Committee on Home Missions submitted its report, as follows:

Committee on Home Missions report: The territory is large, including the destitute portion of our entire South-land, besides Cuba and Porto Rico. In the city of New Orleans alone, thousands of dollars might be profitably spent. In Texas, Louisiana and other states the need is great. In the newly acquired territory of Porto Rico, and in Cuba, much work must be done, and much money must be used.

We recommend that one Sunday in March be set apart by the Churches of this Association for the discussion of Home Missions and a collection for this great work.

J. N. MARKHART, } Committee.  
W. J. BEARDEN, }

Spoken to by Elds. A. S. Pettie, W. A. Clark and W. J. Bearden, and adopted.

Committee on Obituaries reported as follows: .

We, your Committee on Obituaries, beg leave to make the following report: That, amid afflictions and death in the bounds of Mt. Zion Association, God has wonderfully blessed the Baptist people with health and prosperity, for which we are thankful. The Lord has called to their reward, 25 Baptists from this Association; 25 homes have been made sad because of death; 25 souls have been made glad in the home of the soul. Among the deceased of this year, are Eld. C. B. Hunton, of the first Church, Jonesboro, and Eld. R. D. Thomas, of Wynne, who are gone to their rewards; but their work, the fruit of their labor, is and will follow them.

J. N. ROBERTSON, } Committee  
J. M. GREEN, }  
A. I. PULLEY, }

Adopted.

Committee on Sunday Schools (and Bro. W. Smith, secretary of Sunday School Board) submitted their report jointly, as follows:

BRO. MODERATOR AND BRETHREN:—We, your Committee on Sunday Schools, will submit our report, as follows:

We desire to impress upon the minds of the brethren the importance of the Sunday School in our Churches, and that no child of God who does not take this step in God's work is discharging his duty, and is as a light under a bushel, and is a stumbling block to the unsaved; for, how true is it, that our children follow in our footsteps. Our Blessed Savior commands us to suffer the children to come unto Him; and how can they come unto Him unless they are lead? So many of our people claim they are not adapted to this work. Are they God's people? Are they saved by an everlasting salvation? If they are, they are adapted to do ANY work. God don't save men and women for ornaments, but for workers for Him.

We recommend that our brethren of the ministry take a more active part in the Sunday School work—not in the line of superintendents, but along the line of encouragement, and insisting upon their members entering more fully into the Sunday School work. We cannot take too strong steps or use too strong language to the members of our denomination, along this line. Brethren, arouse yourselves to the importance of this work. We recommend the Southern Baptist Convention and American Baptist Publication Societies' literature.

W. SMITH, A. R. MCKINNEY, W. L. WATKINS, H. F. WRIGHT,	} Committee.

Call for letters—none presented. Committee on Ministerial Education reported, as follows:

We, your Committee on Ministerial Education, report as follows:—Morality and spirituality are essential requirements for a gospel preacher; but they are not all. Aptness to teach is another essential element in a preacher; and to natural aptness, needs to be added correct knowledge of things to teach, as a basis upon which to apply his natural aptness. God demands of His servants the acquirement of this knowledge. The unlearned are called, but they must learn. Jesus called fishermen from Galilee's shores, but for three years they were His pupils, His learners, His disciples. When God called for Israel a leader, "he was a man learned in all the wisdom of the Egyptians." When He wanted a Paul for the Gentiles, He took him from Gamaliel's feet. To-day He wants preparation, and the best preparation possible, to every one of His called servants. He does not require of us more than our ability; but He DOES require that much. There was a time when it was beyond our ministers to get more than a common school education, if even that; and God blessed, and is still blessing those faithful old soldiers in preaching the gospel. But will His blessings be showered so copiously upon young preachers of equal ability if they do not take advantage of their enlarged opportunities? We believe not; because, neglect on their part to improve would be unfaithfulness to Jesus. For some, we, as an Association, have made

opportunities, which have been improved. Now, others of great promise are needing our support. Shall we give help, and enhance their opportunities to increase their abilities—and, hence, their obligations? We especially recommend Eld. J. N. Lawless, a brother of great promise—and now in Ouachita College—to become the beneficiary of this body during the continuation of his studies in Ouachita College.

We, the members of the following Churches, to-wit: Rock Hill, Cedar Hill, Enterprise and Mt. Pisgah, submit the following:—We are unalterably of the opinion that the Association erred in expelling Philadelphia Church, and ask no

further time to consider our action; and we believe that the Association has departed from its Constitution, and that we have been debarred from fellowship illegally.

10-7-1898.

J. M. MINTON, Chairman.

Eld. E. J. A. McKinney offered the following resolution: Whereas, Enterprise, Mt. Pisgah, Mcedonia and Cedar Hill Churches have persisted in their course in endorsing Philadelphia Church, therefore, be it

RESOLVED:—That we do advise the minorities in those Churches opposed to such action on the part of said Churches, (if such minorities exist) to call a meeting, repudiate the action of said Church, and continue the Lord's work under their present names.

On motion, the report of the Committee on Associational Missions was made a special order of business for tomorrow at 10 o'clock a. m.

Committee on Foreign Missions reported as follows:

We, your Committee on Foreign Missions, beg leave to report as follows:—Foreign Missions includes the work of supplying the gospel to foreign lands. The Southern Baptist Convention supports missionaries in China, Japan, Brazil, Italy, Mexico and Africa. The obligation to give these people the gospel, comes to us in the command, "Go ye, therefore, and teach all nations." Shall we obey this command in helping to support those who have put themselves on the sacrificial altar of foreign missions? The letters to this Association show but little contributed to foreign missions for last year. Let us do more the coming year than formerly. Our pastors should be zealous in discussing this subject.

1st. Because of the need of the work.

2d. Because our people need information on the subject.

3d. Because of the widespread ignorance among the masses on the subject and the false impressions abroad re-

garding the cost of said work.

4. Because the Lord is especially now opening wide doors and breaking down barriers to the work, as in the opening of the Philippines and other Islands to us, through the Spanish-American war. We would recommend that every Church take at least one collection for foreign missions during the month of December.

Respectfully submitted.

W. H. BORUM, }  
J. R. VICE, } Committee.  
T. M. SEAY, }

Spoken to by Eld. E. J. A. McKinney. A collection was taken for foreign missions amounting to \$5.40 cash. The report was then adopted.

Committee on Literature submitted its report, which, after some amendment, reads as follows:

We, your Committee on Literature, beg leave to report as follows:—We recommend, first of all, the careful and prayerful study of the Holy Bible, which is “the power of God unto salvation to every one that believeth;” and, realizing that the press is a great power for good or evil, we further recommend that Baptists everywhere supply themselves with good and wholesome Baptist literature. To this end, we recommend that this Association recommend the Ex. B. to carry on such colporteur work throughout the bounds of Mount Zion Association, to give away and sell Baptist literature.

We further recommend The Baptist Gleaner, Paragould, Ark.; the Arkansas Baptist, Little Rock, Ark., and the Foreign Missionary Journal, Richmond, Va.

In order to inform the five churches dropped from the fellowship of this Association as to the feelings of this body toward them ; therefore, be it

RESOLVED :—That, if these Churches will, and do, rescind, as Churches, the resolutions in question, and will support the Association in her plans, policy and work, they are not only eligible to membership, but will be cordially received into our fellowship on application so to do.

Adopted unanimously by a standing vote.

THIRD DAY'S SESSION.

Called together at 8:30 a. m. by singing. Prayer by Eld. W. H. Merideth. Minutes of the two preceding days read, corrected and approved. Call for corresponding letters. Harrisburg Church presented her letter, which was read and received.

On motion, Elds. E. P. Minton, A. S. Pettie, E. J. A. McKinney and R. P. Bain were appointed a special committee to draft resolutions in memory of our beloved brethren, Elds. C. B. Hunton and R. G. Thomas, deceased. Committee on State Missions was granted further time, and its report made a special order of business for 2:30 this afternoon.

The Committee on Temperance reported as follows :

We, your Committee on Temperance, beg leave to report : That, in view of the fact that the use of intoxicants is the cause of nine-tenths of the crime with which the land is cursed, and is the direct cause of a very large percentage of the poverty and distress of our people today. It brings about most of the burdens of taxation which our people have to bear ; besides, it is a well-known fact that the use of intoxicants transmits criminal tendencies and disease to the offspring of the users. Therefore, be it

RESOLVED :—That all our Churches do ALL IN THEIR POWER to discourage the use and traffic in alcoholic drinks, and that all Churches who encourage the traffic or fail to discipline its

members who use the stuff, be considered to be unsound in Baptist doctrine and practice.

The Committee on Woman's Work reported as follows:

We, your Committee on Woman's Work, submit the following report:—We recommend that this Association assist, encourage and co-operate with the noble Christian ladies of this Association in the grand work they are doing for the cause of Christ. Woman was last at the cross; they were

first at the sepulchre; she has ever been more ready and willing to assist in upholding, promulgating and sending the gospel to enlighten the nations of the earth. To give you a feint idea of what they are doing, we give the financial report of their order for the year 1898:

Committee on State Missions report as follows:

The State Board has done an efficient work so far this conventional year. A number of Associations and Churches have been assisted. A number of meetings have been held, with good results, by the volunteers called for by the State Board. Eld. C. F. J. Tate has been in the employment of the State Board for the most part of the year. Bro. Tate has

done work in a part of the state hitherto uncultivated—the north central part of the state. A good work has been done at Mammoth Spring, Hardy, Imboden, Black Rock, Walnut Ridge, Wynne.

We recommend that our Associational Board continue to co-operate with the State Board; and that all the Churches in this Association make a special effort to raise a fund for state missions, and forward the same through their church clerk to secretary and treasurer of State Board, at Little Rock.

Specially, do we commend the untiring efforts of Hon. W. E. Atkinson, President of State Board, in striving to enlarge the state work. Inasmuch as larger and larger fields of destitution are throwing open their doors and inviting Mt. Zion to enter and to possess the land, we, therefore, recommend that this Association ask the State Board for \$100 to aid in the cultivation of this large territory.
