

A close-up photograph of several pink dogwood flowers in bloom. The flowers have four large, rounded petals with a light pink color and darker pink veins. The centers of the flowers are white with small yellow stamens. The background is a soft, out-of-focus blur of more pink flowers and green leaves.

CONSTITUTION

Adopted October 17, 1961

(Section 8 (a) Amended October 15, 1963)

(Section 5 Amended October 14, 1968)

1. NAME

The name of this association shall be the North Pulaski Baptist Association, cooperating with the Arkansas Baptist State Convention and the Southern Baptist Convention.

2. PURPOSE

The purpose of this association shall be to promote Christian fellowship and cooperation among the churches affiliated with the association to uphold the doctrines and principles of our Baptist faith and to encourage the churches to be loyal to and practice these doctrines and principles; to promote the preaching and teaching of God's Word, the enlisting and training of all Christians for service; to promote missions, benevolence, stewardship, Christian education, and the winning of all men to Christ to the ends of the earth. To co-operate with the Arkansas Baptist State Convention and the Southern Baptist Convention in a world missions program.

3. MEMBERSHIP

The body shall be composed of messengers elected from the churches and missions affiliated with the body. When such messengers are approved by the association they shall be seated and entitled to participate in the affairs of the body. Each church shall be entitled to three messengers for the first fifty members, and one additional messenger for each fifty members above the first fifty, provided that no church shall be entitled to more than ten messengers.

4. ARTICLES OF FAITH

The Articles of Faith set forth in New Hampshire Confession as the doctrinal beliefs of the church shall be the doctrines adopted by this body.

5. OFFICERS

The officers of the Association shall be moderator, moderator-elect, clerk, treasurer and historian. These officers shall be nominated and elected by the association, preferably before the last session of the annual meeting. They shall serve until the close of the following annual session of the association or until their successors shall be elected and installed. Election shall be by secret ballot unless another plan is adopted by unanimous consent. The term of moderator shall be for one year. The moderator-elect shall serve as assistant to the moderator for one year and shall at the time of the annual association meeting assume the office of moderator. The association will at that time elect a new moderator-elect. The duties of these officers shall be those usually incumbent upon such officers.

If the association employs a superintendent of missions and/or an educational director, these workers shall be considered as officers of the association. Such additional officers shall be elected as the association shall deem necessary to its most effective work.

6. AUTHORITY

The association is an autonomous body and therefore reserves the right to determine its own policies and direct its own business; it may refuse to seat messengers who are not in fellowship or doctrinal agreement with the body, or whose churches are not. However, this body shall never exercise any authority over, or give direction to, any church or churches which are affiliated with it or which may have been affiliated with it; but the association will stand ready to lend any assistance or counsel to any church making request for such help.

7. ORGANIZATIONS

This body shall encourage and promote such associational organizations as Sunday School, Training Union, Woman's Missionary Union, Brotherhood, music, library, and other organizations which are in keeping with the purpose of the association, with their full staffs of officers and programs necessary for the promotion of the work. The chief officer of each organization shall be elected, or approved by the association and shall function as an officer of the association.

8. EXECUTIVE COMMITTEE

The Association shall have an executive committee consisting of the pastor of each church (where he is a member of the church) and one lay member from each church. Nominations for membership in the executive committee may be made by the church, but members must be elected by the association. The officers of the association, namely moderator, moderator-elect, clerk, treasurer, and historian, shall be ex-officio members of the executive committee and should serve as respective officers of the committee, unless the association directs otherwise. All other officers and chairmen of standing committees are to become ex-officio members of the executive committee. Ex-officio members will not have the right to vote unless they are also members of the executive committee elected as representatives of their respective churches.

The executive committee shall attend to all matters of the association between sessions; promote all progress authorized by the association; and carry out all directives given by the association. It shall make an annual report to the association of all work carried on and all finances handled. The executive committee shall not have the power to create or initiate any new work or project not contained in the reports and recommendations of the previous meeting of the association.

The executive committee shall hold regular monthly or quarterly meetings.

The executive committee shall not have power to entitle a church to affiliation with the association or have representation on the executive committee, but may invite a church to sit with it in counsel without vote, pending the seating of the messengers of that church by the association.

8. (a) The legal title to all property owned by this Association, both real and personal, shall be held in the name of the designated trustees, which shall be vested in them by virtue of their office and which shall be transmitted to their successors. The Trustees shall be three in number and shall be named by the Association to serve for a term of one year or until their successors shall have been named and qualified. In the event a vacancy should occur by reason of the failure of the Association to make such selection, by death, by disability, by removal from the community or otherwise, the Executive Committee may fill the vacancy. By direction of the Association, or of the Executive Committee,

the trustees shall be clothed with authority to act on behalf of the Association in the acquisition and disposition of Associational property, and specifically shall have authority to execute notes, bonds, debentures, deeds of conveyance, mortgages, pledges and other security instruments and any and all related documents incidental thereto; and to represent the Association in all legal matters. All persons dealing with said trustees may rely upon any written resolution duly adopted by the Association or the Executive Committee, directing and authorizing the trustees to act in its behalf, and a certified copy of any such resolution duly executed by the Associational moderator and the clerk shall be conclusive evidence thereof.

9. MEETINGS

The association shall hold annual meetings of the body at such time and place as it may determine. The executive committee may have power to change the stated time and/or place of the annual meeting in case of emergency or necessity. The association may hold such quarterly meetings as are deemed wise for the promotion of its work. It shall promote such regular meetings of its worker's council, its promotional organizations, and its standing committees as shall prove most effective for carrying out the total purpose of the association.

10. COMMITTEES

The association shall have the following standing committees named by the moderator and his officers before the close of the annual session to serve until the close of the next annual session, namely, program committee, nominating committee, credentials committee, budget committee, and such additional standing committees as seem needed. All organizations of the association shall name their own committees.

11. AMENDMENTS

This constitution may be amended at any regular annual session of the association by a two-thirds majority of the messengers present, provided notice of such change has been given at the previous annual meeting and provided it is read in the first session of the annual meeting and voted on before the last session.

By Laws

(Section 2 amended October 11, 1971)

1. In parliamentary procedure the body shall be governed by *ROBERT'S RULES OF ORDER* or *KERFOOT'S PARLIAMENTARY LAW*.

2. The fiscal year for the association shall be from the first day of October to the last day of September inclusive. Annual reports to the association shall cover this period.

3. The annual meeting of the association shall be in the month of October. The exact days and place shall be recommended by the nominating committee, or other committee authorized by the association, and approved by the body. The executive committee may be authorized to make such adjustment in the time and place of the annual meeting as may become necessary because of the circumstances which develop after the close of the annual meeting of the whole body.

4. All officers of the association must be members of churches within the association, in good standing, and recognized for their knowledge of a loyalty to Southern Baptist doctrines and programs.

5. Duties of the officers shall be as follows:

THE MODERATOR shall call to order and preside over the meetings of the association and the executive committee, and direct the affairs of the association in an orderly manner and Christian spirit. (He may for good reason ask other officers or members of the body to preside at times.)

The MODERATOR-ELECT may, if the moderator so directs, preside over the sessions of the association council. He shall preside over other meetings in the absence of the moderator and shall assist the moderator in such ways as he may direct. The moderator-elect will have the privilege of attending the assembly of his choice as preparation for the office of moderator.

The CLERK shall keep a full and accurate record of all business of the association and the executive committee, and of all recommendations of the associational council. At each meeting he shall be prepared to read all minutes of the previous meeting. All records for at least one year shall be on hand at each meeting. They shall be kept in a fireproof safe between meetings.

The TREASURER shall receive all funds of and for the association, not otherwise designated, shall disburse all funds in accordance with the adopted associational budget or the specific instructions of the association and upon receipt of a bill or voucher properly authorized. He shall keep accurate records of all monies received, with sources and designations of same. He shall make reports to the regular meetings of the executive committee and annual meeting of the association and have the same approved. The executive committee shall have the treasurer's reports audited at the close of the fiscal year, and report the same to the annual association, for approval.

The HISTORIAN shall write in orderly form the events of the association, beginning with its organization. The association should request the churches and individuals who may possess historical information about the association to make it accessible to the historian. He shall make record of current events of each fiscal year and read his annual chapter to the annual meeting of the association for adoption. These records shall be kept in fireproof safe or vault.

6. The following associational organizations shall be maintained and promoted by the association for the benefit of the work in the churches: associational Sunday School organization, associational Training Union, associational Woman's Missionary Union, associational Brotherhood, associational music organization, associational Church Library Council, and such other as may be deemed wise for the attainment of the objectives of the association. All officers of the organizations shall be members of churches affiliated with the association and in good standing.

Unless the association shall direct otherwise, the chief officers of the organizations shall be chosen by their respective organizations, submitted to the nominating committee of the association, and elected or approved by the association. Their duties shall be understood to be in line with the functions set forth in the promotional literature for their respective organizations, as produced or approved by the state or Convention-wide agencies functioning in a like area.

7. The following committees, other than the standing and special committees, shall be maintained by the association as needed for promotion of its work among the churches: committee on evangelism, missions committee, and such

other committees as may be needed. The chairman of these committees shall be elected or appointed by the association, and other committee members shall be chosen in number and manner designated by the association and in accord with the needs of the work. The qualifications required for members of such committees shall be the same as for all other officers, and their duties shall be prescribed by the association.

8. All associational organizations and regular committees shall make reports to the regular meetings of the executive committee and/or to the association. The committee shall exercise authority over these organizations and committees only to the extent of determining whether they are working within the bounds of the organizational programs as approved by the association.

9. A place shall be made on the order of business of the association for miscellaneous business at each session of the association.

10. A sermon on doctrines and one on missions shall be provided at each annual meeting. Addresses on assigned topics relating to phases of our Baptist work shall be provided for by the program committee.

11. Messengers to the association shall be accorded equal rights and privileges of the floor, provided each messenger who desires to speak shall rise, address the moderator, and be recognized before he begins to speak. No messenger shall be entitled to speak on any one subject more than twice until other messengers desiring to speak have been heard. Upon request of a messenger, or by consent of the body, the moderator may invite a visitor to speak during a discussion.

12. The by-laws may be amended at any regular session of the association by a majority vote of messengers present, provided such amendment has been read to the body not later than the second session, and is voted on before the last session.

COMPOSITION AND DUTIES OF THE ASSOCIATIONAL MISSIONS COMMITTEE

Section 1. The Association in Annual meeting, through the Nominating Committee, shall elect a standing committee, known as the Missions Committee. This Committee shall be composed of NINE members. Members of the Missions Committee shall serve for a term of THREE years. Each year THREE members shall complete their terms and shall not be eligible for re-election for a period of at least one year.

Section 2. The Officers of the Association and the elected Associational Organization leaders, shall be ex-officio members of the Committee with all rights of discussion and voting.

Section 3. The Missions Committee shall have the responsibility of selecting and nominating any paid agents of the Association, and to recommend their employment to the Executive Board in regular meetings, or properly called special meetings.

Section 4. The duties of the Missions Committee shall be as follows:

(1) To plan a program of mission work for the Association. This is to be an active and aggressive program of planning. This committee should present a challenging and progressive program of work.

(2) To see that the plans for Associational work are promoted effectively.

(3) To plan a program of benevolences. This should be a well thought out

program including all such needs. Plans for promoting the activities should be initiated by this committee.

(4) To plan a comprehensive program with regard to Christian Education. This committee should ascertain the needed projects, set the emphases, and actively promote the work.

(5) To correlate the activities and projects of the Association with the adopted cooperative program. This committee should actively work toward the end of keeping all our Baptist programs under direct supervision in cooperation with the cooperative program plan. These projects should be clearly thought through and planned in connection with the budget committee each year.

(6) To work toward the establishment of new units of mission work in the Association. To facilitate this phase of the work the Chairman of the Missions Committee shall appoint a special committee of THREE from the membership of the Missions Committee. This shall be known as the Missions and Survey Committee. The duties of the committee shall be:

- (a) To survey the entire Association to determine the areas where new churches or missions should be established, and to locate property in such areas suitable for building sites.
- (b) To recommend to the Missions Committee expenditures toward securing such property. The Missions Committee will then study their findings and recommendations and bring to the Executive Board for final action those projects they endorse.
- (c) To solicit the assistance of sponsoring churches in establishing work in areas which have been approved by the Executive Board.
- (d) To assist and advise all groups desiring to establish Baptist Churches and Missions in the territorial limits of North Pulaski Baptist Association to the end that all such works may secure the most desirable and strategic locations to serve the people of this association.
- (e) To survey areas to be served by each proposed new work and recommend to the Missions Committee the nature and extent of any assistance that the Association should provide in each case. The Missions Committee would in turn study their recommendation and submit to the Executive Board a final recommendation in each instance.
- (f) To recommend to the Missions Committee all salary supplements to pastors of missions and needy churches. Requests shall be made in writing on a standard form. Commitments for supplements shall be made in writing on a standard form. Commitments for supplements shall be made for periods not to exceed one year. They may be renewed by recommendation of the Committee in deserving cases. Maximum aid will be limited to three years. After the first year the aid shall be reduced 25% of the original amount for each following year.
- (g) That all recommendations of the missions committee concerning pastoral aid and disposition of property be published one month prior to presentation to the Executive Board on the Associational page of the Arkansas Baptist State Paper.
- (h) Regarding Pioneer Mission Work, it is recommended that any approval of aid of Pioneer Missions also have the approval of the Home Mission Board.
- (7) This Committee shall never exercise any authority over the churches. Its sole function shall be that of advising the local congregation, desiring to

establish a new work, in the matter of securing the most strategic location and assist them in securing the sponsorship of a mother church, if desirable. Any group desiring association assistance in securing property and for Pastor's salary supplements would be expected to counsel with this committee in locating their work. If a church forms spontaneously or a local church establishes a new mission without counselling with the Missions and Survey Committee, no attempt will be made to tell them they cannot do so. The Association must then decide whether or not to welcome the new church into the fellowship.

(8) The Missions Committee should correlate the activity of the Associational organizations. Plans should be made together so as to avoid conflicts.

(9) The Chairman of the Missions Committee will appoint committees within the committee when such are needed to carry out the duties of the Missions Committee with regard to the above items.

ASSOCIATIONAL STRATEGY PLANNING REPORT

The Associational Strategy Planning steering committee studied the purpose of the association and revised it for simplicity and clarity. The revised purpose:

The purpose of North Pulaski Baptist Association is to assist the local Southern Baptist churches in fulfilling their mission by:

1. Promoting Christian fellowship
2. Upholding the doctrines of our Baptist faith
3. Providing means through which churches shall engage cooperatively in leadership training, missions, evangelism, education, and ministry.
4. Cooperating with Arkansas Baptist State Convention and the Southern Baptist Convention.

Task groups were appointed to gather data in these areas: Social Studies, Other Religious Groups, Associational Organization, Population, Church Study, and Capital Needs. This data was shared with all the churches for additional input.

The steering committee met in retreat to review the needs of the churches as found by the task groups and then to prioritize the needs and form objectives to meet those needs. The associational council (program leaders) wrote action plans for the objectives, keeping in mind the needs.

The Objectives are:

1. **COOPERATION AND FELLOWSHIP** — to equip churches in North Pulaski Association in carrying out God's redemptive plan by magnifying unity through cooperation and building fellowship.

2. **EVANGELISM AND MISSIONS** — to equip all the churches of North Pulaski Association to witness more effectively of the Gospel to every segment of our society and to offer to every individual an opportunity to worship in a New Testament Church.
3. **LEADERSHIP TRAINING - EDUCATION** — to make available to the churches of North Pulaski Association materials, leadership, training, education and enrichment opportunities.
4. **MINISTRY** — to provide means whereby the churches of North Pulaski Association minister to every segment of society to meet social and redemptive needs.
5. **COMMUNICATION** — to help the churches understand the purposes, objectives, and goals of North Pulaski Association and to interpret our work to the community.
6. **ORGANIZATION** — Provide an organization that will allow North Pulaski Association to provide programs and ministries to meet the needs of the churches.
 - 1) Our goal is to design and implement a revised organization structure for NPA by October, 1987.
 - a. appoint a committee of 12 persons consisting of laypersons and staff members to study and make proposals for revisions of constitution and by-laws.
 - b. formulate job descriptions for all organizational components including program organization, committees, officers, and paid personnel.
 - c. present revised constitution, by-laws, and job descriptions to executive committee and Annual Meeting in September, October, 1986.
7. **FACILITIES** — Provide our Association with physical resources needed to equip our churches to minister.

SUNDAY SCHOOL

8.5 by '85 is over!!! But our work is not done, and we have a new goal before us. CHALLENGE 10/90 is a goal of having 10 million people enrolled in Sunday School by September 30, 1990.

This year our A.S.S.I.S.Team conducted three Sunday School training events and three Vacation Bible School training events. These six conferences drew participation from 29 churches. We pray that those who attended benefited from the training.

I would like to thank Dick Avey, Mike Martin, Leroy Stringfield, David Steele, Clay Porter, Becky Thomason, Donna Matthews, Diane Bledsoe, Frances Hamilton, Jo Mariner and Vicki Lloyd for their time and hard work on this year's A.S.S.I.S.Team.

Greg Jackson

ASSIST Director 84-85

CHALLENGE 10/90 is beginning. There will be training opportunities throughout this new church year to help work toward this new challenge.

It begins with a Fall Small Sunday School Training Conference, then followed by a Spring Association-wide Sunday School Training Conference, Association-wide Vacation Bible School Clinics, and two special Association-wide Study Book Conferences. These opportunities are planned to assist all the association, plus the A.S.S.I.S.Team being available, too.

ASSIST Director 85-86

CHURCH TRAINING

Outstanding reports have come from churches in our association who participated in the "Developing Believers" Church Training emphasis during 1984-85. The emphasis featured five strategies - The Believers Ministry Covenant; Dynamic Doctrines; Bringing Together Evangelism and Missions; Baptist Doctrine Study; and Pastor's Seminars.

Several associational Church Training events were conducted which were aimed at implementing the Developing Believers emphasis in local churches. "M" Night featured Glendon Grober, Associate in the Evangelism Department, ABSC, who spoke on the subject of "Developing Believers." A bold Growth in Discipleship school was led by the Associational Church training team to train workers from several churches.

The Children's Bible Drill continues to have a growing participation from our churches. Approximately 30 children from six churches advanced beyond the associational level to the state district level.

The Developing Believers emphasis will be repeated again in 1985. Contact these associational workers for help in implementing this emphasis in your church:

BROTHERHOOD REPORT

Mission education and mission action = a properly functioning Brotherhood. We are striving in North Pulaski to see that each one of our churches elect a Brotherhood Director. By electing this necessary person a church would be on the way to Mission education. After electing a Brotherhood Director comes the formation of Royal Ambassadors and Baptist Men. The Associational Brotherhood team is available to assist you with organization. We are hoping to visit every church with a Brotherhood organization this next year.

The association is sponsoring two mission action trips this year and invites you to be a part. We encourage each church to find a mission action project and get involved.

This past year we have assisted several churches to begin new work. The Association has been well represented in both attendance and leadership in state Brotherhood work. We have exceeded our goal in the 8.5 by '85 program.

We completed two mission projects this year with several of our churches involved. First, was conducting an RA camp in Michigan. We had 34 campers and a good number were saved and some rededications. The second was a Backyard Bible School with the Indians in Oklahoma. There were about 30 plus Indians ministered to.

Ask yourself these questions: Am I a well informed responsible follower of Christ?; Do I have a Christ-like concern for all people?; Am I learning how the message of Christ is carried around the world?; Am I working with others in sharing Christ?; Do I really care about Missions?

WOMAN'S MISSIONARY UNION REPORT

As the year comes to the end and it is time for Annual report, it is good to be able to see what has been accomplished in our local churches. New organizations have been added. We have seen work begun in churches with no mission organization. Many of our churches have had church-wide book studies. This is very helpful in making our people more aware of missions.

Your associational director has served on the Association Strategy Planning Committee and has been a part in the setting of goals for associational work.

The directors in the association attended the State conference for associational workers and W.M.U. Week at Glorieta. These training sessions help each officer to meet the needs of the local church.

North Pulaski was the host association for the Baptist Women World Day of Prayer.

We look forward to a good year in 1985-86.

Alyce Polos, WMU Director

MUSIC

Several events highlighted the associational music calendar this past year. In January, we hosted a Children's choir workshop. The leadership for this conference was provided by the State Music office. A good representation was present from Associational churches as well as surrounding areas.

The State Music department hosted a handbell clinic at Baring Cross in September. We appreciate their willingness to help extend our knowledge in this area.

HONOR GOD AND COUNTRY CELEBRATION

The fifth annual Honor God and Country Celebration was held at Park Hill Baptist Church on June 30. A mass choir of over 125 voices provided music under the direction of Don Parks, First Baptist Church, Jacksonville. Colors were posted by the United States Marine Corp. Congregational singing was directed by Rodger Carlson, First Baptist Church, North Little Rock. Testimony was shared by John Ward, State Representative and Tim McMinn, Associational Moderator and pastor of Remount Baptist Church, brought the message.

YOUTH

On April 13, 1985, the Associational Youth Ministry sponsored a seminar for youth and parents on the subject of rock music. Michael Haynes, from Texas, brought his highly acclaimed "God of Rock Seminar" to the Park Hill Baptist Church. The seminar was a very dramatic multi-media presentation and it exposed the five dominant themes of rock music: drugs, sex, rebellion,

satanism, and false religion. Approximately one thousand attended. From this group an estimated 200 responded to an appeal to let Jesus be Lord of every area of their life.

Associational Youth Director

SENIOR ADULTS

Nineteen Eighty-Five for Senior Adults in the North Pulaski Association has been an encouraging one. Two factors have contributed. One is the upsurge of our churches in the association seeing the need for special emphasis in senior adult work. Secondly, a very loyal and dedicated committee has committed itself to providing some ministries for our association. That committee is Juanita Phillips of Gravel Ridge, Jim Shirley of Sherwood, Shirley Davis from Pike Avenue, Angus Emerson from Jacksonville, Second, and Roy Cook of Baring Cross. These five are wonderful people to work with.

We have had two exciting experiences. One was the retreat at Mills Valley. We had numerous churches represented with a nice program presented by Second Baptist in Jacksonville and Baring Cross. This fall we held a "How To" Seminar at First Church, Gravel Ridge and had 77 in attendance from our association. They had an opportunity to attend six different conferences in various areas dealing with senior adults. Due to the overwhelming success of these two experiences we will plan to continue these in the 1985-86 year and plan to add to these an associational trip to a Chataqua at either Ridgcrest or Glorieta.

We would encourage any church that does not have a senior adult ministry and would like to get one started, to get in touch with any one of the committee or myself and we would be happy to help organize. We think it is crucial for each church to have this particular area of ministry.

Director

SINGLES FELLOWSHIP

The second year of the North Pulaski Singles Fellowship has been a really good year of growing participation. We had eleven meetings with an average attendance of 63!!! The February Meeting was cancelled for snow. Nine different churches were involved in hosting these meetings. Our June meeting took the form of an all-day retreat at Camp Paron, where 35 singles experienced the importance of communication according to Chris Elkins, Minister to Singles at First Baptist Church, Little Rock. Chris also shared his experience as a former "moonie".

We're excited about reaching out to the churches in our association who have not thus far participated with us, and about extending our fellowship time into mission/ministry, as determined by the group. We encourage singles from all our North Pulaski churches to join us for fellowship and ministry.

Peggy Pearson, Director

THE ASSOCIATIONAL CHURCH MEDIA/LIBRARY REPORT

The Associational Church Media/Library Organization (TACMO) held four quarterly meetings with an average of six churches represented at each meeting.

State training at Central Baptist was well attended and 'on the job' training was done on a one-to-one basis in individual libraries, with workshops and training sessions at each TACMO meeting. Training in book repair, processing, and promotion were included.

The mobile library was used in one church, and two libraries were re-activated. There are approximately 25 churches with libraries and 13 without.

The audiovisual library, which is maintained at the Associational office, loaned 79 filmstrips and 67 pieces of equipment this past year. Filmstrip sets for training in Youth and Preschool areas were added.

Billie New
TACMO Director

MILLS VALLEY BAPTIST RETREAT

Mills Valley Retreat is continuing to be used for Bible Study, Training and Recreation. Associational churches used the facilities 38 times and 10 times by outside groups. The State R.A. Camps was held at Mills Valley; also, the Summer Missions Orientation Program.

Improvements are progressing and we are looking forward to having city water in the immediate future.

The committee appreciates the commitment of Charlie and Mable Seelinger. They really keep the grounds and building looking great.

We encourage all our churches to take advantage of our beautiful retreat site.

EVANGELISM

We have had a good beginning of a renewed emphasis on evangelism in our association. Several significant events took place last year, and the momentum is building toward the Good News America simultaneous revivals next March.

We began the year with an emphasis on prayer. Twenty ministers and staff members attended a one-day seminar on Prayer for Spiritual Awakening led by Glendon Grober. Several of our churches have reported conducting this seminar in their local churches.

On May 23, about one hundred people attended our Associational Evangelism Rally. Billy Hines, Associate Pastor of Central Baptist, Magnolia, was the guest speaker. We also heard testimonies from several witnessing laymen, and saw a film about Good News America.

On September 12, the Evangelism and Sunday School departments combined to conduct a training conference for the Evangelistic People Search/Scripture Distribution scheduled for October 20-26, 1985.

Next March 23-April 6, our association will join others across our state in promoting the Good News America simultaneous revivals. We expect this to be a tremendous opportunity for our churches in the area of evangelism.

Mickey Anders
Evangelism Director

STEWARDSHIP

Planned Growth in Giving has been the primary stewardship emphasis for 1984-85. Planned Growth in Giving is a 5 Sunday, 4 week project designed to lead individuals to make 15 year growth-in-giving goals. PGG will also challenge churches to increase giving to missions by establishing 15 year goals for giving to associational missions and the Cooperative Program.

Three major events were conducted to interpret PGG and train pastors and church leaders to implement this project. These events and numbers participating were:

1. Pastor's Conference15 churches, 28 participants
2. State PGG Conference8 churches, 18 participants
3. Association One Night Conference10 churches, 24 participants

Four goals for 1985-86 have been proposed to guide our churches in various areas of stewardship. These goals are:

1. To provide training in budget development and promotion for 20 churches by September 1, 1986.
2. To provide follow-up training in Planned Growth in Giving for 12 churches by September 1, 1986
3. To interpret the North Pulaski Baptist Association program to 20 churches by September 30, 1986
4. To provide orientation for 15 churches concerning the New Church Annuity Plan by September, 1986.

Projects designed to reach these goals include:

1. Budget Planning SeminarJuly 14, 1986
2. PGG State ConferenceJanuary 29, 1986
3. Associational PGG ConferenceMay 5, 1986
4. New Church Annuity Plan ConferenceAugust 25, 1986

In addition to these conferences, an audio-visual presentation of the North Pulaski Association program will be prepared and presented to churches. This presentation will interpret our program of ministries and missions as well as challenge our churches to increase giving to the association.
