The Committee on Orphans' Home submits their report as follows:

From all information obtained by your committee we find the home in good condition. The orphans are well cared for. There are now, in the home, sixty-two orphans. They are somewhat crowded. The home needs to be enlarged. We therefore recommend that the churches take, as soon as practicable, liberal collections for the support and welfare of the orphans.

Respectfully submitted.

(Signed) A. J. Robins, Chairman.

After several speeches by the brethren, the report was adopted as read. No collection ordered.

Committee on Obituaries report as follows:

Since your last meeting the Seythe of Time has mown down a number from our ranks, among whom are those, viewing from a human standpoint, we could not well spare, but we remember that God makes no mistakes, but doeth all things well. We feel that we have suffered great loss especially in the death of our beloved brethren, C. W. Strickland and E. Merrel. Brother Strickland was always at his post of duty; he was a safe leader at all times about his Heavenly Father's business. He was a faithful and safe counselor, a true Christian brother and faithful minister of the Gospel. Brother E. Merrel was the last of the pioneer ministers of this section of the country. He was sound in the faith and earnest in his efforts for the salvation of sinners. Resolved that we cherish their memory, emulate their christian virtues, and bow with humble submission to the will of God, remembering the blessed truth that "All things work together for good to them that are called according to his purpose." Respectfully submitted.

(Signed) J. T. Holt, J. A. Thomas, J. F. Compton, Committee.

After a number of the brethren had made tender and touching remarks, telling how deeply they felt the loss of those godly and wise counsellors, what faithful and good pastors and earnest preachers of the Gospel they were, an appropriate song was sang, and prayer was offered by Brother L. M. Byers, in which he said we may all strive to emulate the virtues of the deceased consecrated brothers.

The Committee on Sunday Schools reports as follows:

We are firm believers in Sunday schools. In our opinion the Sunday school is the best medium for the sytematic teaching of the word of God. We would especially insist that in the selection of superintendents and teachers care should be taken that only consecrated christians be chosen for these important positions, and that whenever possible such should be members of the church in good standing. We are sorry to note, from reports of the various churches, that several churches in this association are without schools, and that we recommend that all such endeavor to organize and maintain schools wherever and whenever practicable. We further recommend that preachers and superintendents and members in general emphasize the fact that the Sunday school is for both old and young, and that the

parents be urged to attend with their children. Let the children in particular be carefully and correctly trained, as the future hope of the church depends upon them.

Respectfully submitted,

Geo. McNew, J. C. Cornish, J. Hipp.

After the report was debated, the committee and the churches urged to follow the recommendations as set forth therein, the report was adopted as read.

The committee on State Missions reported as follows:

Whereas there is considerable destitution in the state and our executive committee has tried to supply the destitution, therefore we recommend a strong support of the same by people indorsing the General Association, while those desiring to work through other channels, being left to do their work in any way they see proper, but above all let us work and pray that the glorious light of the Gospel may reach all parts of our beloved state. (Signed) L. M. Byers, Chairman.

A motion to adopt was made. After some debating pro and con, a motion was made by Brother A. J. Robins to amend report by erasing the second clause, which reads: "While those desiring to work through other channels being left to do their work in any way they see proper." The amendment was debated at some length by several of the brethren. After which a vote was called for on the amendment. Vote shows amendment lost by a large majority. The original question was called for, and the report was adopted as read.

The Committee on Ministerial Support make report as follows:

That, believing as we do, a call to the ministry is the highest honor that can be bestowed upon man, and in order that he may be fully consecrated to his calling and thereby accomplish the design for which he was called (that of preaching the Gospel) to the edification of his people, and the faithful warning of sinners to flee from wrath to come, it is very necessary that he be freed from secular or manual labor, that he may give his entire time to this calling. Therefore, we recommend that pastors fail not to proclaim the whole counsel of God and instruct the churches in this, their duty, knowing it hath been ordained that they that preach the Gospel shall live of the Gospel, we urge the churches to a liberal support of the ministry, that the Gospel may be preached to all without hinderance, and God be glorified in you thereby.

W. D. Davis, F. M. Dennis,
R. S. Ravan, Committee.

After some debate by several of the brethren, the report was adopted as read.

A letter from Mount Pleasant Church, asking admittance in this body, was read; the Church received Messengers enrolled and the Moderator extended a hearty welcome.

By motion, a collection was had for Brother Harris, an aged minister. The sum of \$10.95 was collected and handed the old brother.

The Committee on Literature reported as follows:

First, we recommend the Bible as the book of all books to be read and studied prayerfully. Second, we recommend the land-mark, Baptist, as a means of communication. (Signed) U. J. Newell, R. H. Hallmark, Committee.

Report was adopted as read.

The Committee on Prayermeeting report as follows:

We believe that in all the ages of the world, God has blessed his people in answer to prayer, and we are taught in his word to pray with and for each other; and we believe further that a well organized and spiritually conducted prayermeeting is a great factor in building up the Church, and will have an influence in bringing souls to Christ. We therefore recommend that every Church in this Association organize and keep up a regular weekly prayermeeting, as we believe that there is great power in prayer. (Signed) T. T. Ebbs, Chairman.

A motion to adopt was made. After some discussion, the report was adopted as read.

The Committee on Ministerial Education submits its report as follows:

Believing it to be a personal duty of each individual Christian to help educate the ministry, and believing, as the Baptists have always done, in Christian education, therefore we recommend to our people, the Baptist schools in our State, where Baptist principles and doctrine will be instilled into the minds of our young

ministers, Ouachita College as the best school for those studying for the ministry, to attend to obtain a thorough education.

(Signed) L. M. Keeling, Chairman.

A motion to adopt was made. After several speeches from the brethren, the question was called for, and the report was adopted as read.

The Committee on Family Devotion submits its report as follows:

We believe that there is nothing more helpful to growth in grace than the family altar, where a portion of God's Word is read, and praying to him for guidance, protection and for the forgiveness of our sins. It is not only a means of growth in grace for those that have accepted Christ as their Savior, but it will be instrumental in bringing our children to accept Christ as their Savior.

(Signed) Allen Dowdy, J. B. Henderson, W. S. Byrd, Committee.

The report was by motion, and seconded, adopted as read.

The Chairman of the Executive Board of this Association makes report as follows:

We your Executive Board, have endeavored to occupy the territory and do mission work in two ways. First, by supplementing the salaries of the pastors of the weak churches, and in the second place, by placing missionaries in the destitute portion of our Association. We have employed Brethren J. M. Copeland and D. W. Cornish, one month each at \$40 each. The following amounts were appropriated to the churches herein named: Athens Church, \$40; Cedar Hill Church, \$20; Brushy Creek, \$20; Friendship, \$15; Cedar Point, \$10; Rosedale, \$10; New Home, \$20. Twenty-three days' work by Brother J. M. Copeland, \$30.66%. Paid Brother L. M. Byers \$6.50 for missionary work, organized church at Cross Roads baptizing seven converts. Amount received from the churches during the year, \$95.84.

(Signed) W. R. Story, Chairman of Board.

By motion, and seconded, the report was adopted as read.

Committee on Destitution submits report as follows:

We find but little destitution within the bounds of this Association. There is a scope of territory on the Cossatot river, east of Duckett Schoolhouse, destitute of Baptist preaching. We find that we are in want of houses in which to worship in portions of the territory. We have supplied New Hope and Cross Roads. This is our greatest hinderance: will the Association help build? We recommend that this Association employ a man for all his time to preach to the weak churches that are financially unable to pay for same, and supply the destitution within his bounds. We recommend that the man employed supply his territory with Bibles, Testaments and other good religious literature.

(Signed) J. M. Copeland, J. H. Jones, J. A. Farley, Committee.

Motion had to adopt. After a lengthy discussion on the employing of a missionary for all his time, the matter of selecting said missionary was, by motion and second, deferred until the Fifth Sunday meeting in January next. The report was adopted as read.

The Committee on Nominations submit report as follows:

We recommend that the annual meeting of this Association of 1905 be held with the Mine Creek Baptists at Nashville, beginning on Saturday before the Fourth Sunday in October, and that Rev. L. M. Webb preach the Associational sermon at 11 o'clock a. m. Saturday, L. M. Keeling to be his alternate. We recommend that the Board consist of the following brethren: D. W. Cornish, chairman; J. L. Ferguson, A. J. Robins, L. M. Byers, J. W. Hutchins, J. M. Copeland and J. T. Holt as members of the Executive Board.

(Signed) W. S. Gathright, Chairman.

A motion to adopt was made. The Moderator stated that the report read was to be debated. Brother A. J. Robins moved to strike out the name of D. W. Cornish as chairman and insert that of W. R. Story instead. After some argument pro and con, the vote of the body sustained the motion. A motion was then had to strike out the name of A. J. Robins as member of the Board and insert that of D. W. Cornish instead. After some argument, the motion to amend was lost. The report was then adopted as amended. After its adoption, Brother A. J. Robins moved to reconsider the action in adopting said report. Carried. Brother Robins then moved to amend report as adopted by striking out Mine Creek Church, and in lieu thereof, insert Pleasant Valley Church. Brother J. H. Morgan moved to amend the amendment by inserting Oak Hill Church. After considerable debate,

the amendment to the amendment was lost by vote of the house; then a vote was had on amendment to the report, which was carried. The report stands amended by inserting Pleasant Valley instead of Mine Creek Church.

Committee on Programme for Fifth Sunday Meeting report as follows:

We recommend that the First Fifth Sunday Meeting be held at Ozan No. 2 on the Fifth Sunday in January, 1905, and that U. J. Newel preach the introductory sermon Saturday at 11 o'clock a. m. The following queries will be discussed:

1. "The Purpose of Missions," by L. M. Byers.
2. "Importance of Sunday Schools," by W. R. Story.
3. "The Necessity of Prayermeeting," by D. W. Cornish.
4. "What Kind of Literature Should Parties Put Into the Hands of Their Children?" by M. W. DeLoach.

(Signed) W. D. Davis, Chairman.

The Committee on the Evils of Intemperance submit the following report:

Owing to the immense progress the intemperance adherents have made during the past year, and the enormous grasp they now hold on the American people, we feel the just necessity of a combined effort to root this evil out of our country and supplant instead thereof the Banner of Prince Immanuel. We place ourselves on record as being against intoxicants in any form, and we recommend that the churches discipline members on the use of intoxicants as a beverage. We further recommend that we exercise our suffrage to the best of our ability to suppress the liquor traffic in all of its stealthiest forms.

(Signed) T. L. Epton, Chairman.

Report was adopted as read.

The Committee on Foreign Missions submit the following as their report:

We recommend a hearty co-operation with the general Association. Having no statistics to present this body, we heartily call your attention to the different fields adopted by the general Association, to-wit: Cuba, Syria and Mexico.

(Signed) W. R. Story, Chairman.

The report was adopted as read without comment.

American Baptist Publication Society

IS IT WISE?

WE HAVE been informed that there are Baptist Sunday schools which have yielded to the solicitations, personal and otherwise, of an undenominational publishing house, and which are taking, in whole or in part, the literature of that house in preference to the literature of their own Publication Society. In view of this information we desire to put the question, *Is it wise?* to pastors, Sunday school officers and teachers who may have been thus influenced.

Is it wise to put into the hands of Baptist children and youth a literature which in some parts is largely sensational, in other parts directly opposed to Baptist teaching, and in no part clearly and positively declarative of our distinctive denominational views? What sort of Baptists will the next generation be if the youth of this generation are brought up on a merely negative or an essentially Pedobaptist literature, and are never taught in the Sunday school the truths for which our fathers were ready to suffer and which form the only ground for our denominational existence? And how are young people to be brought to Christ and developed into stalwart Christians, if the aim in the literature employed is mainly to gratify a craving for the sensational and not to instruct and to fortify against errors in doctrine and life?
