Welcome to Tiger Tunes 1980! This, the second year for Tiger Tunes, has been an excitingly new experience for all of those involved.

Tiger Tunes began last year as the result of an idea to incorporate a fall event that would generate excitement in Ouachita’s students as Tiger Traks does in the spring. Each campus organization involved created a five-minute musical production performed in one night of entertainment. They competed for four over-all cash awards and four category awards. Who would have thought the first year would be a complete sell-out!

With this tremendous response, we saw the opportunity to expand from one night to three nights of performances. Each night the organizations will be judged in various categories including theme, costume, choreography and music. Four over-all cash prizes and four category awards will again be awarded to the highest-ranking groups. Another category, entertainment value, has been added, and a separate prize will be given. The competition should be stiff, and an entertaining evening should be the product of the hard work of these groups.

Thank you for helping make Tiger Tunes 1980 a great success.

The Ouachita Student Foundation is again proud to present Tiger Tunes. Just over a span of one year, Tiger Tunes has grown from one night to three exciting nights of song and delightful entertainment. On behalf of the Student Foundation and Ouachita we would like to thank each of you for making this event one of our greatest achievements.

“Students Helping Students,” our motto and purpose each year, is being fulfilled through the efforts of raising money for scholarships, dinners for students and alumni, Tiger Traks and tonight, Tiger Tunes. Most importantly, we would like to thank you for your ideas, criticisms, suggestions and your powerful support for the Ouachita Student Foundation.

Eddie Jackson
OSF President

You are presently participating in one of the events in which “students helping students” has keyed its success. No other activity allows such opportunities for Ouachita students to work and perform competitively, yet together as one body, with their final outcome being a terrific evening of entertainment for all to enjoy.

This is the seventh year in which the OSF has been committed to being just that “students helping other students.” Evaluating the needs of OBU students, whether it be through its various efforts of providing opportunities for disciplined students to gain invaluable advice and expertise from Ouachita graduates; or assisting the Admissions Counselors in their efforts of recruiting outstanding high school seniors for OBU; or providing $500 scholarships for other students; or planning and promoting big events such as tonight in TIGER TUNES and later in TIGER TRAKS..... Ouachita students are committed to it, all of these events demonstrate it, and because of you, “students helping students” and the OSF will continue to be a vital part of Ouachita Baptist University.
