### RESOLUTION NO. 1

Whereas, a resolution adopted by the other body calling itself the Benton County Baptist Association comes to us for consideration; and

Whereas, the said resolution expresses the desire that all Baptists in Benton County should be in accord; and

Whereas, the churches that originated that organization did withdraw from this Association, and by their messengers assembled did effectually declare non-fellowship for this body by organizing another Association, and assuming our name; therefore be it

Resolved, That we deplore the divided state as it is today among the Baptists of Benton County, and elsewhere, and strongly desire a reconciliation along Bible lines. Be it further

Resolved, That such churches as desire to return to us are invited to rescind their action in departing and come back. Be it further

Resolved, That the Association that adopted that resolution, having expressed their desire to be reunited with us, should dissolve their organization, repudiate their record, and advise their churches to represent in this body next year.

---

### SUNDAY SCHOOLS

We your Committee on Sunday Schools beg leave to report:

We urge and insist that each church have and maintain a regular Sunday School for the teaching of God's word, as we are admonished in God's word to train up a child in the way he should go: and when he is old he will not depart from it. Therefore we should not neglect the duty that we owe to our children. Therefore we should not be slack in giving our prayers and support to the Sunday School.

J. H. SHARP,

C. D. PLUMLEE, Com.

### FOREIGN MISSIONS

We your Committee on Foreign Missions submit the following:

The command is, "Go ye into all the world and preach the gospel to every creature. He that believeth and is baptized shall be saved; but he that believeth not shall be damned." "How shall they believe in him of whom they have not heard? And how shall they hear without a preacher? And how shall they preach except they be sent?" Obedience to these commands is enjoined upon

the churches, whose mission it is to evangelize the world; and if we, as individual members of the churches, prove recreant to the trust committed to our care, and derelict to the duty enjoined upon us, how can we expect the blessings of God upon us? We are not to be concerned about results; for it is written that His word shall not return unto Him void, but shall accomplish that whereunto it was sent.

We wear the name of Missionary Baptists; are we proving worthy of the name? Jesus Christ said, "If ye love me, ye will keep my words." Then let us be more earnest to extend our Master's kingdom, lest it be said of us, "Ye knew your duty and did it not." We are told, "In the morning sow thy seed, and in the evening withhold not thine hand: for thou knowest not whether shall prosper either this or that, or whether they both shall be alike good."

Therefore we urge upon the pastors to lay this duty before their churches, and that the churches wake up to a greater activity along this line of missions: and we recommend the churches to send their contributions to the Treasurer of the General Association, or direct to the workers on the field, and report to the said Treasurer as being the most economical and productive of the best results.

E. J. BISHOP,  
G. W. BIRKES,  
P. T. KELLER,  
WM. EDWARDS, Com.

---

### MINISTERIAL SUPPORT

We your Committee on Ministerial Support submit the following report:

In the bounds of our Association and elsewhere we have men called of God to preach the gospel. These men cannot give their time to the ministry as they should, unless the churches support them. We do not believe that we support our ministers as we should. We further believe that the work of a great many ministers is hindered because they are not supported as they should be.

Therefore we recommend and urge that the churches hold up the hands of their pastors by supporting them liberally.

We also find that in a majority of the churches a few of the brethren and sisters have the burden of the support to bear. We would therefore recommend that we try to get each member to

help some, even though it be only a small amount, believing that it will be a benefit to them as well as to the pastor.

FLAVEY DEWITT,  
SISTER M. J. RODGERS,  
J. D. THORNE,  
WALTER McCLAIN.

---

### ASSOCIATIONAL MISSIONS

We your Committee on Associational Missions beg leave to report as follows:

In our county, of which we are all so proud, there is great destitution, and we feel that we ought to have a missionary in the field for full time; but as we are behind with our present missionary, and have not the means to pay same, we do recommend that the churches composing this Association liberate our pastors to do mission work for one month during the year in the bounds of this Association, or wherever the Holy Spirit may direct, and that the churches pay them for their time, praying the blessings of the Lord upon their work as they go. Signed by the Committee,

B. C. BROOKS,  
J. H. SHARP.

---

### MINISTERIAL EDUCATION

Your Committee on Ministerial Education submit their report:

An educated and well trained ministry was among the first work of our Lord, and this is the very foundation of our seminary training for our preachers; and our young preachers should avail themselves of college training in some one of our great Baptist schools, and so be the better prepared for their life work. We recommend especially Jacksonville College at Jacksonville, Texas.

But to be an educated man does not necessarily mean a college training. A preacher can learn a great deal by close study of good books and papers at home. Paul told Timothy to study to show himself a workman.

T. B. PRUITT,  
J. A. HEATH,  
L. C. MOON,  
FRANK BILLMAN, Com.

### OBITUARIES

We your Committee on Obituaries submit the following report: We find by reading the letters sent to the Association from the churches that God in his own way has called, since the last meeting of the Benton County Association, some of our brethren and sisters

from our churches to the blessed home of the soul, to-wit: Sister Louisa True and Sister Minnie Smith of Mason Valley; Brother William Slater and Sister Sarah Young of Pleasant Grove; Sister Muldrew of Cave Springs; Sister S. H. Jones of Bethlehem; Bro. L. C. Jesse of Maysville; Sister Boone of Gravette; Bro. Sam Webster of Antioch; Sister Lizzie Thomason of Temperance Hill; Bro. James Garrett and Sister M. J. Lane of Springtown; Sister Mary R. Seeley of Mt. Pleasant.

We extend our heart-felt sympathy to the bereaved. May they ever feel that heaven has grown brighter to them.

EFFIE E. THORN,  
M. J. RODGERS,  
E. AUSTIN,  
BESS DEWITT, Com.

#### RESOLUTION NO. 2

Whereas Baptists have always stood for the word of God as their rule of faith and practice, we believe in Bible sanctification, but not in the modern doctrine of sinless perfection; therefore be it

Resolved, That the churches be advised to keep themselves clear of this modern heresy.

---

#### RESOLUTION NO. 3

Resolved, further, that we guard against the rotten doctrines of Russellism, and be careful as to what kind of literature we keep before our children, and study our Bibles that we may be prepared to meet those heresies with the word of truth.

---

#### RESOLUTION NO. 4

Resolved, That this body extend thanks to the people of Bethlehem Church and community for their hospitality in caring for us during our stay with them.

COMMITTEE.

#### STATE MISSIONS

We your Committee on State Missions beg leave to report as follows:

From the reading of the letters from the churches, we see that our churches are not doing what they should. We would recommend that we take a greater interest in our state work, as the preaching of a full gospel depends on the Baptists; and that we get in closer touch with our state missionaries, and invite them into our county to preach and stir up the churches to a greater mission spirit. Signed by the Committee,

E. C. BROOKS,  
E. J. BISHOP.

---

**ORPHANS' HOME**

We your Committee on Orphans' Home submit the following:

We find that there are about 38 children in the Texarkana Orphans' Home to be cared for, and that the means for their support is very scarce. We recommend that every messenger do more in the future than we have in the past to get the churches to give more liberally to this cause.

M. L. SEAMSTER,

F. ALLEN,

R. L. HURST, Com.

---

**PUBLICATIONS**

We your Committee on Publications beg leave to make the following report:

We find that our people as a whole neglect the reading of the Bible to their hurt, as individuals and as a body. Therefore we would recommend a more diligent study and prayerful study of the Bible. We would recommend the following plan for reading the Bible through: Read three chapters per day through all the books to and including Esther, four chapters per day through Job, Psalms and Proverbs, and three chapters per day through the rest of the books, reading the odd chapters at the end of books of which the number is not divisible by three (or four in the case of Job,

Psalms and Proverbs) on the same day with the previous group, and all books having less than three chapters to be read as one day's reading, which plan, it is said, will carry one through the Bible in exactly one year.

We would also recommend that our people take and read our denominational papers as a means of informing themselves of the work being done. We also recommend that the fathers and mothers of Benton County be very careful about the literature that they allow to come into their homes, some, as we see it, teaching damnable heresies, as Russellism and such like.

We also recommend a liberal distribution of sound Baptist literature to counterbalance the effects of bad literature.

J. A. CALHOUN,

A. R. HALL, Committee.
