirty-two or three children therein.

We learn from reliable authority that each home is now greatly in need of money to meet running expenses and also to meet debts that are now hanging over them. In view of th fact that God has entrusted these orphans to our care and keeping, and in view of the fact that the Bible so plainly teaches that pure and undefiled religion is to care for the needs of the orphans, and also in view of the fact that these children's needs at the present are many, we hereby recommend that we take a cash collection for the Orphans' Home, and beg each person here tonight to contribute as the spirit of God may prompt you to do at this hour.

We find that the homes are run as economically as possible, and that every possible effort is being made to curtail expenses;. that it often takes some $225 per month to run the Texarkana home, and, of course, it requires a much larger amount to run the Monticello home.

The children in our homes are all well and seem to be content.

Brethren, pray for the homes and then give until it hurts, and hurts bad.

J. W. SIMS.

On motion, the body adjourned until Saturday at 9 a. m.

SATURDAY MORNING.

Report on Associational Missions.

We, your Committee on Associational Missions, beg to report that absolutely nothing has been done along this line during the past year, partly owing to Brother J. A. Smith's quitting us, and also on account of a lack of funds. Brethren and sisters, the appeal sounds loud and clear to you and to me. We all know that we are not doing our duty. Churches in this Association that have not been repre-

rested in this Association in three or four years. This, brethren, is our fault as well as theirs.

We recommend that a cash collection be taken, and also ask for pledges for this work. We ask that the Clerk be instructed to write every delinquent Church to send us the amount they usually pledge, and also a pledge for the coming year. It is the sense of this Committee that we revive our fifth Sunday meetings and ask the ministers of the Association to get together and help us make a success of this part of the cause.

Respectfully submitted,

G. H. VINEYARD,
W. H. SLEDGE,
J. F. SANDERS,
J. W. SIMS,
Committee.

The report on State Missions was read by J. W. Sims. Discussed by John T. Christian.

The report was adopted as follows:

Your Committee on State Missions make the following report:

The Bible teaching on the doctrine of worldwide missions is just as plain and just as binding upon every child of God as the doctrine of baptism. In fact it is just as wrong or just as grave an error to fail to be missionary in spirit and in practice as it would be to fail be baptized. No soul's salvation is dependent upon baptism but it may be that some soul somewhere in Arkansas is dependent upon the Gospel and we should send them for the salvation of their eternal souls. In our beloved State of Arkansas there is a great deal more destitution than many of us think, and if the people of these destitute places never hear the full Gospel they must receive at the hands of the Baptist Churches of Arkansas. In our State Mission work we, the Landmark Baptists, are doing almost nothing. We have only three Missionaries in the field. Think of it! Only three! It is true these three are doing much and report good results from their efforts, but ah! how small the territory that three men can cover in this vast State of our's! Brethren, in Jesus' name I plead, let us wake up to a greater interest in State Mission work. The convention has ninety (90) men in the field. They report many conversions, several Churches organized and great prospects, even for a greater work. These things should not only encouage us, but should also be stimulating and should move upon us to do greater things for God and expect great things from God in future. May we all leave this Association with a great determination to pay more to State Missions during the next Associationial year.

J. W. SIMMS.

Night Session

After signing, the meeting was called to order by the Moderator, and the report on the Christian Education was lead by H. Bickerstaff. Adopted as follows:

Report on Christian Education.

We, your Committee on Christian Education, beg leave to submit the following report:

Christian education is Scriptural. It is one of the phases of all denominational work. These phases are Christian Missions, Christian Education and Christian Benevolence. These interests cover the work of our Churches, aside from all local matters. No New Testament Church ought to fail to contribute annually to eaach of these three trained workers, and the place for our young people to receive this training is in the Christian college. Arkansas Baptists are making it possible for our young people to receive this higher Christian education.

One of the great features of this work is ministerial education. Last year we had more than a half hundred ministerial students who were preparing for greater usefulness. All necessary assistance ought to be given all of these worthy and needy young preachers.

Your Committee would recommend:

1. That all our people and Churches give our Baptist schools their rightful place in their hearts and prayers.

2. That each pastor be asked to preach at least twice a year on "Christian Education" and keep this worthy matter before his people.

3. That regular collections be taken in every Church every year for our Christian college, and for ministerial education.

Respectfully submitted,

DANA TERRY
H. BICKERSTAFF,
J. L. SORRELS.
