Ouachita Baptist University will not be offering for purchase video copies of tonight’s performance. In recent years, obtaining permission to videotape copyrighted material has become increasingly difficult, costly and time consuming. In regard to use of camcorders and/or audio recorders tonight, the Ouachita Student Foundation respectfully reminds our guests that it is against U.S. copyright laws to reproduce on video or audio equipment, all or portions of Tiger Tunes for commercial or private sale, without the approval rights from the various music licensors. The University will videotape the performance for archival purposes, and a copy will also be available for public viewing in the Audio-Visual center at Riley-Hickingbotham Library.
