The committee on literature made their report as follows:

The committee on Sunday Schools submits their report as follows:

We believe that the Sunday school is the medium for the systematic teaching of God's word. Would recommend that every church in this association organize a Sunday school. We would recommend that care be taken in selecting teachers and superintendents, and that only consecrated christians be chosen for important positions. We are sorry to note from letters that various churches in the association are without Sunday schools. Let the children in particular be carefully trained, for the future hope of the church depends upon them.

Signed, C. A. Westfalls, Chairman.

The committee on ministerial support submits their report as follows:

Believing as we do that a call to the ministry is the highest honor ever bestowed on man, and in order that he may be thoroughly furnished to every good work and fully equipped to accomplish the design for which he was called, that of preaching the gospel for the edification of the people and faithful warning of sinners, as ambassadors for Christ, it is very necessary that he be free from secular or manual labor, that he may give his entire time to this calling. Therefore we recommend that as pastor he fail not to declare the whole counsel of God and instruct the churches in their duty, impressing them with the fact that it is ordained that they that preach the gospel shall live of the gospel.

Signed, L. M. Keeling, Chairman.

Motion and second to adopt. After speeches by Brethren L. M. Keeling, J. H. Milburn and C. M. Searles. The report was adopted as read.

The committee on evils of intemperance submit their report as follows:

Intemperance, as generally accepted and understood, is the indulgence in the use of intoxicating liquors, and is the foundation of more evil than any other one thing that can be mentioned. Take the records of our courts, and four-fifths of all crimes are traceable to intemperance. It breeds murderers, gamblers, liars, thieves and every other class of criminals. It breaks up the peace of home and

communities; it breaks the hearts of loving wives, mothers and sisters; it disqualifies for business or society; it fills our prisons, ruins health and drags down to hell the souls of men. These and many other evils that might be mentioned being true, we recommend and urge that all christians, and especially our Baptist brethren, stand shoulder to shoulder together against this great evil by voting against license and teaching our boys, by example as well as by precept, to touch not, taste not and handle not this unclean and dangerous thing, and that our churches be urged to discipline all members who may indulge in its use.

J. T. Holt, B. F. Diddy, Chas. Hipp, Committee.

A motion to adopt was made. After speeches by Brethren C. C. Calhoun, J. T. Holt, J. B. Luck M. W, DeLoach and others, the report was adopted as read.

Committee on Orphans Home submitted the following report:

The Baptist Orphanage Home is located at Monticello, Ark. Mrs. Hannah Hyatt Cardner is the faithful and sacrificing matron. There are 66 at present in the home, and being much crowded, additional buildings are necessary. Owing to the ill health of Rev. W. W. Gardner, the financial agent, we have had no active agent in the field the greater part of this year, and the funds are exhausted. Hence, we recommend that the churches of this association make liberal contributions for the support and welfare of these helpless and dependent orphans.

M. W. DeLoach, Chairman.

Motion to adopt was made, after speech by Bro. DeLoach.

By motion the report on Orphans Home was carried over till after noon.

By motion, the association adjourned till 1:30.

Work on all lines is encouraging. 69 new missionaries have been sent out this year and many others venturing to go. We beg the churches of this association to lay the foreign mission work on their hearts as never before. With an open door to all the world and a divine commission from our blessed Lord to go into all the world and preach the gospel, we beg the churches of this association to take regular collections for this work and forward the same to R. J. Willingham, corresponding secretary to board, or through any other channel they may see fit. We further recommend that a collection be taken now for foreign missions.

D. W. Cornish, Chairman.

Motion to adopt was made. After debating pro and con by Brethren D. W. Cornish, J. H. Milburn, W. R. Story and M. W. DeLoach, motion to adopt report as amended, substituting J. B. Sellman instead of R. J. Willingham, corresponding secretary of foreign board.

The report was adopted as amended.

The moderator ordered collections for foreign missions taken through the General Association of the United States. Amount \$7.39.

The committee on state missions make the following report:

When the Lord has said to us go into all the world and preach the gospel to

every creature, and our executive committee has tried to supply the destitution of this state, therefore, we recommend a strong support of the state mission by people endorsing the General Association. As to our sorrow our people are divided in method. We recommend that those desiring to work through other channels be left free to do their work in any way they see proper; but above all let us work and pray that the glorious light of the gospel may reach all parts of our state.

Signed, L. M. Keeling, Chairman.

Motion to adopt was made. The report was adopted as read without comment.

According to the instruction of the association at last session we have employed a missionary to fill the destitution employing Bro. J. M. Copeland for full time at fifty [\$50] dollars per month. Our missionary has put in 118 days for which we have paid him \$196.66; received from all sources \$177.45; by order from Bro. Neal \$40; paid out for different purposes \$216.40; balance on hand \$1.05; balance in the treasury \$96.82. We have done colportage work through our missionary which has proven a great factor in the work. Sermons preached 73, prayer service 47, visits 60, received by baptism 9, received by letter and statement 19; built two church houses and organized 1 Sunday school. Submitted, L. M. Keeling.

Motion to adopt. After speeches by Bro. L. M. Keeling and others, the resolution was adopted as read.

The committee on prayermeeting make their report as follows:

Inasmuch as the word of God abounds with precious promises of abundant blessings to those who come to Him in earnest, faithful prayer, we feel that every church as a church should avail itself of this great God-given opportunity to advance the cause of Christ and the honor of God's name, for we are convinced that no church of Christ can ever hope to attain to its full mission of usefulness in the Master's vineyard without a well attended, spiritual, weekly prayermeeting. Therefore we would recommend that every church that has not already done so should get about this work at once.

J. W. Hampton, J. H. Reams, C. C. Calhoun, Committee.

After talk by Bro. C. C. Calhoun, the report was adopted as read.

The committee on destitution make their report as follows:

We find that the most of our association has been supplied with preaching and churches, except in the northwestern part lying west of the Saline, and the east side in the settlement of Minnie postoffice; therefore, we recommend these points be supplied by the association in a way they deem best.

Signed, J. M. Copeland, Chairman.

The committee on family devotion make their report as follows:

We offer first, that family devotion is incumbent upon every man and woman whom God has blessed with a family. God has commanded that all men everywhere should pray and, as we believe, there is no place where prayer is more effective than around the family altar. The Wisest Man has said "train a child in the way it should go and it would not depart from it," so we recommend that the brethren should establish family altars in each and every home.

We find upon investigation that many of our co-laborers have been called from labor to rest. While we regret to give them up, yet we commend them into the hands of Him who does all things well and has declared Himself to be the resurrection and life. Among those who we will miss most is Eld. U. J. Newell, who has valiantly fought for the Lord and faithfully stood for the cherished principles of the Missionary Baptist for 51 years. Oh, that his mantle might fall on some

younger head. It can be truly said of him he shall rest from his labors but his work will follow him. Recognizing as we do the hand of God in calling these, we bow in humble submission to His will.
